APOLLO MEDICAL HOLDINGS, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

1. Description of Business

Overview

Apollo Medical Holdings, Inc. (“ApolloMed”) is a leading physician-centric, technology-powered, risk-bearing healthcare company. Leveraging its proprietary end-to-end technology solutions, ApolloMed operates an integrated healthcare delivery platform that enables providers to successfully participate in value-based care arrangements, thus empowering them to deliver high-quality care to patients in a cost-effective manner. ApolloMed was merged with Network Medical Management (“NMM”) on December 8, 2017 (“2017 Merger”). As a result of the 2017 Merger, NMM became a wholly owned subsidiary of ApolloMed, and the former NMM shareholders own a majority of the issued and outstanding common stock of ApolloMed and maintain control of the board of directors of ApolloMed. Unless the context dictates otherwise, references in these notes to the financial statements, the “Company,” “we,” “us,” “our,” and similar words are references to ApolloMed and its consolidated subsidiaries and affiliated entities, as appropriate, including its consolidated variable interest entities (“VIEs”).

Headquartered in Alhambra, California, ApolloMed’s subsidiaries and VIEs include management services organizations (“MSOs”), affiliated independent practice associations (“IPAs”), and a Next Generation Accountable Care Organization (“NGACO”). NMM and Apollo Medical Management, Inc. (“AMM”) are the administrative and managerial services companies for the affiliated physician-owned professional corporations that contract with independent physicians to deliver medical services in-office and virtually under the following brands: (i) Allied Physicians of California, a Professional Medical Corporation d.b.a. Allied Pacific of California IPA (“APC”), (ii) Alpha Care Medical Group, Inc. (“Alpha Care”), and (iii) Accountable Health Care IPA, a Professional Medical Corporation (“Accountable Health Care”). These affiliates are supported by ApolloMed Hospitalists, a Medical Corporation (“AMH”) and Southern California Heart Centers, a Medical Corporation (“SCHC”). The Company’s NGACO operates under the APA ACO, Inc. (“APAACO”) brand and participates in the Centers for Medicare & Medicaid Services (“CMS”) program that allows provider groups to assume higher levels of financial risk and potentially achieve a higher reward from participation in the program’s attribution-based risk-sharing model.

The Company provides care coordination services to each major constituent of the healthcare delivery system, including patients, families, primary care physicians, specialists, acute care hospitals, alternative sites of inpatient care, physician groups, and health plans. The Company’s physician network consists of primary care physicians, specialist physicians, and hospitalists.

MSOs and Affiliates

AMM, a wholly owned subsidiary of ApolloMed, manages affiliated medical groups, ApolloMed Hospitalists, a Medical Corporation (“AMH”) and Southern California Heart Centers, a Medical Corporation (“SCHC”). AMH provides hospitalist, intensivist, and physician advisory services. SCHC is a specialty clinic that focuses on cardiac care and diagnostic testing.

NMM was formed in 1994 as an MSO for the purposes of providing management services to medical companies and IPAs. The management services primarily include billing, collection, accounting, administration, quality assurance, marketing, compliance, and education. Following the 2017 Merger, NMM became a wholly owned subsidiary of ApolloMed.

IPAs and Affiliates

APC was incorporated in 1992 for the purpose of arranging healthcare services as an IPA. APC is owned by California-licensed physicians and professional medical corporations, and contracts with various health maintenance organizations (“HMOs”) and other licensed healthcare service plans, as defined in the California Knox-Keene Health Care Service Plan Act of 1975. Each HMO negotiates a fixed amount per member per month (“PMPM”) that is to be paid to APC. In return, APC arranges for the delivery of healthcare services by contracting with physicians or professional medical corporations for primary care and specialty care services. APC assumes the financial risk of the cost of delivering healthcare services in excess of the fixed amounts received. Some of the risk is transferred to the contracted physicians or professional corporations. The risk is subject to stop-loss provisions in contracts with HMOs.

In July 1999, APC entered into an amended and restated management and administrative services agreement with NMM (the initial management services agreement was entered into in 1997) for an initial fixed term of 30 years. Under this management arrangement, NMM performs only non-medical administrative services, does not represent that it offers medical services, and does not exercise influence or control over the practice of medicine by APC or its physicians. In accordance with relevant accounting guidance, APC is determined to be a VIE of the Company and is consolidated by NMM.

AP-AMH was formed in May 2019, as a designated shareholder professional corporation. Dr. Thomas Lam, a shareholder and the Chief Executive Officer and Chief Financial Officer of APC and Co-Chief Executive Officer of ApolloMed, is the sole shareholder of AP-AMH. In accordance with relevant accounting guidance, AP-AMH is determined to be a VIE of ApolloMed and is consolidated by ApolloMed.

In September 2019, ApolloMed completed the following series of transactions with its affiliates, AP-AMH and APC:

1. ApolloMed loaned AP-AMH \$545.0 million pursuant to a 10-year secured loan agreement (the “AP-AMH Loan”). The loan bears interest at a rate of 10% per annum simple interest, is not prepayable (except in certain limited circumstances), requires quarterly payments of interest only in arrears, and is secured by a first priority security interest in all of AP-AMH’s assets, including the shares of APC Series A Preferred Stock purchased by AP-AMH, as described below. To the extent that AP-AMH is unable to make any interest payment when due because it has received dividends on the APC Series A Preferred Stock insufficient to pay in full such interest payment, then the outstanding principal amount of the loan will be increased by the amount of any such accrued but unpaid interest, and any such increased principal amounts will bear interest at the rate of 10.75% per annum simple interest.
2. AP-AMH purchased 1,000,000 shares of APC Series A Preferred Stock for aggregate consideration of \$545.0 million in a private placement. Under the terms of the APC Certificate of Determination of Preferences of Series A Preferred Stock (the “Certificate of Determination”), AP-AMH is entitled to receive preferential, cumulative dividends (“Series A Dividends”) that accrue on a daily basis and that are equal to the sum of (i) APC’s net income from healthcare services (as defined in the Certificate of Determination), plus (ii) any dividends received by APC from certain of APC’s affiliated entities, less (iii) any Retained Amounts (as defined in the Certificate of Determination).
3. APC purchased 15,015,015 shares of ApolloMed’s common stock for total consideration of \$300.0 million in private placement. In connection therewith, ApolloMed granted APC certain registration rights with respect to ApolloMed’s common stock that APC purchased, and APC agreed that APC votes in excess of 9.99% of ApolloMed’s then outstanding shares will be voted by proxy given to ApolloMed’s management, and that those proxy holders will cast the excess votes in the same proportion as all other votes cast on any specific proposal coming before ApolloMed’s stockholders.
4. ApolloMed licensed to AP-AMH the right to use certain trade names for certain specified purposes for a fee equal to a percentage of the aggregate gross revenues of AP-AMH. The license fee is payable out of any Series A Preferred Stock dividends received by AP-AMH from APC.
5. Through its subsidiary, NMM, the Company agreed to provide certain administrative services to AP-AMH for a fee equal to a percentage of the aggregate gross revenues of AP-AMH. The administrative fee also is payable out of any APC Series A Preferred Stock dividends received by AP-AMH from APC.

As part of the series of transactions described above, APC and AP-AMH entered into a Second Amendment to Series A Preferred Stock Purchase Agreement clarifying the term “Excluded Assets.” Excluded Assets means (i) assets received from the sale of shares of the Series A Preferred Stock equal to the Series A Purchase Price, (ii) the assets of the Company that are not Healthcare Services Assets, including the Company’s equity interests in Universal Care, Inc., Apollo Medical Holdings, Inc., and any entity that is primarily engaged in the business of owning, leasing, developing, or otherwise operating real estate, (iii) any assets acquired with the proceeds of the sale, assignment, or other disposition of any of the assets described in clauses (i) or (ii), and (iv) any proceeds of the assets described in clauses (i), (ii), and (iii).

APC’s ownership in ApolloMed was 19.77% at June 30, 2021 and 22.58% at December 31, 2020.

Concourse Diagnostic Surgery Center, LLC (“CDSC”) was formed in March 2010 in the state of California. CDSC is an ambulatory surgery center in City of Industry, California organized by a group of highly qualified physicians, which utilizes some of the most advanced equipment in the eastern part of Los Angeles County and the San Gabriel Valley. The facility is Medicare certified and accredited by the Accreditation Association for Ambulatory Healthcare. As of June 30, 2021, APC owned 45.01% of CDSC’s capital stock. In accordance with relevant accounting guidance, CDSC is determined to be a VIE of APC and is consolidated by APC.

APC-LSMA Designated Shareholder Medical Corporation (“APC-LSMA”) was formed in October 2012 as a designated shareholder professional corporation. Dr. Thomas Lam, a stockholder and the Chief Executive Officer and Chief Financial Officer of APC and Co-Chief Executive Officer of ApolloMed, is a nominee shareholder of APC-LSMA. APC makes all investment decisions on behalf of APC-LSMA, funds all investments and receives all distributions from the investments. APC has the obligation to absorb losses and right to receive benefits from all investments made by APC-LSMA. APC-LSMA’s sole

function is to act as the nominee shareholder for APC in other California medical professional corporations. Therefore, APC-LSMA is controlled and consolidated by APC as the primary beneficiary of this VIE. The only activity of APC-LSMA is to hold the investments in medical corporations, including the IPA lines of business of LaSalle Medical Associates (“LMA”), Pacific Medical Imaging and Oncology Center, Inc. (“PMIOC”), Diagnostic Medical Group (“DMG”) and AHMC International Cancer Center, a Medical Corporation (“ICC”). APC-LSMA also holds a 100% ownership interest in Maverick Medical Group, Inc. (“MMG”), Alpha Care, Accountable Health Care, and AMG, a Professional Medical Corporation (“AMG”).

Alpha Care, an IPA acquired by the Company in May 2019, has been operating in California since 1993 as a risk-bearing organization engaged in providing professional services under capitation arrangements with its contracted health plans through a provider network consisting of primary care and specialty care physicians. Alpha Care specializes in delivering high-quality healthcare to its enrollees and focuses on Medi-Cal/Medicaid, Commercial, and Medicare and Dual Eligible members in the Riverside and San Bernardino counties of Southern California.

Accountable Health Care is a California-based IPA that has served the local community in the greater Los Angeles County area through a network of physicians and healthcare providers for more than 20 years. Accountable Health Care provides quality healthcare services to its members through three federally qualified health plans and multiple product lines, including Medi-Cal, Commercial, and Medicare. In August 2019, APC and APC-LSMA acquired the remaining outstanding shares of Accountable Health Care’s capital stock that they did not already own (comprising 75%) for \$7.3 million in cash.

AMG is a network of family practice clinics operating out of three main locations in Southern California. AMG provides professional and post-acute care services to Medicare, Medi-Cal/Medicaid, and Commercial patients through its network of doctors and nurse practitioners. In September 2019, APC-LSMA purchased 100% of the shares of capital stock of AMG for \$1.2 million in cash and \$0.4 million of APC common stock.

In December 2020, using cash comprised solely of Excluded Assets, APC purchased a 100% interest in each of Medical Property Partners, LLC (“MPP”), AMG Properties, LLC (“AMG Properties”), and ZLL Partners, LLC (“ZLL”) and a 50% interest in each of One MSO, LLC (“One MSO”), Tag-6 Medical Investment Group, LLC (“Tag 6”), and Tag-8 Medical Investment Group, LLC (“Tag 8”). These entities own buildings that are currently leased to tenants or vacant land with plans to lease the building in the future. MPP, AMG Properties, and ZLL are 100% owned subsidiaries of APC and are included in the consolidated financial statements. In April 2021, Tag 8 entered into a loan agreement with MUFG Union Bank N.A with APC as their guarantor, causing the Company to reevaluate their consolidation of Tag 8. Based on the reevaluation, it was concluded that Tag 8 is a VIE and is consolidated by APC because APC has the ability to direct the activities that most significantly affect Tag 8’s economic performance. One MSO and Tag 6 are accounted for as equity method investments as APC has the ability to exercise significant influence, but not control over the operations of the entity. These purchases are deemed Excluded Assets that are solely for the benefit of APC and its shareholders. As such, any income pertaining to APC’s interests in these properties has no impact on the Series A Dividend payable by APC to AP-AMH Medical Corporation as described in the definitive proxy statement that ApolloMed filed with the Securities and Exchange Commission (the “SEC”) on July 31, 2019 (the “2019 Proxy Statement”), and consequently will not affect net income attributable to ApolloMed.

NGACO

APAACO, jointly owned by NMM and AMM, began participating in the NGACO Model of CMS in January 2017. The NGACO Model is a CMS program that allows provider groups to assume higher levels of financial risk and potentially achieve a higher reward from participating in this new attribution-based risk-sharing model.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Presentation

The accompanying consolidated balance sheets at December 31, 2020, have been derived from the Company's audited consolidated financial statements, but do not include all annual disclosures required by generally accepted accounting principles in the United States of America ("U.S. GAAP"). The accompanying unaudited consolidated financial statements as of June 30, 2021, and for the three and six months ended June 30, 2021 and 2020, have been prepared in accordance with U.S. GAAP for interim financial statements and with the instructions to Form 10-Q and Article 8 of Regulation S-X. Accordingly, these unaudited consolidated financial statements should be read in conjunction with the audited consolidated financial statements and related notes to the financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2020, as filed with the SEC on March 15, 2021. In the opinion of management, all material adjustments (consisting of normal recurring adjustments) considered necessary for a fair presentation have been made to make the consolidated financial statements not misleading as required by Regulation S-X, Rule 10-01. Operating results for the three and six months ended June 30, 2021, are not necessarily indicative of the results that may be expected for the year ending December 31, 2021, or any future periods.

