The Transaction and each of the Transaction Agreements are fully described in the Form 8-K filed by the Issuer on September 12, 2019.

On September 11, 2019 (the “Effective Time”), with respect to the Transactions, APC purchased 15,015,015 shares of the Issuer’s Common Stock (such purchased shares, the “Transaction Shares”) at a price per share of \$19.98 pursuant to a Common Stock Purchase Agreement dated May 10, 2019, as amended by a First Amendment To Stock Purchase Agreement dated August 26, 2019 (as amended, the “Common Stock Purchase Agreement”). The Common Stock Purchase Agreement contains, among other terms and conditions, customary representations and warranties by the Issuer for transactions of this nature, covenants regarding the operation of the Issuer between signing of the Common Stock Purchase Agreement and the closing of the purchase, certain conditions to closing, broad mutual indemnification provisions and other miscellaneous provisions. Under the Common Stock Purchase Agreement, and as more fully described in the Form 8-K filed by the Issuer on September 12, 2019, APC and its officers and directors who are also officers or directors of the Issuer (i.e., the holders of Related Party Votes, as defined in the Stock Purchase Agreement), will instruct the Issuer proxy holders to vote their shares of the Issuer Common Stock in the same proportions as all other votes cast on each proposal at the Special Meeting. The Stock Purchase Agreement further provides that the Issuer’s officers or directors who are also officers or directors of APC will instruct the APC proxy holders to vote their shares of APC common stock in the same proportions as all other votes cast on each proposal that will be brought before the APC special meeting of shareholders held to approve some aspects of the Transactions. Finally, the Stock Purchase Agreement revises the form of the Voting and Registration Rights Agreement, which is attached as an exhibit to the Stock Purchase Agreement, to provide that APC votes in excess of 9.99% will be voted by proxy given to the Issuer’s management, and that those proxy holders will cast the excess votes in the same proportion as all other votes cast on any specific proposal coming before the Issuer’s stockholders. The Transaction Shares sold under the Common Stock Purchase Agreement were not registered under the Securities Act and were issued and sold in a private placement pursuant to Section 4(a)(2) thereof.
