**ITEM 1. SECURITY AND ISSUER.**

The name of the issuer is Apollo Medical Holdings, Inc., a Delaware corporation ("Issuer"), which has its principal executive offices at 1668 S. Garfield Ave., 2nd Floor, Alhambra, CA 91801. This statement relates to the Issuer's class of common stock, \$.001 par value per share ("Common Stock").

**ITEM 2. IDENTITY AND BACKGROUND.**

This statement is filed by the Reporting Person, whose principal office is located at 1668 S. Garfield Ave., 2nd Floor, Alhambra, CA 91801. The principal business of the Reporting Person is providing medical services as an independent physician practice association. The information called for by Item 2 with respect to the executive officers and directors of the Reporting Person is set forth on Exhibit A hereto.

During the last five years, the Reporting Person has not, and to the best of Reporting Person's knowledge, the persons listed on Exhibit A hereto have not, been convicted in a criminal proceeding.

In addition, during the last five years, the Reporting Person has not, and to the best of the Reporting Person's knowledge, the persons listed on Exhibit A hereto have not, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which it was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.**

See Item 4 below.

**ITEM 4. PURPOSE OF TRANSACTION.**

On December 8, 2017, a reverse merger transaction between Network Medical Management, Inc., a California corporation ("NMM") and the Issuer was consummated such that NMM became a wholly-owned subsidiary of the Issuer (the "Merger").

---

Immediately prior to the closing of the Merger (the "Closing"), the Reporting Person was a shareholder of NMM. Pursuant to the Merger, the shares of NMM common stock previously held by Reporting Person were converted into (i) 1,682,109 shares of Common Stock of the Issuer, (ii) a warrant to purchase 52,262.84 shares of Common Stock of the Issuer exercisable at any time prior to December 8, 2022 at an exercise price of \$11.00 per share, (iii) a warrant to purchase 55,337.13 shares of Common Stock of the Issuer exercisable at any time prior to December 8, 2022 at an exercise price of \$10.00 per share, (iv) cash in lieu of fractional shares, and (v) the Reporting Person's pro rata portion, if any, of the Holdback Shares (as defined below).

Immediately prior to the Closing, NMM made an in-kind distribution on a pro rata basis to its shareholders (including the Reporting Person) of the following warrants, which warrants were previously held by NMM: (i) 1,111,111 Series A warrants (of which the Reporting Person received 68,317.43 Series A warrants) to purchase Common Stock of the Issuer, exercisable at any time prior to October 14, 2020 at an exercise price of \$9.00 per share, and (ii) 555,555 Series B warrants (of which the Reporting Person received 34,158.69 Series B warrants) to purchase Common Stock of the Issuer, exercisable at any time prior to March 30, 2021 at an exercise price of \$10.00 per share.

Pursuant to the terms of each of the warrants described above (the "Warrants"), no fractional shares shall be issuable upon exercise or conversion of the Warrants, and the number of shares to be issued shall be rounded down to the nearest whole share. If a fractional share interest arises upon any exercise or conversion of the Warrants, the Issuer shall eliminate such fractional share interest by paying the holder of the Warrants cash in the amount computed by multiplying the fractional share interest by the fair market value of a full share, as determined in accordance with the terms of the Warrants. As such, the number and percentage of shares of Common Stock beneficially owned by the Reporting Person excludes all fractional shares of Common Stock issuable upon the exercise or conversion of the Warrants.

As previously disclosed in the Issuer's SEC filings, and as a condition to the Closing, the Reporting Person was required to enter into a Lock-Up Agreement with the Issuer, dated December 6, 2017 (the "Lock-Up Agreement"). Under the terms of the Lock-Up Agreement, the Reporting Person agreed not to, without the prior written consent of the Issuer and except in limited circumstances (i) offer, pledge, sell, contract to sell, sell any option or contract purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of Covered Securities (as defined in the Lock-Up Agreement) or (ii) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of the Covered Securities (as defined in the Lock-Up Agreement). Prior to the amendment to the Lock-Up Agreement (described below), the lock-up restrictions terminated with respect to one-third of the shares of the Issuer's common stock issued in connection with the Merger immediately following each of (i) the 18<sup>th</sup> month anniversary of the effective time of the Merger (the "First Lock Up Period"), (ii) the 30<sup>th</sup> month anniversary of the effective time of the Merger and (iii) the 42<sup>nd</sup> month anniversary of the effective time of the Merger. On June 5, 2019, the Issuer and the Reporting Person entered into an Amendment to the Lock-Up Agreement, pursuant to which the Reporting Person agreed to extend the expiration date of the First Lock-Up Period from June 8, 2019 to September 30, 2019. Except as described above, all the terms and conditions of the Lock-Up Agreement remain unchanged and in full force and effect.