Principles of Consolidation

The consolidated balance sheets as of June 30, 2021 and December 31, 2020, and the consolidated statements of income for the three and six months ended June 30, 2021 and 2020, include the accounts of ApolloMed; its consolidated subsidiaries, NMM, AMM, and APAACO; its consolidated VIE, AP-AMH; AMM's consolidated VIE, SCHC; NMM's consolidated subsidiaries, APCN-ACO and AP-ACO; NMM's consolidated VIE, APC; APC's consolidated subsidiaries, Universal Care Acquisition Partners, LLC ("UCAP"), MPP, AMG Properties and ZLL, APC's consolidated VIEs, CDSC, APC-LSMA, ICC, and Tag 8; and APC-LSMA's consolidated subsidiaries, Alpha Care, Accountable Health Care, and AMG.

Use of Estimates

The preparation of the consolidated financial statements and related disclosures in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include collectability of receivables, recoverability of long-lived and intangible assets, business combination and goodwill valuation and impairment, accrual of medical liabilities (incurred but not reported ("IBNR") claims), determination of full-risk and shared-risk revenue and receivables (including constraints, completion factors and historical margins), income tax-valuation allowance, share-based compensation, and right-of-use assets and lease liabilities. Management evaluates its estimates and assumptions on an ongoing basis using historical experience and other factors, including the current economic environment, and makes adjustments when facts and circumstances dictate. As future events and their effects cannot be determined with precision, actual results could differ materially from those estimates and assumptions.

Variable Interest Entities

On an ongoing basis, as circumstances indicate the need for reconsideration, the Company evaluates each legal entity that is not wholly owned by the Company in accordance with the consolidation guidance. The evaluation considers all of the Company's variable interests, including equity ownership, as well as management services agreements. To fall within the scope of the consolidation guidance, an entity must meet both of the following criteria:

- The entity has a legal structure that has been established to conduct business activities and to hold assets; such entity can be in the form of a partnership, limited liability company, or corporation, among others; and
- The Company has a variable interest in the legal entity – i.e., variable interests that are contractual, such as equity ownership, or other financial interests that change with changes in the fair value of the entity's net assets.

If an entity does not meet both criteria above, the Company applies other accounting guidance, such as the cost or equity method of accounting. If an entity does meet both criteria above, the Company evaluates such entity for consolidation under either the variable interest model if the legal entity meets any of the following characteristics to qualify as a VIE, or under the voting model for all other legal entities that are not VIEs.

A legal entity is determined to be a VIE if it has any of the following three characteristics:

1. The entity does not have sufficient equity to finance its activities without additional subordinated financial support;
2. The entity is established with non-substantive voting rights (i.e., where the entity deprives the majority economic interest holder(s) of voting rights); or
3. The equity holders, as a group, lack the characteristics of a controlling financial interest. Equity holders meet this criterion if they lack any of the following:
 - a. The power, through voting rights or similar rights, to direct the activities of the entity that most significantly influence the entity's economic performance, as evidenced by:
 - i. Substantive participating rights in day-to-day management of the entity's activities; or
 - ii. Substantive kick-out rights over the party responsible for significant decisions;
 - iii. The obligation to absorb the entity's expected losses; or
 - iv. The right to receive the entity's expected residual returns.

If the Company determines that any of the three characteristics of a VIE are met, the Company will conclude that the entity is a VIE and evaluate it for consolidation under the variable interest model.

Variable interest model

If an entity is determined to be a VIE, the Company evaluates whether the Company is the primary beneficiary. The primary beneficiary analysis is a qualitative analysis based on power and economics. The Company consolidates a VIE if both power and benefits belong to the Company – that is, the Company (i) has the power to direct the activities of a VIE that most significantly influence the VIE's economic performance (power), and (ii) has the obligation to absorb losses of, or the right to receive benefits from, the VIE that could potentially be significant to the VIE (benefits). The Company consolidates VIEs whenever it is determined that the Company is the primary beneficiary. Refer to Note 15 – “Variable Interest Entities (VIEs)” to the consolidated financial statements for information on the Company's consolidated VIEs. If there are variable interests in a VIE but the Company is not the primary beneficiary, the Company may account for the investment using the equity method of accounting.

Business Combinations

The Company uses the acquisition method of accounting for all business combinations, which requires assets and liabilities of the acquiree to be recorded at fair value, to measure the fair value of the consideration transferred, including contingent consideration, to be determined on the acquisition date, and to account for acquisition related costs separately from the business combination.

Reportable Segments

The Company operates as one reportable segment, the healthcare delivery segment, and implements and operates innovative healthcare models to create a patient-centered, physician-centric experience. The Company reports its consolidated financial statements in the aggregate, including all activities in one reportable segment.

Cash and Cash Equivalents

The Company's cash and cash equivalents primarily consist of money market funds and certificates of deposit. The Company considers all highly liquid investments that are both readily convertible into known amounts of cash and mature within 90 days from their date of purchase to be cash equivalents.

The Company maintains its cash in deposit accounts with several banks, which at times may exceed the insured limits of the Federal Deposit Insurance Corporation (“FDIC”). The Company believes it is not exposed to any significant credit risk with respect to its cash, cash equivalents and restricted cash. As of June 30, 2021 and December 31, 2020, the Company's deposit accounts with banks exceeded the FDIC's insured limit by approximately \$268.2 million and \$294.9 million, respectively. The Company has not experienced any losses to date and performs ongoing evaluations of these financial institutions to limit the Company's concentration of risk exposure.

Restricted Cash

Restricted cash consists of cash held as collateral to secure standby letters of credits as required by certain contracts.

Investments in Marketable Securities

Investments in marketable securities consisted of equity securities and certificates of deposit with various financial institutions. The appropriate classification of investments is determined at the time of purchase and such designation is reevaluated at each balance sheet date.

Certificates of deposit are reported at par value, plus accrued interest, with maturity dates from four months to 24 months. As of June 30, 2021 and December 31, 2020, certificates of deposit amounted to approximately \$67.2 million and \$67.6 million, respectively. Investments in certificates of deposit are classified as Level 1 investments in the fair value hierarchy.

Equity securities are reported at fair value. These securities are classified as Level 1 in the valuation hierarchy where quoted market prices from reputable third-party brokers are available in an active market. Equity securities held by the Company are primarily comprised of common stock of a payer partner that completed its initial public offering in June 2021. The shares were acquired as a result of UCAP selling its 48.9% ownership interest in Universal Care, Inc. ("UCI") in April 2020. As of June 30, 2021, equity securities amounted to \$119.9 million. As of December 31, 2020, prior to our payer partner's IPO, the related investment balance was included in investment in privately held entities at its cost basis of \$36.2 million in the accompanying consolidated balance sheets. For the three and six months ended June 30, 2021, the Company recognized unrealized gains of \$3.8 million in other income in the accompanying consolidated income statements.

Receivables, Receivables – Related Parties, and Loan Receivables

The Company's receivables are comprised of accounts receivable, capitation and claims receivable, risk pool settlements, incentive receivables, management fee income, and other receivables. Accounts receivable are recorded and stated at the amount expected to be collected.

The Company's receivables – related parties are comprised of risk pool settlements, management fee income and incentive receivables, and other receivables. Receivables – related parties are recorded and stated at the amount expected to be collected.

The Company's loan receivables and loan receivables – related parties consist of promissory notes from payees that are expected to be collected between two to four years and accrue interest per annum.

Capitation and claims receivable relate to each health plan's capitation and is received by the Company in the month following the month of service. Risk pool settlements and incentive receivables mainly consist of the Company's full risk pool receivable that is recorded quarterly based on reports received from the Company's hospital partners and management's estimate of the Company's portion of the estimated risk pool surplus for open performance years. Settlement of risk pool surplus or deficits occurs approximately 18 months after the risk pool performance year is completed. Other receivables consists of recoverable claims paid related to the 2020 APAACO performance year to be administered following instructions from CMS, fee-for-services ("FFS") reimbursement for patient care, certain expense reimbursements, transportation reimbursements from the hospitals, and stop loss insurance premium reimbursements.

The Company maintains reserves for potential credit losses on accounts receivable. Management reviews the composition of accounts receivable and analyzes historical bad debts, customer concentrations, customer credit worthiness, current economic trends, and changes in customer payment patterns to evaluate the adequacy of these reserves. The Company also regularly analyzes the ultimate collectability of accounts receivable after certain stages of the collection cycle using a look-back analysis to determine the amount of receivables subsequently collected and adjustments are recorded when necessary. Reserves are recorded primarily on a specific identification basis.

Receivables are recorded when the Company is able to determine amounts receivable under applicable contracts and agreements based on information provided and collection is reasonably likely to occur. In regards to the credit loss standard, the Company continuously monitors its collections of receivables and our expectation is that the historical credit loss experienced across our receivable portfolio is materially similar to any current expected credit losses that would be estimated under the current expected credit losses ("CECL") model.

Concentrations of Credit Risks

The Company disaggregates revenue from contracts by service type and payor type. This level of detail provides useful information pertaining to how the Company generates revenue by significant revenue stream and by type of direct contracts.

The consolidated statements of income present disaggregated revenue by service type. The following table presents disaggregated revenue generated by payor type for the three and six months ended June 30, 2021 and 2020 (in thousands):

Fair Value Measurements of Financial Instruments

The Company's financial instruments consist of cash and cash equivalents, fiduciary cash, restricted cash, investment in marketable securities, receivables, loans receivable, accounts payable, certain accrued expenses, finance lease obligations, and long-term debt. The carrying values of the financial instruments classified as current in the accompanying consolidated balance sheets are considered to be at their fair values, due to the short maturity of these instruments. The carrying amounts of finance lease obligations and long-term debt approximate fair value as they bear interest at rates that approximate current market rates for debt with similar maturities and credit quality.

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement* ("ASC 820"), applies to all financial assets and financial liabilities that are measured and reported on a fair value basis and requires disclosure that establishes a framework for measuring fair value and expands disclosure about fair value measurements. ASC 820 establishes a fair value hierarchy for disclosure of the inputs to valuations used to measure fair value.

This hierarchy prioritizes the inputs into three broad levels as follows:

Level 1 — Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that can be accessed at the measurement date.

Level 2 — Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability (i.e., interest rates and yield curves), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs).

Level 3 — Unobservable inputs that reflect assumptions about what market participants would use in pricing the asset or liability. These inputs would be based on the best information available, including the Company's own data.

The carrying amounts and fair values of the Company's financial instruments as of June 30, 2021, are presented below (in thousands):

	Fair Value Measurements			Total

Assets				
Money market funds*	\$ 115,769	\$ —	\$ —	\$ 115,769

Total	\$ 183,464	\$ —	\$ —	\$ 183,464

* Included in cash and cash equivalents

There have been no changes in Level 1, Level 2, or Level 3 classification and no changes in valuation techniques for these assets for the six months ended June 30, 2021.

Intangible Assets and Long-Lived Assets

Intangible assets with finite lives include network-payor relationships, management contracts and member relationships and are stated at cost, less accumulated amortization and impairment losses. These intangible assets are amortized on the accelerated method using the discounted cash flow rate.

Intangible assets with finite lives also include a patient management platform, as well as trade names and trademarks, whose valuations were determined using the cost to recreate method and the relief from royalty method, respectively. These assets are stated at cost, less accumulated amortization and impairment losses, and are amortized using the straight-line method.

Finite-lived intangibles and long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If the expected future cash flows from the use of such assets (undiscounted and without interest charges) are less than the carrying value, a write-down would be recorded to reduce the carrying value of the asset to its estimated fair value. Fair value is determined based on appropriate valuation techniques. The Company determined that there was no impairment of its finite-lived intangible or long-lived assets during the six months ended June 30, 2021 and 2020.

Goodwill and Indefinite-Lived Intangible Assets

Under ASC 350, *Intangibles – Goodwill and Other*, goodwill and indefinite-lived intangible assets are reviewed at least annually for impairment.

At least annually, at the Company's fiscal year-end, or sooner if events or changes in circumstances indicate that an impairment has occurred, the Company performs a qualitative assessment to determine whether it is more likely than not that the fair value of each reporting unit is less than its carrying amount as a basis for determining whether it is necessary to complete quantitative impairment assessments for each of the Company's three reporting units (1) management services, (2) IPAs, and (3) accountable care organizations. The Company is required to perform a quantitative goodwill impairment test only if the conclusion from the qualitative assessment is that it is more likely than not that a reporting unit's fair value is less than the carrying value of its assets. Should this be the case, a quantitative analysis is performed to identify whether a potential impairment exists by comparing the estimated fair values of the reporting units with their respective carrying values, including goodwill.

An impairment loss is recognized if the implied fair value of the asset being tested is less than its carrying value. In this event, the asset is written down accordingly. The fair values of goodwill are determined using valuation techniques based on estimates, judgments and assumptions management believes are appropriate in the circumstances.

At least annually, indefinite-lived intangible assets are tested for impairment. Impairment for intangible assets with indefinite lives exists if the carrying value of the intangible asset exceeds its fair value. The fair values of indefinite-lived intangible assets are determined using valuation techniques based on estimates, judgments and assumptions management believes are appropriate in the circumstances.

The Company had no impairment of its goodwill or indefinite-lived intangible assets during the six months ended June 30, 2021 and 2020. Goodwill as of June 30, 2021 and December 31, 2020 was \$239.1 million.

Investments in Other Entities — Equity Method

The Company accounts for certain investments using the equity method of accounting when it is determined that the investment provides the Company with the ability to exercise significant influence, but not control, over the investee. Significant influence is generally deemed to exist if the Company has an ownership interest in the voting stock of the investee of between 20% and 50%, although other factors, such as representation on the investee's board of directors, are considered in determining whether the equity method of accounting is appropriate. Under the equity method of accounting, the investment, originally recorded at cost, is adjusted to recognize the Company's share of net earnings or losses of the investee and is recognized in the accompanying consolidated statements of income under income (loss) from equity method investments and also is adjusted by contributions to, and distributions from, the investee. Equity method investments are subject to impairment evaluation.

Investments in Other Entities — Cost Method

The Company accounts for certain investments using the cost method of accounting when it is determined that the investment provides the Company with little or no influence over the investee. Under the cost method of accounting, the investment is measured at cost, adjusted for observable price changes and impairments, with changes recognized in net income. The investments in privately held entities that do not report net asset value are subject to qualitative assessment for indicators of impairments.

Medical Liabilities

APC, Alpha Care, Accountable Health Care, and APAACO are responsible for integrated care that the associated physicians and contracted hospitals provide to their enrollees. APC, Alpha Care, Accountable Health Care, and APAACO provide integrated care to HMOs, Medicare, and Medi-Cal enrollees through a network of contracted providers under sub-capitation and direct patient service arrangements. Medical costs for professional and institutional services rendered by contracted providers are recorded as cost of services expenses in the accompanying consolidated statements of income.

An estimate of amounts due to contracted physicians, hospitals, and other professional providers is included in medical liabilities in the accompanying consolidated balance sheets. Medical liabilities include claims reported as of the balance sheet date and estimated IBNR claims. Such estimates are developed using actuarial methods and are based on numerous variables, including the utilization of healthcare services, historical payment patterns, cost trends, product mix, seasonality, changes in membership, and other factors. The estimation methods and the resulting reserves are periodically reviewed and updated. Many of the medical contracts are complex in nature and may be subject to differing interpretations regarding amounts due for the provision of various services. Such differing interpretations may not come to light until a substantial period of time has passed following the contract implementation.

Fiduciary Cash and Payable

APC, Alpha Care, and Accountable Health Care collect cash from health plans on behalf of their sub-IPAs and providers and pass the money through to them. The fiduciary cash balance of \$9.1 million and \$9.6 million as of June 30, 2021 and December 31, 2020, respectively, is presented within prepaid expenses and other current assets and the related payable is presented as fiduciary payable in the accompanying consolidated balance sheets.

Derivative Financial Instruments

Interest Rate Swap Agreements

The Company is exposed to interest rate risk on its floating-rate debt. The Company has entered into interest rate swap agreements to effectively convert its floating-rate debt to a fixed-rate basis. The principal objective of these contracts is to eliminate or reduce the variability of the cash flows in interest payments associated with the Company's floating-rate debt, thus reducing the impact of interest rate changes on future interest payment cash flows. Refer to Note 8 for further information on our debt. Interest rate swap agreements are not designated as hedging instruments. Changes in the fair value on these contracts are recognized as interest expense in the accompanying consolidated statements of income.

The estimated fair value of the derivative instrument was determined using Level 2 inputs. The fair value of the derivative instrument as of June 30, 2021 and December 31, 2020 was \$1.2 million and \$0, respectively, and is presented within other long-term liabilities in the accompanying consolidated balance sheets.

Revenue Recognition

The Company receives payments from the following sources for services rendered: (i) commercial insurers; (ii) the federal government under the Medicare program administered by CMS; (iii) state governments under the Medicaid and other programs; (iv) other third-party payors (e.g., hospitals and IPAs); and (v) individual patients and clients.

Nature of Services and Revenue Streams

Revenue primarily consists of capitation revenue, risk pool settlements and incentives, NGACO All-Inclusive Population-Based Payments ("AIPBP"), management fee income, and FFS revenue. Revenue is recorded in the period in which services are rendered or the period in which the Company is obligated to provide services. The form of billing and related risk of collection for such services may vary by type of revenue and the customer. The following is a summary of the principal forms of the Company's billing arrangements and how revenue is recognized for each.

Capitation, Net

Managed care revenues of the Company consist primarily of capitated fees for medical services provided by the Company under a capitated arrangement directly made with various managed care providers including HMOs. Capitation revenue is typically prepaid monthly to the Company based on the number of enrollees selecting the Company as their healthcare provider. Capitation revenue is recognized in the month in which the Company is obligated to provide services to plan enrollees under contracts with various health plans. Minor ongoing adjustments to prior months' capitation, primarily arising from contracted HMOs finalizing their monthly patient eligibility data for additions or subtractions of enrollees, are recognized in the month they are communicated to the Company. Additionally, Medicare pays capitation using a "Risk Adjustment" model, which compensates managed care organizations and providers based on the health status (acuity) of each individual enrollee. Health plans and providers with higher acuity enrollees will receive more and those with lower acuity enrollees will receive less. Under Risk Adjustment, capitation is determined based on health severity, measured using patient encounter data. Capitation is paid on a monthly basis based on data submitted for the enrollee for the preceding year and is adjusted in subsequent periods after the final data is compiled. Positive or negative capitation adjustments are made for Medicare enrollees with conditions requiring more or less healthcare services than assumed in the interim payments. Since the Company cannot reliably predict these

adjustments, periodic changes in capitation amounts earned as a result of Risk Adjustment are recognized when those changes are communicated by the health plans to the Company.

PMPM managed care contracts generally have a term of one year or longer. All managed care contracts have a single performance obligation that constitutes a series for the provision of managed healthcare services for a population of enrolled members for the duration of the contract. The transaction price for PMPM contracts is variable as it primarily includes PMPM fees associated with unspecified membership that fluctuates throughout the contract. In certain contracts, PMPM fees also include adjustments for items such as performance incentives, performance guarantees and risk sharing. The Company generally estimates the transaction price using the most likely amount methodology and amounts are only included in the net transaction price to the extent that it is probable that a significant reversal of cumulative revenue will not occur once any uncertainty is resolved. The majority of the Company's net PMPM transaction price relates specifically to the Company's efforts to transfer the service for a distinct increment of the series (e.g., day or month) and is recognized as revenue in the month in which members are entitled to service.

Risk Pool Settlements and Incentives

APC enters into full risk capitation arrangements with certain health plans and local hospitals, which are administered by a third party, where the hospital is responsible for providing, arranging and paying for institutional risk and APC is responsible for providing, arranging and paying for professional risk. Under a full risk pool sharing agreement, APC generally receives a percentage of the net surplus from the affiliated hospital's risk pools with HMOs after deductions for the affiliated hospitals costs. Advance settlement payments are typically made quarterly in arrears if there is a surplus. The Company's risk pool settlements under arrangements with health plans and hospitals are recognized using the most likely amount methodology and amounts are only included in revenue to the extent that it is probable that a significant reversal of cumulative revenue will not occur once any uncertainty is resolved. The assumptions for historical margin, IBNR completion factors and constraint percentages were used by management in applying the most likely amount methodology.

Under capitated arrangements with certain HMOs, APC participates in one or more shared risk arrangements relating to the provision of institutional services to enrollees and thus can earn additional revenue or incur losses based upon the enrollee utilization of institutional services. Shared risk arrangements are entered into with certain health plans, which are administered by the health plan, where APC is responsible for rendering professional services, but the health plan does not enter into a capitation arrangement with a hospital and therefore the health plan retains the institutional risk. Shared risk deficits, if any, are not payable until and unless (and only to the extent) risk-sharing surpluses are generated. At the termination of the HMO contract, any accumulated deficit will be extinguished.

The Company's risk pool settlements under arrangements with HMOs are recognized, using the most likely methodology, and only included in revenue to the extent that it is probable that a significant reversal of cumulative revenue will not occur. Given the lack of access to the health plans' data and control over the members assigned to APC, the adjustments and/or the withheld amounts are unpredictable and as such APC's risk share revenue is deemed to be fully constrained until APC is notified of the amount by the health plan. Final settlement of risk pools for prior contract years generally occur in the third or fourth quarter of the following year.

In addition to risk-sharing revenues, the Company also receives incentives under "pay-for-performance" programs for quality medical care, based on various criteria. As an incentive to control enrollee utilization and to promote quality care, certain HMOs have designed quality incentive programs and commercial generic pharmacy incentive programs to compensate the Company for its efforts to improve the quality of services and efficient and effective use of pharmacy supplemental benefits provided to HMO members. The incentive programs track specific performance measures and calculate payments to the Company based on the performance measures. The Company's incentives under "pay-for-performance" programs are recognized using the most likely methodology. However, as the Company does not have sufficient insight from the health plans on the amount and timing of the shared risk pool and incentive payments these amounts are considered to be fully constrained and only recorded when such payments are known and/or received.

Generally, for the foregoing arrangements, the final settlement is dependent on each distinct day's performance within the annual measurement period, but cannot be allocated to specific days until the full measurement period has occurred and performance can be assessed. As such, this is a form of variable consideration estimated at contract inception and updated through the measurement period (i.e., the contract year), to the extent the risk of reversal does not exist and the consideration is not constrained.

NGACO AIPBP Revenue

For each performance year, the Company must submit to CMS its selections for risk arrangement, the amount of the profit/loss cap, alternative payment mechanism, benefits enhancements, if any, and its decision regarding voluntary alignment under the NGACO Model. The Company must obtain CMS consent before voluntarily discontinuing any benefit enhancement during a performance year.

Under the NGACO Model, CMS aligns beneficiaries to the Company to manage (direct care and pay providers) based on a budgetary benchmark established with CMS. The Company is responsible for managing medical costs for these beneficiaries. The beneficiaries will receive services from physicians and other medical service providers that are both in-network and out-of-network. The Company receives capitation-like payments, called All-Inclusive Population-Based Payments ("AIPBP"), from CMS on a monthly basis to pay claims from in-network providers. The Company records such AIPBPs received from CMS as revenue as the Company is primarily responsible and liable for managing the patient care and for satisfying provider obligations, is assuming the credit risk for the services provided by in-network providers through its arrangement with CMS, and has control of the funds, the services provided and the process by which the providers are ultimately paid. Claims from out-of-network providers are processed and paid by CMS, while claims from APAACO's in-network contracted providers are paid by APAACO. The Company's shared savings or losses in managing the services provided by out-of-network providers are generally determined on an annual basis after reconciliation with CMS. Pursuant to the Company's risk share agreement with CMS, the Company will be eligible to receive the savings or be liable for the deficit according to the budget established by CMS based on the Company's efficiency in managing how the beneficiaries aligned to the Company by CMS are served by in-network and out-of-network providers. The Company's savings or losses on providing such services are both capped by CMS, and are subject to significant estimation risk, whereby payments can vary significantly depending upon certain patient characteristics and other variable factors. Accordingly, the Company recognizes such surplus or deficit upon substantial completion of reconciliation and determination of the amounts. The Company records NGACO AIPBP revenues monthly. Excess AIPBPs over claims paid, plus an estimate for the related IBNR claims (see Note 7), are deferred and recorded as a liability until actual claims are paid or incurred. CMS will determine if there were any excess AIPBPs for the performance year and the excess is refunded to CMS.

For each performance year, CMS pays the Company in accordance with the alternative payment mechanism, if any, for which CMS has approved the Company, the risk arrangement for which the Company has been approved by CMS, and as otherwise provided in an NGACO Participation Agreement between APAACO and CMS (the "Participation Agreement"). Following the end of each performance year and at such other times as may be required under the Participation Agreement, CMS will issue a settlement report to the Company setting forth the amount of any shared savings or shared losses and the amount of other monies. If CMS owes the Company shared savings or other monies, CMS will pay the Company in full within 30 days after the date on which the relevant settlement report is deemed final, except as provided in the Participation Agreement. If the Company owes CMS shared losses or other monies owed as a result of a final settlement, the Company will pay CMS in full within 30 days after the relevant settlement report is deemed final. If the Company fails to pay the amounts due to CMS in full within 30 days after the date of a demand letter or settlement report, CMS will assess simple interest on the unpaid balance at the rate applicable to other Medicare debts under current provisions of law and applicable regulations. In addition, CMS and the U.S. Department of the Treasury may use any applicable debt collection tools available to collect any amounts owed by the Company.

The Company participates in the AIPBP track of the NGACO Model. Under the AIPBP track, CMS estimates the total annual expenditures for APAACO's assigned patients and pays that projected amount to the Company in monthly installments, and the Company is responsible for all Part A and Part B costs for in-network participating providers and preferred providers contracted by the Company to provide services to the assigned patients.

As APAACO does not have sufficient insight into the financial performance of the shared risk pool with CMS because of unknown factors related to IBNR claims, risk adjustment factors, and stop loss provisions, among other factors, an estimate cannot be developed. Due to these limitations, APAACO cannot determine the amount of surplus or deficit that will likely be recognized in the future and therefore this shared risk pool revenue is considered fully constrained.

For performance year 2021, the Company receives monthly AIPBP payments at a rate of approximately \$8.0 million per month from CMS, and must comply with all terms and conditions in the Participation Agreement and various regulatory requirements to be eligible to participate in the AIPBP mechanism and/or NGACO Model. The Company has received approximately \$24.3 million and \$48.1 million in total AIPBP payments for the three and six months ended June 30, 2021, respectively, of which \$14.1 million and \$31.2 million has been recognized as revenue for the three months and six months ended June 30, 2021, respectively.

Management Fee Income

Management fee income encompasses fees paid for management, physician advisory, healthcare staffing, administrative and other non-medical services provided by the Company to IPAs, hospitals, and other healthcare providers. Such fees may be in the form of billings at agreed-upon hourly rates, percentages of gross revenue or fee collections, or amounts fixed on a monthly, quarterly, or annual basis. The revenue may include variable arrangements measuring factors such as hours staffed, patient visits, or collections per visit against benchmarks, and, in certain cases, may be subject to achieving quality metrics or fee collections. The Company recognizes such variable supplemental revenues in the period when such amounts are determined to be fixed and therefore contractually obligated as payable by the customer under the terms of the applicable agreement.