---

As previously disclosed in the Issuer's SEC filings, at the Closing of the Merger, 10% of the total number of shares of the Issuer's Common Stock issuable to pre-Merger NMM shareholders was held back to secure indemnification rights of the Issuer and its affiliates (the "Holdback Shares"), which Holdback Shares were to be released to former NMM shareholders 50% on the first, and 50% on the second anniversaries of the Closing of the Merger (i.e., December 8, 2018 and December 8, 2019, respectively) if no indemnification claims are made by such dates. No indemnification claim was made before December 8, 2018 and, accordingly, the first 50% of the Holdback Shares was automatically released for issuance on December 8, 2018. As such, the Reporting Person is deemed to be the beneficial owner of its pro rata portion of the released Holdback Shares (i.e., 93,451 shares of Common Stock) as of December 8, 2018. If no indemnification claim is made before December 8, 2019, the remaining 50% of the Holdback Shares will be released and the reporting Person will become the beneficial owner of an additional 93,450 shares of Common Stock.

On May 10, 2019, the Issuer entered into a series of agreements (collectively, the "Transaction Agreements," and the transactions contemplated by such Transaction Agreements, the "Transactions") with two of its affiliates, AP-AMH Medical Corporation, a California professional medical corporation ("AP-AMH"), and the Reporting Person. The Transaction and each of the Transaction Agreements are fully described in the Form 8-K filed by the Issuer on September 12, 2019.

On September 11, 2019, with respect to the Transactions between the Issuer and the Reporting Person, the Reporting Person purchased 15,015,015 shares of the Issuer's Common Stock (such purchased shares, the "Transaction Shares") at a price per share of \$19.98 pursuant to a Common Stock Purchase Agreement dated May 10, 2019, as amended by a First Amendment To Stock Purchase Agreement dated August 26, 2019 (as amended, the "Common Stock Purchase Agreement"). The Common Stock Purchase Agreement contains, among other terms and conditions, customary representations and warranties by the Issuer for transactions of this nature, covenants regarding the operation of the Issuer between signing of the Common Stock Purchase Agreement and the closing of the purchase, certain conditions to closing, broad mutual indemnification provisions and other miscellaneous provisions. Under the Common Stock Purchase Agreement, and as more fully described in the Form 8-K filed by the Issuer on September 12, 2019, Reporting Person and its officers and directors who are also officers or directors of the Issuer (i.e., the holders of Related Party Votes, as defined in the Stock Purchase Agreement), will instruct the Issuer proxy holders to vote their shares of the Issuer common stock in the same proportions as all other votes cast on each proposal at the Special Meeting. The Stock Purchase Agreement further provides that the Issuer's officers or directors who are also officers or directors of Reporting Person will instruct the Reporting Person proxy holders to vote their shares of Reporting Person common stock in the same proportions as all other votes cast on each proposal that will be brought before the Reporting Person special meeting of shareholders held to approve some aspects of the Transactions. Finally, the Stock Purchase Agreement revises the form of the Voting and Registration Rights Agreement, which is attached as an exhibit to the Stock Purchase Agreement, to provide that Reporting Person votes in excess of 9.99% will be voted by proxy given to the Issuer's management, and that those proxy holders will cast the excess votes in the same proportion as all other votes cast on any specific proposal coming before the Issuer's stockholders. The Transaction Shares sold under the Common Stock Purchase Agreement were not registered under the Securities Act and were issued and sold in a private placement pursuant to Section 4(a)(2) thereof.

---

In addition, the Issuer granted the Reporting Person certain registration rights with respect to the Transaction Shares sold under the Common Stock Purchase Agreement, and the Reporting Person agreed to restrict its voting powers, pursuant to a Voting and Registration Rights Agreement dated September 11, 2019 (the "Voting and Registration Rights Agreement"). Following the six month anniversary of the execution of the Voting and Registration Rights Agreement, holders of at least 25% of the Transaction Shares may require that the Issuer prepare and file, and take reasonable actions to support the effectiveness of, a registration statement covering the resale of all of the Transaction Shares not already covered by an existing and effective registration statement. Under the Voting and Registration Rights Agreement, the Reporting Person agreed that to the extent it has voting power in excess of 9.99% of all voting securities of the Issuer, the Reporting Person will not vote any Common Stock or other voting securities of the Issuer in excess of 9.99%.

The Reporting Person does not have any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a)(j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed above.

**ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.**

- (a) The Reporting Person's beneficial ownership and percentage of Common Stock as of the date this Amendment is filed is reflected on the cover page of this Amendment.
- (b) The Reporting Person has the sole power to vote or to direct the voting of 5,027,526 shares of Common Stock, and has the sole power to dispose or to direct the disposition of such number of shares. Any vote by the Reporting Person in excess of 9.99% of the Issuer's then outstanding shares will be voted by proxy given to the Issuer's management, and that those proxy holders will cast the excess votes in the same proportion as all other votes cast on any specific proposal coming before the Issuer's stockholders.
- (c) See Item 4 of this Amendment.
- (d) Not applicable.
- (e) Not applicable.