The Company provides a significant service of integrating the services selected by the Company's clients into one overall output for which the client has contracted. Therefore, such management contracts generally contain a single performance obligation. The nature of the Company's performance obligation is to stand ready to provide services over the contractual period. Also, the Company's performance obligation forms a series of distinct periods of time over which the Company stands ready to perform. The Company's performance obligation is satisfied as the Company completes each period's obligations.

Consideration from management contracts is variable in nature because the majority of the fees are generally based on revenue or collections, which can vary from period to period. The Company has control over pricing. Contractual fees are invoiced to the Company's clients generally monthly and payment terms are typically due within 30 days. The variable consideration in the Company's management contracts meets the criteria to be allocated to the distinct period of time to which it relates because (i) it is due to the activities performed to satisfy the performance obligation during that period and (ii) it represents the consideration to which the Company expects to be entitled.

The Company's management contracts generally have long terms (e.g., 10 years), although they may be terminated earlier under the terms of the applicable contracts. Since the remaining variable consideration will be allocated to a wholly unsatisfied promise that forms part of a single performance obligation recognized under the series guidance, the Company has applied the optional exemption to exclude disclosure of the allocation of the transaction price to remaining performance obligations.

Fee-for-Service Revenue

FFS revenue represents revenue earned under contracts in which the professional component of charges for medical services rendered by the Company's affiliated physician-owned medical groups are billed and collected from third-party payors, hospitals, and patients. FFS revenue related to the patient care services is reported net of contractual allowances and policy discounts and are recognized in the period in which the services are rendered to specific patients. All services provided are expected to result in cash flows and are therefore reflected as net revenue in the consolidated financial statements. The recognition of net revenue (gross charges, less contractual allowances) from such services is dependent on such factors as proper completion of medical charts following a patient visit, the forwarding of such charts to the Company's billing center for medical coding and entering into the Company's billing system, and the verification of each patient's submission or representation at the time services are rendered as to the payor(s) responsible for payment of such services. Revenue is recorded based on the information known at the time of entering of such information into the Company's billing systems, as well as an estimate of the revenue associated with medical services.

The Company is responsible for confirming member eligibility, performing program utilization review, potentially directing payment to the provider and accepting the financial risk of loss associated with services rendered, as specified within the Company's client contracts. The Company has the ability to adjust contractual fees with clients and possess the financial risk of loss in certain contractual obligations. These factors indicate the Company is the principal and, as such, the Company records gross fees contracted with clients in revenues.

Consideration from FFS arrangements is variable in nature because fees are based on patient encounters, credits due to clients and reimbursement of provider costs, all of which can vary from period to period. Patient encounters and related episodes of care and procedures qualify as distinct goods and services, provided simultaneously together with other readily available resources, in a single instance of service, and thereby constitute a single performance obligation for each patient encounter and, in most instances, occur at readily determinable transaction prices. As a practical expedient, the Company adopted a portfolio approach for the FFS revenue stream to group together contracts with similar characteristics and analyze historical cash collections trends. The contracts within the portfolio share the characteristics conducive to ensuring that the results do not materially differ under the new standard if it were to be applied to individual patient contracts related to each patient encounter.

Estimating net FFS revenue is a complex process, largely due to the volume of transactions, the number and complexity of contracts with payors, the limited availability at times of certain patient and payor information at the time services are provided, and the length of time it takes for collections to fully mature. These expected collections are based on fees and negotiated payment rates in the case of third-party payors, the specific benefits provided for under each patient's healthcare plans,

mandated payment rates in the case of Medicare and Medicaid programs, and historical cash collections (net of recoveries) in combination with expected collections from third-party payors.

The relationship between gross charges and the transaction price recognized is significantly influenced by payor mix, as collections on gross charges may vary significantly, depending on whether the patients, to whom services are provided, in the period are insured and the contractual relationships with those payors. Payor mix is subject to change as additional patient and payor information is obtained after the period services are provided. The Company periodically assesses the estimates of unbilled revenue, contractual adjustments and discounts, and payor mix by analyzing actual results, including cash collections, against estimates. Changes in these estimates are charged or credited to the consolidated statements of income in the period that the assessment is made. Significant changes in payor mix, contractual arrangements with payors, specialty mix, acuity, general economic conditions, and healthcare coverage provided by federal or state governments or private insurers may have a significant impact on estimates and significantly affect the results of operations and cash flows.

Contract Assets

Revenues and receivables are recognized once the Company has satisfied its performance obligation. Accordingly, the Company's contract assets are comprised of receivables and receivables – related parties.

The Company's billing and accounting systems provide historical trends of cash collections and contractual write-offs, accounts receivable aging, and established fee adjustments from third-party payors. These estimates are recorded and monitored monthly as revenues are recognized. The principal exposure for uncollectible fee for service visits is from self-pay patients and, to a lesser extent, for co-payments and deductibles from patients with insurance.

Contract Liabilities (Deferred Revenue)

Contract liabilities are recorded when cash payments are received in advance of the Company's performance, or in the case of the Company's NGACO, the excess of AIPBP capitation received and the actual claims paid or incurred. The Company's contract liability balance was \$29.6 million and \$13.0 million as of June 30, 2021 and December 31, 2020, respectively, and is presented within accounts payable and accrued expenses in the accompanying consolidated balance sheets. During the six months ended June 30, 2021, \$0.4 million of the Company's contract liability accrued in 2020 has been recognized as revenue.

Income Taxes

Federal and state income taxes are computed at currently enacted tax rates less tax credits using the asset and liability method. Deferred taxes are adjusted both for items that do not have tax consequences and for the cumulative effect of any changes in tax rates from those previously used to determine deferred tax assets or liabilities. Tax provisions include amounts that are currently payable, changes in deferred tax assets and liabilities that arise because of temporary differences between the timing of when items of income and expense are recognized for financial reporting and income tax purposes, changes in the recognition of tax positions and any changes in the valuation allowance caused by a change in judgment about the realizability of the related deferred tax assets. A valuation allowance is established when necessary to reduce deferred tax assets to amounts expected to be realized.

The Company uses a recognition threshold of more-likely-than-not and a measurement attribute on all tax positions taken or expected to be taken in a tax return in order to be recognized in the consolidated financial statements. Once the recognition threshold is met, the tax position is then measured to determine the actual amount of benefit to recognize in the consolidated financial statements.

Share-Based Compensation

The Company maintains a stock-based compensation program for employees, non-employees, directors, and consultants. The value of share-based awards, such as options, is recognized as compensation expense on a cumulative straight-line basis over the vesting period of the awards, adjusted for expected forfeitures. From time to time, the Company issues shares of its common stock to its employees, directors, and consultants, which shares may be subject to the Company's repurchase right (but not obligation) that lapses based on time-based and performance-based vesting schedules.

Basic and Diluted Earnings Per Share

Basic earnings per share is computed by dividing net income attributable to holders of the Company's common stock by the weighted average number of shares of common stock outstanding during the periods presented. Diluted earnings per share is computed using the weighted average number of shares of common stock outstanding, plus the effect of dilutive securities

outstanding during the periods presented, using the treasury stock method. Refer to Note 14 for a discussion of shares treated as treasury shares for accounting purposes.

Noncontrolling Interests

The Company consolidates entities in which the Company has a controlling financial interest. The Company consolidates subsidiaries in which the Company holds, directly or indirectly, more than 50% of the voting rights, and VIEs in which the Company is the primary beneficiary. Noncontrolling interests represent third-party equity ownership interests (including equity ownership interests held by certain VIEs) in the Company's consolidated entities. Net income attributable to noncontrolling interests is disclosed in the consolidated statements of income.

Mezzanine Equity

Pursuant to APC's shareholder agreements, in the event of a disqualifying event, as defined in the agreements, APC could be required to repurchase its shares from the respective shareholders based on certain triggers outlined in the shareholder agreements. As the redemption feature of the shares is not solely within the control of APC, the equity of APC does not qualify as permanent equity and has been classified as mezzanine or temporary equity. Accordingly, the Company recognizes noncontrolling interests in APC as mezzanine equity in the consolidated financial statements. As of June 30, 2021 and December 31, 2020, APC's shares were not redeemable, nor was it probable the shares would become redeemable.

Leases

The Company determines if an arrangement is a lease at its inception. The expected term of the lease used for computing the lease liability and right-of-use asset and determining the classification of the lease as operating or financing may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. The Company elected practical expedients for ongoing accounting that is provided by the new standard comprised of the following: (1) the election for classes of underlying asset to not separate non-lease components from lease components, and (2) the election for short-term lease recognition exemption for all leases under a 12 month term. The present value of the lease payments is calculated using a rate implicit in the lease, when readily determinable. However, as most of the Company's leases do not provide an implicit rate, the Company uses its incremental borrowing rate to determine the present value of the lease payments for the majority of its leases.

Beneficial Interest

In April 2020, when UCAP, a 100% owned subsidiary of APC, sold its 48.9% ownership interest in UCI pursuant to the terms of the stock purchase agreement, APC received a beneficial interest in the equity method investment sold. The estimated fair value of such interest in April 2020, was \$15.7 million and is included in other assets in the accompanying consolidated balance sheets. The beneficial interest is the result of a gross margin provision in the stock purchase agreement which entitles UCAP to potentially receive additional cash and preferred shares (currently held in an escrow account with cash of \$15.6 million and preferred shares with an estimated fair value of \$6.4 million, total estimated fair value of \$22.0 million on the date of sale) based on the gross margin of UCI for calendar year 2020 as measured against a target. The amount to be received varies dependent upon the gross margin as compared to the target but cannot exceed the amounts that are in the escrow account. Additionally, the stock purchase agreement includes a tangible net equity provision that may result in the receipt or payment of additional amounts based on a comparison of final tangible net equity of UCI on the date of sale (determined with the benefit of one year of hindsight) as compared to the estimated tangible net equity at the time of sale. It is expected that settlement of the beneficial interest will begin in the second half of 2021. The Company determined the fair value of the beneficial interest using an income approach which includes significant unobservable inputs (Level 3). Specifically, the Company utilized a probability-weighted discounted cash flow model using a risk-free Treasury rate to estimate fair value which considered various scenarios of gross margin adjustment and the impact of each adjustment to the expected proceeds from the escrow account, and assigned probabilities to each such scenario in determining fair value. The gross margin adjustment is defined as three times any deficit in actual gross margin of UCI for the year ended December 31, 2020, below a target gross margin unless such deficit is within a specific dollar amount. In June 2021, UCI's gross margin for the year ended December 31, 2020 was assessed and beneficial interest was concluded to not be collectible. For the three and six months ended June 30, 2021, the \$15.7 million was written off and expensed in other income in the accompanying consolidated statements of income.

Recent Accounting Pronouncements

In December 2019, the FASB issued Accounting Standards Update ("ASU") No. 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes* ("ASU 2019-12"). This ASU simplifies the accounting for income taxes by eliminating certain exceptions to the guidance in ASC 740 *Income Taxes* related to the approach for intraperiod tax allocation,

the methodology for calculating income taxes in an interim period and the recognition of deferred tax liabilities for outside basis differences. The amendments in this ASU are effective for fiscal years beginning after December 15, 2020, and interim periods within those fiscal years. The Company adopted ASU 2019-12 on January 1, 2021. The adoption of ASU 2019-12 did not have a material impact on the consolidated financial statements.

Other than the standard discussed above, there have been no other new accounting pronouncements that have significance, or potential significance, to the Company's financial position, results of operations and cash flows.

LaSalle Medical Associates — IPA Line of Business

LMA was founded by Dr. Albert Arteaga in 1996 and operates as an IPA delivering high-quality care to patients in Fresno, Kings, Los Angeles, Madera, Riverside, San Bernardino and Tulare Counties through its network of approximately 2,400 independently contracted primary care physicians and specialist providers. LMA's patients are primarily served by Medi-Cal, but are also served by Blue Cross, Blue Shield, Molina, Health Net and Inland Empire Health Plan. During 2012, APC-LSMA and LMA entered into a share purchase agreement whereby APC-LSMA invested \$ 5.0 million for a 25% interest in LMA's IPA line of business. On December 18, 2020, the Company exercised its option to convert the promissory note totaling \$6.4 million due from Dr. Arteaga into an additional 21.25% interest in LMA's IPA line of business. As a result, APC-LSMA's interest in LMA's IPA line of business increased to 46.25%. APC accounts for its investment in LMA under the equity method as APC has the ability to exercise significant influence, but not control over LMA's operations. For the three months ended June 30, 2021 and 2020, APC recognized a loss from this investment of \$ 3.6 million and income of \$0.2 million, respectively, in the accompanying consolidated statements of income. Based on the reevaluation, Tag 8 is a VIE and is consolidated by the Company.

Investments in privately held entities that do not report net asset value*MediPortal, LLC*

In May 2018, APC purchased 270,000 membership interests of MediPortal LLC, a New York limited liability company, for \$0.4 million or \$1.50 per membership interest, which represented an approximately 2.8% ownership interest. In connection with the initial purchase, APC received a five-year warrant to purchase an additional 270,000 membership interests. A five-year option to purchase an additional 380,000 membership interests and a five-year warrant to purchase 480,000 membership interests were contingent upon the portal completion date. However, APC did not exercise the option after completion of the portal. As APC does not have the ability to exercise significant influence, and lacks control over the investee, this investment is accounted for using a measurement alternative, which allows the investment to be measured at cost, adjusted for observable price changes and impairments, with changes recognized in net income.

AchievaMed

In July 2019, NMM and AchievaMed, Inc., a California corporation (“AchievaMed”), entered into an agreement in which NMM would purchase 50% of the aggregate shares of capital stock of AchievaMed over a period of time not to exceed five years. As of June 30, 2021, the total principal of \$4.0 million remains outstanding. One of the Company's board members is an officer of AHMC.

The Company assessed the outstanding loan receivable under the CECL model by assessing the party's ability to pay by reviewing their interest payment history quarterly, financial history annually, and reassessing any insolvency risk that is identified. If a failure to pay occurs, the Company assesses the terms of the notes and estimates an expected credit loss based on the remittance schedule of the note.

Credit Agreement

In September 2019, the Company entered into a secured credit agreement (the “Credit Agreement,” and the credit facility thereunder, the “Credit Facility”) with Truist Bank (f.k.a. SunTrust Bank), in its capacity as administrative agent for the lenders, as a lender, an issuer of letters of credit and as swingline lender, and Preferred Bank, JPMorgan Chase Bank, N.A., MUFG Union Bank, N.A., Royal Bank of Canada, Fifth Third Bank and City National Bank, as lenders. The Credit Agreement provided a five-year revolving credit facility to the Company of \$100.0 million, which includes a letter of credit subfacility of up to \$25.0 million. The Credit Agreement also provided a term loan of \$190.0 million. Amounts borrowed under the Credit Agreement bore interest at an annual rate equal to either, at the Company’s option, (a) the rate for Eurocurrency deposits for the corresponding deposits of U.S. dollars appearing on Reuters Screen LIBOR01 Page (“LIBOR”), adjusted for any reserve requirement in effect, plus a spread of between 2.00% and 3.00%, as determined on a quarterly basis based on the Company’s leverage ratio, or (b) a base rate, plus a spread between 1.00% and 2.00%, as determined on a quarterly basis based on the Company’s leverage ratio. In connection with the closing of the Credit Agreement, the Company, its subsidiary, NMM, and the Agent entered into a Guaranty and Security Agreement (the “Guaranty and Security Agreement”), pursuant to which, among other things, NMM guaranteed the obligations of the Company under the Credit Agreement and, together with the Company, granted the Lenders a security interest in all of its assets, including, without limitation, all stock and other equity issued by their subsidiaries (including NMM) and all rights with respect to the AP-AMH Loan.

On June 16, 2021, the Company entered into an amended and restated credit agreement (the “Amended Credit Agreement” and the credit facility thereunder, the “Amended Credit Facility”) with Truist Bank, in its capacities as administrative agent for the lenders (in such capacity, the “Agent”), issuing bank, swingline lender and a lender, Truist Securities, Inc., JPMorgan Chase Bank, N.A., MUFG Union Bank, N.A., Preferred Bank, Royal Bank of Canada, and Fifth Third Bank, National Association, in their capacities as joint lead arrangers and/or lenders (the “Lenders”), and Bank of the West, The Toronto-Dominion Bank, New York Branch, Wells Fargo, National Association, and City National Bank in their capacities as Lenders, to, among other things, amend and restate that certain credit agreement, dated September 11, 2019, by and among the Company, certain Lenders and the Agent, in its entirety.

The Amended Credit Agreement provides for a five-year revolving credit facility (“Revolver Loan”) to the Company of \$400.0 million, which includes a letter of credit sub-facility of up to \$25.0 million and a swingline loan sub-facility of \$25.0 million. The revolving credit facility will be used to, among other things, refinance certain existing indebtedness of the Company and certain subsidiaries, finance certain future acquisitions and investments, and provide for working capital needs and other general corporate purposes. Under the Amended Credit Agreement, the terms and conditions of the Guaranty and Security Agreement remain in effect.

Amounts borrowed under the Amended Credit Agreement will bear interest at an annual rate equal to either, at the Company’s option, (a) the rate for Eurocurrency deposits for the corresponding deposits of U.S. dollars appearing on Reuters LIBOR01screen page, adjusted for any reserve requirement in effect, plus a spread of from 1.25% to 2.5%, as determined on a quarterly basis based on the Company’s leverage ratio, or (b) a base rate, plus a spread of 0.25% to 1.5%, as determined on a quarterly basis based on the Company’s leverage ratio. As of June 30, 2021, the interest rate on Amended Credit Facility was 1.65%.

The Company is required to pay an annual agent fee of \$50,000 and an annual facility fee of 0.175% to 0.35% on the available commitments under the Amended Credit Agreement, regardless of usage, with the applicable fee determined on a quarterly basis based on the Company’s leverage ratio. The Company will pay fees for standby letters of credit at an annual rate equal to 1.25% to 2.5%, as determined on a quarterly basis based on the Company’s leverage ratio, plus facing fees and standard fees payable to the issuing bank on the respective letter of credit. The Company is also required to pay customary fees between the Company and Truist Bank, the lead arranger of the Amended Credit Agreement.

The Credit Agreement requires the Company to comply with two key financial ratios, each calculated on a consolidated basis. The Company must maintain a maximum consolidated leverage ratio of not greater than 3.75 to 1.00 as of the last day of each fiscal quarter. The Company must maintain a minimum consolidated interest coverage ratio of not less than 3.25 to 1.00 as of the last day of each fiscal quarter.

Deferred Financing Costs

In September 2019, the Company recorded deferred financing costs of \$6.5 million related to its entry into the Credit Facility. In June 2021, the Company recorded additional deferred financing costs of \$0.7 million related to its entry into the Amended Credit Facility. Deferred financing costs are recorded as a direct reduction of the carrying amount of the related debt liability using straight line amortization. The remaining unamortized deferred financing costs related to the Credit Facility and the new

costs related to the Amended Credit Facility are amortized over the life of the Amended Credit Facility. At June 30, 2021 and December 31, 2020, the unamortized deferred financing cost was \$4.7 million and \$4.6 million, respectively.

Monthly interest payments began on May 1, 2021, or can become part of the principal and bear interest. If construction is completed and, there are no events of default or substantial deterioration in the financial condition of Tag 8 or APC, guarantor on the loan agreement, at the maturity date of the Construction Loan Term, the loan shall convert to an amortizing loan with an extended maturity date of December 1, 2032 ("Permanent Loan Term"). Lines of Credit – Related Party

APC Business Loan

On September 10, 2019, the APC Business Loan Agreement with Preferred Bank (the “APC Business Loan Agreement”) was amended to decrease loan availability to \$4.1 million. This decrease further limited the purpose of the indebtedness under APC Business Loan Agreement to the issuance of standby letters of credit, and added as a permitted lien the security interest in all of its assets granted by APC in favor of NMM under a Security Agreement dated on or about September 11, 2019, securing APC’s obligations to NMM under, and as required pursuant to, the APC management services agreement dated as of July 1, 1999, as amended. One of the Company’s board members is the chairman and CEO of Preferred Bank.

Standby Letters of Credit

APAACO established an irrevocable standby letter of credit with Preferred Bank, which is affiliated with one of the Company’s board members, totaling \$14.8 million for the benefit of CMS. In August 2020, the irrevocable standby letter of credit was released by CMS. As of June 30, 2021, there were no outstanding letters of credit and the Company had \$25.0 million available under the Amended Credit Facility.

APC established irrevocable standby letters of credit with Preferred Bank under the APC Business Loan Agreement for a total of \$0.3 million for the benefit of certain health plans. Alpha Care established irrevocable standby letters of credit with Preferred Bank under the APC Business Loan Agreement for a total of \$3.8 million for the benefit of certain health plans. The standby letters of credit are automatically extended without amendment for additional one-year periods from the present or any future expiration date, unless notified by the institution in advance of the expiration date that the letter will be terminated.

9. Mezzanine and Stockholders’ Equity

Mezzanine

As the redemption feature of the APC shares (see Note 2) is not solely within the control of APC, the equity of APC does not qualify as permanent equity and has been classified as noncontrolling interest in APC as mezzanine or temporary equity. APC’s shares are not redeemable, and it is not probable that the shares will become redeemable as of June 30, 2021 and December 31, 2020.

Stockholders’ Equity

As of June 30, 2021, 143,052 holdback shares have not been issued to certain former NMM shareholders who were NMM shareholders at the time of closing of the 2017 Merger, as they have yet to submit properly completed letters of transmittal to ApolloMed in order to receive their pro rata portion of ApolloMed common stock and warrants as contemplated under the 2017 merger agreement. Pending such receipt, such former NMM shareholders have the right to receive, without interest, their pro rata share of dividends or distributions with a record date after the effectiveness of the 2017 Merger. The consolidated financial statements have treated such shares of common stock as outstanding, given the receipt of the letter of transmittal is considered perfunctory and the Company is legally obligated to issue these shares in connection with the 2017 Merger.

Treasury Stock

11. Commitments and Contingencies

Regulatory Matters

Laws and regulations governing the Medicare program and healthcare generally are complex and subject to interpretation. The Company believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. While no regulatory inquiries have been made, compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action, including fines, penalties, and exclusion from the Medicare and Medi-Cal programs.

As risk-bearing organizations, APC, Alpha Care, and Accountable Health Care are required to comply with the California Department of Managed Healthcare ("DMHC") regulations, including maintenance of minimum working capital, tangible net equity ("TNE"), cash-to-claims ratio, and claims payment requirements prescribed by the DMHC. TNE is defined as net equity less intangibles, less non-allowable assets (which include unsecured amounts due from affiliates), plus subordinated obligations.

Many of the payor and provider contracts with the Company's affiliated physician-owned medical groups are complex in nature and may be subject to differing interpretations regarding amounts due for the provision of medical services. Such differing interpretations may not come to light until a substantial period of time has passed following contract implementation. Liabilities for claims disputes are recorded when the loss is probable and can be estimated. Any adjustments to reserves are reflected in current operations.

Standby Letters of Credit

As part of the APAACO participation with CMS, the Company must provide a financial guarantee to CMS. The guarantee generally must be in an amount equal to 2% of the Company's benchmark Medicare Part A and Part B expenditures. In August 2020, \$ 14.8 million of the irrevocable standby letters of credit were released by CMS and \$0 million remains outstanding as of June 30, 2021.

APC and Alpha Care established irrevocable standby letters of credit with a Preferred Bank for a total of \$0.3 million and \$3.8 million, respectively, for the benefit of certain health plans (see Note 8).

Litigation

From time to time, the Company is involved in various legal proceedings and other matters arising in the normal course of its business. The resolution of any claim or litigation is subject to inherent uncertainty and could have a material adverse effect on the Company's financial condition, cash flows, or results of operations.

Liability Insurance

The Company believes that its insurance coverage is appropriate based upon the Company's claims experience and the nature and risks of the Company's business. In addition to the known incidents that have resulted in the assertion of claims, the Company cannot be certain that its insurance coverage will be adequate to cover liabilities arising out of claims asserted against the Company, the Company's affiliated professional organizations or the Company's affiliated hospitalists in the future where the outcomes of such claims are unfavorable. The Company believes that the ultimate resolution of all pending claims, including liabilities in excess of the Company's insurance coverage, will not have a material adverse effect on the Company's financial position, results of operations, or cash flows; however, there can be no assurance that future claims will not have such a material adverse effect on the Company's business. Contracted physicians are required to obtain their own insurance coverage.

Although the Company currently maintains liability insurance policies on a claims-made basis, which are intended to cover malpractice liability and certain other claims, the coverage must be renewed annually, and may not continue to be available to the Company in future years at acceptable costs, and on favorable terms.

For equity method investments, loans receivable and line of credits from related parties, see Notes 4, 5, and 8, respectively.

13. Income Taxes

The Company uses the liability method of accounting for income taxes as set forth in ASC 740 *Income Taxes*. Under the liability method, deferred taxes are determined based on differences between the financial statement and tax bases of assets and liabilities using enacted tax rates.

On an interim basis, the Company estimates what its anticipated annual effective tax rate will be and records a quarterly income tax provision in accordance with the estimated annual rate, plus the tax effect of certain discrete items that arise during the quarter. As the fiscal year progresses, the Company refines its estimates based on actual events and financial results during the quarter. This process can result in significant changes to the Company's estimated effective tax rate. When this occurs, the income tax provision is adjusted during the quarter in which the estimates are refined so that the year-to-date provision reflects the estimated annual effective tax rate. These changes, along with adjustments to the Company's deferred taxes and related valuation allowance, may create fluctuations in the overall effective tax rate from quarter to quarter.

As of June 30, 2021, due to the overall cumulative losses incurred in recent years, the Company maintained a full valuation allowance against its deferred tax assets related to loss entities the Company cannot consolidate under the federal tax consolidation rules, as realization of these assets is uncertain.

The Company's effective income tax rate for the six months ended June 30, 2021 and June 30, 2020, was 30.0% and 28.5%, respectively. The tax rate for the six months ended June 30, 2021 differed from the U.S. federal statutory rate primarily due to state income taxes, income from flow through entities, nondeductible permanent items, and change in valuation allowance.

As of June 30, 2021, the Company does not have any unrecognized tax benefits related to various federal and state income tax matters. The Company will recognize accrued interest and penalties related to unrecognized tax benefits in income tax expense.

The Company is subject to U.S. federal income tax as well as income tax in California. The Company and its subsidiaries' state and federal income tax returns are open to audit under the statute of limitations for the years ended December 31, 2016 through December 31, 2020, and for the years ended December 31, 2017 through December 31, 2020, respectively. The Company does not anticipate material changes to the unrecognized tax benefits within the next 12 months.

14. Earnings Per Share

Basic earnings per share is calculated using the weighted average number of shares of the Company's common stock issued and outstanding during a certain period, and is calculated by dividing net income attributable to ApolloMed by the weighted average number of shares of the Company's common stock issued and outstanding during such period. Diluted earnings per share is calculated using the weighted average number of shares of common stock and potentially dilutive shares of common stock outstanding during the period, using the as-if converted method for secured convertible notes, preferred stock, and the treasury stock method for options and common stock warrants.

As of June 30, 2021 and December 31, 2020, APC held 10,885,732 and 12,323,164 shares of ApolloMed's common stock, respectively, which are treated as treasury shares for accounting purposes and not included in the number of shares of common stock outstanding used to calculate earnings per share.

15. Variable Interest Entities (VIEs)

A VIE is defined as a legal entity whose equity owners do not have sufficient equity at risk, or, as a group, the holders of the equity investment at risk lack any of the following three characteristics: decision-making rights, the obligation to absorb losses, or the right to receive the expected residual returns of the entity. The primary beneficiary is identified as the variable interest holder that has both the power to direct the activities of the VIE that most significantly affect the entity's economic performance and the obligation to absorb expected losses or the right to receive benefits from the entity that could potentially be significant to the VIE.

The Company follows guidance on the consolidation of VIEs that requires companies to utilize a qualitative approach to determine whether it is the primary beneficiary of a VIE. See Note 2 – "Basis of Presentation and Summary of Significant Accounting Policies - Variable Interest Entities" to the accompanying consolidated financial statements for information on how the Company determines VIEs and their treatment.

The following table includes assets that can only be used to settle the liabilities of APC and its VIEs, including Alpha Care and Accountable Health Care, and to which the creditors of APC, including Alpha Care and Accountable Health Care, have no recourse to the Company, nor do creditors of the Company have recourse against the assets of APC, including Alpha Care and Accountable Health Care. ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following Management's Discussion and Analysis should be read in conjunction with the unaudited consolidated financial statements and the notes thereto included in Part I, Item 1, "Financial Statements" of this Quarterly Report on Form 10-Q. In addition, reference is made to our audited consolidated financial statements and notes thereto and related Management's Discussion and Analysis of Financial Condition and Results of Operations included in our Annual Report on Form 10-K for the year ended December 31, 2020, filed with the SEC on March 15, 2021.

Overview

We, together with our affiliated physician-owned medical groups and consolidated entities, are a leading physician-centric, technology-enabled healthcare management company. Leveraging our proprietary population health management and healthcare delivery platform, we operate an integrated, value-based healthcare model. We aim to empower the healthcare providers in our network to deliver the highest quality of care to our patients in a cost-effective manner.

Headquartered in Alhambra, California, our subsidiaries and VIEs include management services organizations (“MSOs”), affiliated independent practice associations (“IPAs”), and a Next Generation Accountable Care Organization (“NGACO”). Network Medical Management, Inc. (“NMM”) and Apollo Medical Management, Inc. (“AMM”) are the administrative and managerial services companies for the affiliated physician-owned professional corporations that contract with independent physicians to deliver medical services in-office and virtually under brands including (i) Allied Physicians of California, a Professional Medical Corporation d.b.a. Allied Pacific of California IPA (“APC”), (ii) Alpha Care Medical Group, Inc., and (iii) Accountable Health Care IPA. These affiliates are supported by ApolloMed Hospitalists, a Medical Corporation (“AMH”), and Southern California Heart Centers, a Medical Corporation (“SCHC”). Our NGACO operates under the APA ACO, Inc. (“APAACO”) brand and participates in the Centers for Medicare & Medicaid Services program, which allows provider groups to assume higher levels of financial risk and potentially achieve a higher reward under an attribution-based risk-sharing model.

We, together with our affiliated physician-owned medical groups and consolidated entities, provide coordinated outcomes-based medical care primarily serving patients in California. The majority of our patients are covered by private or public insurance provided through Medicare, Medicaid, and health maintenance organizations (“HMOs”). However, a small portion of our revenue comes from non-insured patients. We provide care coordination services to each major constituent of the healthcare delivery system, including patients, families, primary care physicians, specialists, acute care hospitals, alternative sites of inpatient care, physician groups and health plans. Our physician network consists of primary care physicians, specialist physicians and hospitalists. We operate primarily through Apollo Medical Holdings, Inc. (“ApolloMed”) and the following subsidiaries: NMM, AMM, and APAACO and their consolidated entities, including consolidated VIEs.

Led by a management team with several decades of experience, we are focused on physicians providing high-quality medical care, population health management, and care coordination for patients. As a result, we are well positioned to take advantage of the shift in the U.S. healthcare industry toward providing value-based and results-oriented healthcare with a focus on patient satisfaction, high-quality care, and cost efficiency.

Through our NGACO model and a network of IPAs with more than 2,000 primary care physicians, 7,000 specialist physicians, 10 dual physicians, and 400 physician and specialist extenders, we are currently responsible for coordinating care for approximately 1.1 million patients in California.

Recent and Other Developments

APCMG is a primary care physicians’ group focused on providing high-quality care to senior patients.

The transaction is expected to close by the end of the third quarter of 2021.

Net Income Attributable to Apollo Medical Holdings, Inc.

Our net income attributable to Apollo Medical Holdings, Inc. for the three months ended June 30, 2021, was \$12.7 million, as compared to \$7.0 million for the same period in 2020, an increase of \$5.6 million.

Our net income attributable to Apollo Medical Holdings, Inc. for the six months ended June 30, 2021, was \$25.8 million, as compared to \$11.1 million for the same period in 2020, an increase of \$14.7 million.

Physician Groups and Patients

As of June 30, 2021 and 2020, we managed a total of 12 and 13 groups of affiliated physicians, respectively, and the total number of patients for whom we managed the delivery of healthcare services was approximately 1.1 million and 1.1 million, respectively.

Revenue

Our revenue for the three months ended June 30, 2021, was \$175.6 million, as compared to \$165.2 million for the three months ended June 30, 2020, an increase of \$10.5 million, or 6%. The increase in revenue was primarily attributable to the following:

(i) Capitation revenue increased by approximately \$3.6 million driven by membership growth at APC and ACMG, which contributed additional capitation revenue of approximately \$13.1 million, offset with a decrease in capitation revenue at APA ACO and AHC of \$6.5 million and \$2.9 million, respectively. The decrease in revenue at APA ACO was due to timing of claims expenditures incurred and the decrease at AHC was a result of membership reductions.

(ii) Risk pool settlement and incentive revenue increased by \$4.2 million primarily due to reduced utilization at ApolloMed's partner hospitals resulting from the suspension of non-emergency medical procedures in early 2020 when the COVID-19 pandemic first began, as these revenues from ApolloMed's partner hospitals reflect a 15-18 month lag.

(iii) Fee for service increased by approximately \$2.4 million due to increased visits to our surgery and heart centers, which were partially closed in the prior year due COVID-19.

Our revenue for the six months ended June 30, 2021, was \$351.7 million, as compared to \$330.3 million for the six months ended June 30, 2020, an increase of \$21.4 million, or 6%. The increase in revenue was primarily attributable to the following:

(i) Capitation revenue increased by approximately \$7.9 million driven by membership growth at APC and ACMG and higher average capitation rate at APC, which contributed additional capitation revenue of approximately \$25.7 million, offset with a decrease in capitation revenue at APA ACO and AHC of \$11.2 million and \$6.6 million, respectively. The decrease in revenue at APA ACO was due to timing of claims expenditures incurred and the decrease at AHC was a result of membership reductions.

(ii) Risk pool settlement and incentive revenue increased by \$11.0 million primarily due to reduced utilization at ApolloMed's partner hospitals resulting from the suspension of non-emergency medical procedures in early 2020 when the COVID-19 pandemic first began, as these revenues from ApolloMed's partner hospitals reflect a 15-18 month lag. In addition, the Company received a \$4.5 million settlement related to prior year risk pool.

(iii) Fee for service increased by approximately \$2.0 million due to increased visits to our surgery and heart centers, which were partially closed in the prior year due COVID-19.

Cost of Services, excluding depreciation and amortization

Expenses related to cost of services for the three months ended June 30, 2021, were \$136.2 million, as compared to \$136.1 million for the same period in 2020, an increase of \$0.1 million.

Expenses related to cost of services for the six months ended June 30, 2021, were \$276.8 million, as compared to \$280.3 million for the same period in 2020, a decrease of \$3.5 million. The overall decrease was primarily due to a reduction of claims expenditures incurred at APA ACO.

General and Administrative Expenses

General and administrative expenses for the three months ended June 30, 2021, were \$14.2 million, as compared to \$11.6 million for the same period in 2020, an increase of \$2.6 million, or 23%. The increase was primarily due to costs incurred as a result of the execution of the Amended Credit Facility agreement.

General and administrative expenses for the six months ended June 30, 2021, were \$23.7 million, as compared to \$23.4 million for the same period in 2020, an increase of \$0.3 million, or 1%. The increase is primarily due to costs incurred as a result of the execution of the Amended Credit Facility agreement. This is partially offset by a reduction in consulting and professional costs as a result of efficiencies gained from our continued development of our in-house technology platform of approximately \$1.0 million and the elimination of rent expense for properties leased by MPP, ZLL, and AMG Properties as a result of the Company's acquisition of these entities.

Depreciation and Amortization

Depreciation and amortization expenses for the three months ended June 30, 2021 were \$4.2 million, as compared to \$4.6 million for the same period in 2020. This amount includes depreciation of property and equipment and the amortization of intangible assets.

Depreciation and amortization expenses for the six months ended June 30, 2021 were \$8.4 million, as compared to \$9.3 million for the same period in 2020. This amount includes depreciation of property and equipment and the amortization of intangible assets.

(Loss) Income from Equity Method Investments

Loss from equity method investments for the three months ended June 30, 2021, was \$3.1 million, as compared to income from equity method investments of \$0.8 million for the same period in 2020, a decrease of \$4.0 million. The decrease was primarily due to our investment in LMA. The Company incurred a loss of \$3.8 million from LMA as a result of increased claims expense.

Loss from equity method investments for the six months ended June 30, 2021, was \$3.8 million, as compared to income from equity method investments of \$2.9 million for the same period in 2020, a decrease of \$6.7 million. The decrease was partially due to the sale of UCI in April 2020. For the six months ended June 30, 2020, UCI contributed equity earnings of \$3.6 million. The additional decrease is from our investment in LMA. For the six months ended June 30, 2021, the Company incurred a loss of \$3.9 million from LMA as a result of increased claims expense.

Interest Expense

Interest expense for the three months ended June 30, 2021, was \$1.9 million, as compared to \$2.7 million for the same period in 2020, a decrease of \$0.8 million. Interest expense for the six months ended June 30, 2021, was \$3.4 million, as compared to \$5.5 million for the same period in 2020, a decrease of \$2.2 million. Interest expense reflected was primarily for interest incurred on our Credit Facility. The decrease in interest expense for the three and six months ended June 30, 2021 was primarily due to the Company refinancing their Credit Facility to the Amended Credit Facility in June 2021 and lower interest rates for the three and six months ended June 30, 2021 as compared to the same periods in 2020.

Interest Income

Interest income for the three and six months ended June 30, 2021, was \$0.6 million and \$0.9 million, respectively, as compared to \$0.9 million and \$1.8 million, respectively, for the three and six months ended June 30, 2020. Interest income reflects interest earned on cash held in money market and certificate of deposit accounts and the interest from notes receivable.

Other Income

Other income for the three months ended June 30, 2021, was \$67.9 million, as compared to \$1.3 million for the same period in 2020, an increase of \$66.6 million. Other income for the six months ended June 30, 2021, was \$69.2 million, as compared to \$1.4 million for the same period in 2020, an increase of \$67.8 million. The increase in other income was primarily due to an unrealized gain of \$83.8 million as a result of a 1-to-3 conversion of a payer partner's preferred shares to common stock as a result of the payer partner becoming a public company. The increase was partially offset by a \$15.7 million write-off of the Company's beneficial interest receivable.

Provision for Income Tax

Income tax expense was \$24.9 million for the three months ended June 30, 2021, as compared to \$31.9 million for the same period in 2020. The decrease in tax expense was due to a decrease in pre-tax income for the three months ended June 30, 2021, period as compared to the same period in 2020, as described above.

Income tax expense was \$31.7 million for the six months ended June 30, 2021, as compared to \$33.5 million for the same period in 2020. The decrease in tax expense was due to decrease in pre-tax income for the six months ended June 30, 2021, period as compared to the same period in 2020, as described above.

Net Income Attributable to Noncontrolling Interests

Net income attributable to noncontrolling interests for the three months ended June 30, 2021 and June 30, 2020, was \$46.9 million and \$74.0 million, respectively, a decrease of \$27.1 million. The decrease was primarily driven by the sale of UCI in April 2020.

Net income attributable to noncontrolling interests for the six months ended June 30, 2021 and June 30, 2020, was \$48.2 million and \$72.9 million, respectively, a decrease of \$24.7 million. The decrease was primarily driven by the sale of UCI in April 2020.

2021 Guidance

ApolloMed is raising its full-year 2021 guidance, previously disclosed on March 10, 2021, and subsequently reiterated on May 5, 2021, as a result of our continued organic growth and encouraging results in the first half of the year. Net income and EBITDA include the impact of APC's investment in a payer partner, which completed an initial public offering to become a publicly traded company in June 2021. As APC's investment is an excluded asset solely for the benefit of APC and its shareholders, any gains or losses as a result of this investment do not affect the net income attributable to ApolloMed and adjusted EBITDA attributable to ApolloMed. The revised net income and EBITDA guidance ranges assumes a share price of \$8.49 on close of August 3, 2021. These assumptions are based on the Company's existing business, current view of existing market conditions and assumptions for the year ending December 31, 2021.

Use of Non-GAAP Financial Measures

This Quarterly Report on Form 10-Q contains the non-GAAP financial measures EBITDA and adjusted EBITDA, of which the most directly comparable financial measure presented in accordance with GAAP is net (loss) income. These measures are not in accordance with, or an alternative to, U.S. generally accepted accounting principles ("GAAP"), and may be different from other non-GAAP financial measures used by other companies. The Company uses adjusted EBITDA as a supplemental performance measure of our operations, for financial and operational decision-making, and as a supplemental means of evaluating period-to-period comparisons on a consistent basis. Adjusted EBITDA is calculated as earnings before interest, taxes, depreciation, and amortization, excluding income from equity method investments, provider bonuses, impairment of intangibles, provision of doubtful accounts, and other income earned that is not related to the Company's normal operations. Adjusted EBITDA also excludes the effect on EBITDA of certain IPAs we recently acquired.

The Company believes the presentation of these non-GAAP financial measures provides investors with relevant and useful information, as it allows investors to evaluate the operating performance of the business activities without having to account for differences recognized because of non-core or non-recurring financial information. When GAAP financial measures are viewed in conjunction with non-GAAP financial measures, investors are provided with a more meaningful understanding of the Company's ongoing operating performance. In addition, these non-GAAP financial measures are among those indicators the Company uses as a basis for evaluating operational performance, allocating resources, and planning and forecasting future periods. Non-GAAP financial measures are not intended to be considered in isolation, or as a substitute for, GAAP financial measures. To the extent this release contains historical or future non-GAAP financial measures, the Company has provided corresponding GAAP financial measures for comparative purposes. The reconciliation between certain GAAP and non-GAAP measures is provided above.

Liquidity and Capital Resources

Cash, cash equivalents and investment in marketable securities at June 30, 2021, totaled \$364.5 million as compared to \$261.2 million at December 31, 2020. Working capital totaled \$342.5 million at June 30, 2021, as compared to \$223.6 million at December 31, 2020, an increase of \$118.9 million, or 53%.

We have historically financed our operations primarily through internally generated funds. We generate cash primarily from capitation contracts, risk pool settlements and incentives, fees for medical management services provided to our affiliated physician groups and fee-for-service reimbursements. We generally invest cash in money market accounts, which are classified as cash and cash equivalents. We believe we have sufficient liquidity to fund our operations through at least the next 12 months.

Our cash, cash equivalents and restricted cash decreased by \$16.7 million from \$194.0 million at December 31, 2020, to \$177.3 million at June 30, 2021. Cash provided by operating activities for the six months ended June 30, 2021, was \$31.3 million, as compared to cash provided by operating activities of \$12.6 million for the six months ended June 30, 2020. The increase in cash provided by operating activities was primarily driven by increase in earnings adjusted for non-cash items of approximately \$44.6 million for the six months ended June 30, 2021 compared to the six months ended June 30, 2020. This was offset with increased cash usage related to our working capital accounts of \$25.9 million for the six months ended June 30, 2021 as compared to the six months ended June 30, 2020, including \$8.3 million in receivables, net – related parties and payments for income taxes, accounts payable and accrued expenses of \$19.7 million.

Cash used in investing activities during the six months ended June 30, 2021, was \$9.8 million, primarily due to purchases of property and equipment of \$7.4 million, prepayment for investment purchase of \$4.5 million, funding for an equity method investment of \$1.7 million, and purchase of marketable securities of \$0.7 million. The cash used in investing activities was partially offset by cash received from consolidation of Tag 8 of \$3.3 million and proceeds from sale of marketable securities of \$1.1 million. This is compared to cash provided by investing activities of \$67.2 million for the six months ended June 30, 2020 due to the proceeds received related to the sale of UCI totaling \$52.7 million and proceeds from loan receivable repayment of \$16.5 million. The proceeds were offset with cash used to purchase marketable securities of \$1.1 million, funding for an equity method investment of \$0.5 million, and capital expenditures (mainly purchases of property and equipment) of \$0.5 million.

Cash used in financing activities during the six months ended June 30, 2021, was \$38.2 million as compared to cash used in financing activities of \$30.5 million for the six months ended June 30, 2020. Cash used for the six months ended June 30, 2021 was primarily due to repayment of long-term debt of \$238.2 million, dividend payment of \$21.1 million, and repurchase of shares of \$3.0 million. The cash used in financing activities was partially offset by a drawdown of \$180.0 million on the Amended Credit Facility, proceeds from sale of shares of \$40.1 million, and proceeds from the exercise of options and warrants of \$4.8 million. This is compared to cash used in the six months period ended June 30, 2020 of \$30.5 million due to dividend payment of \$30.2 million, repayment of long-term debt totaling \$2.4 million and repurchase of shares of \$0.8 million, offset with proceeds from exercise of stock options and warrants of \$2.9 million.

Excluded Assets

In September 2019, APC and AP-AMH entered into Second Amendment to Series A Preferred Stock Purchase Agreement, which clarified the term “Excluded Assets”. “Excluded Assets” means (i) assets received from the sale of shares of the Series A Preferred Stock equal to the Series A Purchase Price, (ii) the assets of the Company that are not Healthcare Services Assets, including the Company’s equity interests in Universal Care, Inc., Apollo Medical Holdings, Inc., and any entity that is primarily engaged in the business of owning, leasing, developing, or otherwise operating real estate, (iii) any assets acquired with the proceeds of the sale, assignment, or other disposition of any of the assets described in clauses (i) or (ii), and (iv) any proceeds of the assets described in clauses (i), (ii), and (iii).

As of June 30, 2021 and December 31, 2020, Excluded Assets consisted of the following (in thousands):

Credit Agreement

In September 2019, the Company entered into a secured credit agreement (the "Credit Agreement," and the credit facility thereunder, the "Credit Facility") with Truist Bank (f.k.a. SunTrust Bank), in its capacity as administrative agent for the lenders, as a lender, an issuer of letters of credit and as swingline lender, and Preferred Bank, JPMorgan Chase Bank, N.A., MUFG Union Bank, N.A., Royal Bank of Canada, Fifth Third Bank and City National Bank, as lenders. The Credit Agreement provided a five-year revolving credit facility to the Company of \$100.0 million, which includes a letter of credit subfacility of up to \$25.0 million. The Credit Agreement also provided a term loan of \$190.0 million. In connection with the closing of the Credit Agreement, the Company, its subsidiary, NMM, and the Agent entered into a Guaranty and Security Agreement (the "Guaranty and Security Agreement"), pursuant to which, among other things, NMM guaranteed the obligations of the Company under the Credit Agreement.

On June 16, 2021, the Company entered into an amended and restated credit agreement (the "Amended Credit Agreement" and the credit facility thereunder, the "Amended Credit Facility") with Truist Bank, in its capacities as administrative agent for the lenders (in such capacity, the "Agent"), issuing bank, swingline lender and a lender, Truist Securities, Inc., JPMorgan Chase Bank, N.A., MUFG Union Bank, N.A., Preferred Bank, Royal Bank of Canada, and Fifth Third Bank, National Association, in their capacities as joint lead arrangers and/or lenders (the "Lenders"), and Bank of the West, The Toronto-Dominion Bank, New York Branch, Well Fargo, National Association, and City National Bank in their capacities as Lenders, to, among other things, amend and restate that certain credit agreement, dated September 11, 2019, by and among the Company, certain Lenders and the Agent, in its entirety.

The Amended Credit Agreement provides for a five-year revolving credit facility ("Revolver Loan") to the Company of \$400.0 million, which includes a letter of credit sub-facility of up to \$25.0 million and a swingline loan sub-facility of \$25.0 million. The revolving credit facility will be used to, among other things, refinance certain existing indebtedness of the Company and certain subsidiaries, finance certain future acquisitions and investments, and provide for working capital needs and other general corporate purposes. Under the Amended Credit Agreement, the terms and conditions of the Guaranty and Security Agreement remain in effect.

The Amended Credit Agreement requires the Company to comply with two key financial ratios, each calculated on a consolidated basis.

Covenant Ratios ⁽¹⁾	Requirement	June 30, 2021
Consolidated leverage ratio	Less than 3.75 to 1.00	1.02
Consolidated interest coverage ratio	Greater than 3.25 to 1.00	21.17

(1) All covenant ratio titles utilize terms as defined in the respective debt agreements.

Refer to Note 8 – “Credit Facility, Bank Loans, and Lines of Credit” to our consolidated financial statements under Item 1 in this Quarterly Report on Form 10-Q for additional information.

Deferred Financing Costs

In September 2019, the Company recorded deferred financing costs of \$6.5 million related to its entry into the Credit Facility. In June 2021, the Company recorded additional deferred financing costs of \$0.7 million related to its entry into the Amended Credit Facility. Deferred financing costs are recorded as a direct reduction of the carrying amount of the related debt liability using straight line amortization. The remaining unamortized deferred financing costs related to the Credit Facility and the new costs related to the Amended Credit Facility are amortized over the life of the Amended Credit Facility.

Effective Interest Rate

The Company’s average effective interest rate on its total debt during the six months ended June 30, 2021 and 2020, were 2.31% and 3.93%, respectively. Interest expense in the consolidated statements of income included amortization of deferred debt issuance costs for the three and six months ended June 30, 2021 and 2020, of \$0.4 million and \$0.3 million, respectively, and \$0.3 million and \$0.7 million, respectively.

Real Estate Loans

On December 31, 2020, using cash comprised solely of Excluded Assets, APC purchased a 100% interest in MPP, AMG Properties, and ZLL. As a result of the purchase, APC assumed \$6.4 million, \$0.7 million, and \$0.7 million of existing loans held by MPP, AMG Properties, and ZLL, respectively. Refer to Note 8 – “Credit Facility, Bank Loans, and Lines of Credit” to our consolidated financial statements under Item 1 in this quarterly report on Form 10-Q for additional information.

Construction Loan

In April 2021, Tag 8 entered into a construction loan agreement with MUFG Union Bank N.A. (“Construction Loan”) that allows Tag 8 to borrow up to \$10.7 million. Tag 8 is a VIE consolidated by the Company. Refer to Note 8 – “Credit Facility, Bank Loans, and Lines of Credit” to our consolidated financial statements under Item 1 in this quarterly report on Form 10-Q for additional information.

Lines of Credit – Related Party

APC Business Loan

On September 10, 2019, the APC Business Loan Agreement with Preferred Bank (the “APC Business Loan Agreement”) was amended to decrease loan availability to \$4.1 million. This decrease further limited the purpose of the indebtedness under APC Business Loan Agreement to the issuance of standby letters of credit. The amendment also reclassified, as a permitted lien, the security interest in all of APC’s assets granted in favor of NMM under a Security Agreement dated on or about September 11, 2019, securing APC’s obligations to NMM under, and as required pursuant to, the APC management services agreement dated as of July 1, 1999, as amended.

Intercompany Loans

Each of AMH, MMG, AKM Medical Group, Inc. (“AKM”), SCHC, and Bay Area Hospitalist Associates (“BAHA”) has entered into an Intercompany Loan Agreement with AMM under which AMM has agreed to provide a revolving loan

commitment to each such affiliated entity in an amount set forth in each Intercompany Loan Agreement. Each Intercompany Loan Agreement provides that AMM's obligation to make any advances automatically terminates upon the termination of the management agreement with the applicable affiliated entity. In addition, each Intercompany Loan Agreement provides that (i) any material breach by the shareholder of record of the applicable Physician Shareholder Agreement or (ii) the termination of the management agreement with the applicable affiliated entity constitutes an event of default under the Intercompany Loan Agreement. All the intercompany loans have been eliminated in consolidation (in thousands).

Critical Accounting Policies and Estimates

The preparation of financial statements and related disclosures in conformity with U.S. GAAP requires our management to make judgments, assumptions and estimates that affect the amounts of revenue, expenses, income, assets, and liabilities, reported in our consolidated financial statements and accompanying notes. Actual results and the timing of recognition of such amounts could differ from those judgments, assumptions, and estimates. In addition, judgments, assumptions, and estimates routinely require adjustment based on changing circumstances and the receipt of new or better information. Understanding our accounting policies and the extent to which our management uses judgment, assumptions, and estimates in applying these policies, therefore, is integral to understanding our financial statements. Critical accounting policies and estimates are defined as those that are reflective of significant judgments and uncertainties, and potentially result in materially different results under different assumptions and conditions. We summarize our most significant accounting policies in relation to the accompanying consolidated financial statements in Note 2 thereto. Please also refer to the Critical Accounting Policies section of Management's Discussion and Analysis of Financial Condition and Results of Operations included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

New Accounting Pronouncements

See Note 2 to the accompanying consolidated financial statements for recently issued accounting pronouncements, including information on new accounting standards and the future adoption of such standards.

Off-Balance Sheet Arrangements

As of June 30, 2021, we had no off-balance sheet arrangements that are or have been reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures, or capital resources that are material to investors.

Inflation

Inflation and changing prices have had de minimis effect on our continuing operations over our two most recent fiscal years.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Interest Rate Risk

Borrowings under our Amended Credit Agreement exposed us to interest rate risk. As of June 30, 2021, we had \$180.0 million in outstanding borrowings under our Amended Credit Agreement. The amount borrowed under the Credit Agreement bears interest at an annual rate equal to either, at the Company's option, (a) the rate for Eurocurrency deposits for the corresponding deposits of U.S. dollars appearing on LIBOR, adjusted for any reserve requirement in effect, plus a spread of 1.25% to 2.5%, as determined on a quarterly basis based on the Company's leverage ratio, or (b) a base rate, plus a spread of 0.25% to 1.5%, as determined on a quarterly basis based on the Company's leverage ratio. The base rate is defined in a manner such that it will not be less than LIBOR. In addition, as of June 30, 2021, Tag 8, a VIE consolidated by the Company, had \$0.1 million in outstanding borrowings for the Construction Loan. Interest rate on the "Construction Loan" is equal to an index rate determined by the bank. Furthermore, as of June 30, 2021, APC had \$7.5 million in outstanding borrowings for real estate loans related to ZLL, MPP, and AMG Properties ("Real Estate Loans"). Each agreement bears interest that is subject to change from time to time based on changes in an independent index, which is the daily Wall Street Journal Prime Rate, as quoted in the "Money Rates" column of The Wall Street Journal (Western edition) as determined by the Lender (the "Index"). On the dates of the agreement, the Index is 3.250% per annum. Under no circumstances will the interest rate on this loan be less than 3.500% per annum or more than the maximum rate allowed by applicable law. The Company has entered into interest rate swap agreements for certain of these agreements to effectively convert its floating-rate debt to a fixed-rate basis. The principal objective of these contracts is to eliminate or reduce the variability of the cash flows in interest payments associated with the Company's floating-rate debt, thus reducing the impact of interest rate changes on future interest payment cash flows. A hypothetical 1% change in our interest rates for our outstanding borrowings under our Credit Agreement, Construction Loan, and Real Estate Loans would have increased or decreased our interest expense for the three months ended June 30, 2021, by \$1.9 million.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

As of June 30, 2021, we carried out an evaluation, under the supervision and with the participation of our management, including our Co-Chief Executive Officers and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on that evaluation, our management, including Co-Chief Executive Officers and Chief Financial Officer, concluded that our disclosure controls and procedures as defined in Rules 13a-15(e) and 15(d)-15(e) under the Exchange Act, were effective as of June 30, 2021, to ensure that information required to be disclosed by us in this Quarterly Report on Form 10-Q or submitted under the Exchange Act is (i) recorded, processed, summarized, and reported within the time periods specified in the Securities and Exchange Commission rules and forms and (ii) accumulated and communicated to our management, including our principal executive officers and principal financial officer, as appropriate, to allow timely decisions regarding required disclosures.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting (as defined in Rule 13a-15(f) under Exchange Act) during our second fiscal quarter of 2021 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II – OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

In the ordinary course of our business, we from time to time become involved in pending and threatened legal actions and proceedings, most of which involve claims of medical malpractice related to medical services that are provided by our affiliated hospitalists. Many of the Company's payor and provider contracts are complex in nature and may be subject to differing interpretations regarding amounts due for the provision of medical services, which may not come to light until a substantial period of time has passed following contract implementation. We may also become subject to other lawsuits which could involve significant claims and/or significant defense costs, but as of the date of this Quarterly Report on Form 10-Q, except as disclosed, we are not a party to any lawsuit or proceeding which management expects to, individually or in the aggregate, have a material adverse effect on us or our business. The resolution of any claim or litigation is subject to inherent uncertainty and could have a material adverse effect on the Company's financial condition, cash flows, or results of operations.

ITEM 1A. RISK FACTORS

Our business, financial condition, and operating results are affected by a number of factors, whether currently known or unknown, including risks specific to us or the healthcare industry, as well as risks that affect businesses in general. In addition to the information and risk factors set forth in this Quarterly Report on Form 10-Q, you should carefully consider the factors discussed in Part I, Item 1A, "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2020, filed with the SEC on March 15, 2021. The risks disclosed in such Annual Report and in this Quarterly Report could materially adversely affect our business, financial condition, cash flows, or results of operations and thus our stock price. We believe there have been no material changes in our risk factors from those disclosed in the Annual Report. However, additional risks and uncertainties not currently known or which we currently deem to be immaterial may also materially adversely affect our business, financial condition, or results of operations.

These risk factors may be important to understanding other statements in this Quarterly Report and should be read in conjunction with the consolidated financial statements and related notes in Part I, Item 1, "Financial Statements" and Part I, Item 2, "Management's Discussion and Analysis of Financial Condition and Results of Operations" of this Quarterly Report on Form 10-Q. Because of such risk factors, as well as other factors affecting the Company's financial condition and operating results, past financial performance should not be considered to be a reliable indicator of future performance, and investors should not use historical trends to anticipate results or trends in future periods.

None for the three months ended June 30, 2021.

ITEM 3. DEFAULTS UPON SENIOR SECURITIES

ITEM 4. MINE SAFETY DISCLOSURES

- (3) in the case of a Term SOFR Transition Event, the date that is thirty (30) days after the date a Term SOFR Notice is provided to the Lenders and the Borrower pursuant to Section 2.16(c); or
- (4) in the case of an Early Opt-in Election, the sixth (6th) Business Day after the date notice of such Early Opt-in Election is provided to the Lenders, so long as the Administrative Agent has not received, by 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Early Opt-In Election is provided

The words “other” and “otherwise” shall not be construed ejusdem generis with any foregoing words where a wider construction is possible. The word “will” shall be construed to have the same meaning and effect as the word “shall”. In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including” and the word “to” means “to but excluding”. Section 1.6 LIBOR. The London interbank offered rate ("LIBOR") is intended to represent the rate at which contributing banks could obtain short-term borrowings from one another in the London interbank market. This public statement constitutes a Benchmark Transition Event. To the extent the Revolving Commitment Termination Date and/or Maturity Date goes beyond the cessation dates indicated in the FCA's announcement, an alternate rate of interest will be determined at the appropriate time in accordance with Section 2.16(b) for any applicable tenors of USD LIBOR.

Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, Section 2.16(b) and (c) provide the mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.16(e), of any change to the reference rates upon which the interest rates on Eurodollar Loans are based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to LIBOR or other rates in the definition of "Adjusted LIBO Rate" or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.16(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.16(d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the Adjusted LIBO Rate or have the same volume or liquidity as did LIBOR prior to its discontinuance or unavailability.

ARTICLE II

AMOUNT AND TERMS OF THE COMMITMENTS

Section 2.1 General Description of Facilities. Subject to and upon the terms and conditions herein set forth, (i) the Lenders hereby establish in favor of the Borrower a revolving credit facility pursuant to which each Lender severally agrees (to the extent of such Lender's Revolving Commitment) to make Revolving Loans to the Borrower in accordance with Section 2.2; (ii) each Issuing Bank may issue Letters of Credit in accordance with Section 2.22; (iii) the Swingline Lender may make Swingline Loans in accordance with Section 2.4; and (iv) each Lender agrees to purchase a participation interest in the Letters of Credit and the Swingline Loans pursuant to the terms and conditions hereof; provided that in no event shall the aggregate principal amount of all outstanding Revolving Loans, Swingline Loans and outstanding LC Exposure exceed the Aggregate Revolving Commitment Amount in effect from time to time.

Section 2.2 Revolving Loans. Subject to the terms and conditions set forth herein, each Lender severally agrees to make Revolving Loans, ratably in proportion to its Pro Rata Share of the Aggregate Revolving Commitments, to the Borrower, from time to time during the Availability Period, in an aggregate principal amount outstanding at any time that will not result in (a) such Lender's Revolving

Credit Exposure exceeding such Lender's Revolving Commitment or (b) the aggregate Revolving Credit Exposures of all Lenders exceeding the Aggregate Revolving Commitment Amount. During the Availability Period, the Borrower shall be entitled to borrow, prepay and reborrow Revolving Loans in accordance with the terms and conditions of this Agreement; provided that the Borrower may not borrow or reborrow should there exist a Default or Event of Default.

Section 2.3 Procedure for Revolving Borrowings. The Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Revolving Borrowing, substantially in the form of Exhibit 2.3 attached hereto (a "Notice of Revolving Borrowing"), (x) prior to 12:00 p.m. one (1) Business Day prior to the requested date of each Base Rate Borrowing (other than with respect to the Closing Date, for which such request shall be required to be provided no later than 12:00 p.m. on the Closing Date) and (y) prior to 11:00 a.m. three (3) Business Days prior to the requested date of each Eurodollar Borrowing (other than with respect to the Closing Date, for which such request shall be provided prior to 5:00 p.m. three (3) Business Days prior to the Closing Date). Each Notice of Revolving Borrowing shall be irrevocable and shall specify (i) the aggregate principal amount of such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) the Type of such Revolving Loan comprising such Borrowing and (iv) in the case of a Eurodollar Borrowing, the duration of the initial Interest Period applicable thereto (subject to the provisions of the definition of Interest Period). Each Revolving Borrowing shall consist entirely of Base Rate Loans or Eurodollar Loans, as the Borrower may request. The aggregate principal amount of each Eurodollar Borrowing shall not be less than \$2,000,000 or a larger multiple of \$500,000, and the aggregate principal amount of each Base Rate Borrowing shall not be less than \$1,000,000 or a larger multiple of \$100,000; provided that Base Rate Loans made pursuant to Section 2.4 or Section 2.22(d) may be made in lesser amounts as provided therein. At no time shall the total number of Eurodollar Borrowings outstanding at any time exceed four (4). Promptly following the receipt of a Notice of Revolving Borrowing in accordance herewith, the Administrative Agent shall advise each Lender of the details thereof and the amount of such Lender's Revolving Loan to be made as part of the requested Revolving Borrowing.

Section 2.4 Swingline Commitment.

(a) Subject to the terms and conditions set forth herein, the Swingline Lender may, in its sole discretion, make Swingline Loans to the Borrower, from time to time during the Availability Period, in an aggregate principal amount outstanding at any time not to exceed the lesser of (i) the Swingline Commitment then in effect and (ii) the difference between the Aggregate Revolving Commitment Amount and the aggregate Revolving Credit Exposures of all Lenders; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. The Borrower shall be entitled to borrow, repay and reborrow Swingline Loans in accordance with the terms and conditions of this Agreement.

(b) The Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Swingline Borrowing, substantially in the form of Exhibit 2.4 attached hereto (a "Notice of Swingline Borrowing"), prior to 10:00 a.m. on the requested date of each Swingline Borrowing. Each Notice of Swingline Borrowing shall be irrevocable and shall specify (i) the principal amount of such Swingline Borrowing, (ii) the date of such Swingline Borrowing (which shall be a Business Day) and (iii) the account of the Borrower to which the proceeds of such Swingline Borrowing should be credited. The Administrative Agent will promptly advise the Swingline Lender of each Notice of Swingline Borrowing. The aggregate principal amount of each Swingline Loan shall not be less than \$100,000 or a larger multiple of \$50,000, or such other minimum amounts agreed to by the Swingline Lender and the Borrower. The Swingline Lender will make the proceeds of each Swingline

Loan available to the Borrower in Dollars in immediately available funds at the account specified by the Borrower in the applicable Notice of Swingline Borrowing not later than 1:00 p.m. on the requested date of such Swingline Borrowing.

(c) The Swingline Lender, at any time and from time to time in its sole discretion, may, but in no event no less frequently than once each calendar week shall, on behalf of the Borrower (which hereby irrevocably authorizes and directs the Swingline Lender to act on its behalf), give a Notice of Revolving Borrowing to the Administrative Agent requesting the Lenders (including the Swingline Lender) to make Base Rate Loans in an amount equal to the unpaid principal amount of any Swingline Loan. Each Lender will make the proceeds of its Base Rate Loan included in such Borrowing available to the Administrative Agent for the account of the Swingline Lender in accordance with Section 2.6, which will be used solely for the repayment of such Swingline Loan.

(d) If for any reason a Base Rate Borrowing may not be (as determined in the sole discretion of the Administrative Agent), or is not, made in accordance with the foregoing provisions, then each Lender (other than the Swingline Lender) shall purchase an undivided participating interest in such Swingline Loan in an amount equal to its Pro Rata Share thereof on the date that such Base Rate Borrowing should have occurred. On the date of such required purchase, each Lender shall promptly transfer, in immediately available funds, the amount of its participating interest to the Administrative Agent for the account of the Swingline Lender.

(e) Each Lender's obligation to make a Base Rate Loan pursuant to subsection (c) of this Section or to purchase participating interests pursuant to subsection (d) of this Section shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right that such Lender or any other Person may have or claim against the Swingline Lender, the Borrower or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of any Lender's Revolving Commitment, (iii) the existence (or alleged existence) of any event or condition which has had or could reasonably be expected to have a Material Adverse Effect, (iv) any breach of this Agreement or any other Loan Document by any Loan Party, the Administrative Agent or any Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. If such amount is not in fact made available to the Swingline Lender by any Lender, the Swingline Lender shall be entitled to recover such amount on demand from such Lender, together with accrued interest thereon for each day from the date of demand thereof (x) at the Federal Funds Rate until the second Business Day after such demand and (y) at the Base Rate at all times thereafter. Until such time as such Lender makes its required payment, the Swingline Lender shall be deemed to continue to have outstanding Swingline Loans in the amount of the unpaid participation for all purposes of the Loan Documents. In addition, such Lender shall be deemed to have assigned any and all payments made of principal and interest on its Loans and any other amounts due to it hereunder to the Swingline Lender to fund the amount of such Lender's participation interest in such Swingline Loans that such Lender failed to fund pursuant to this Section, until such amount has been purchased in full.

Section 2.5 [Reserved].

Section 2.6 Funding of Borrowings.

(a) Each Lender will make available each Loan to be made by it hereunder on the proposed date thereof by wire transfer in immediately available funds by 11:00 a.m. to the Administrative Agent at the Payment Office; provided that the Swingline Loans will be made as set forth in Section 2.4.

The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts that it receives, in like funds by the close of business on such proposed date, to an account maintained by the Borrower with the Administrative Agent or, at the Borrower's option, by effecting a wire transfer of such amounts to an account designated by the Borrower to the Administrative Agent.

(b) Unless the Administrative Agent shall have been notified by any Lender prior to 5:00 p.m. one (1) Business Day prior to the date of a Borrowing in which such Lender is to participate that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date, and the Administrative Agent, in reliance on such assumption, may make available to the Borrower on such date a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender on the date of such Borrowing, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest (x) at the Federal Funds Rate until the second Business Day after such demand and (y) at the Base Rate at all times thereafter. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower shall immediately pay such corresponding amount to the Administrative Agent together with interest at the rate specified for such Borrowing. Nothing in this subsection shall be deemed to relieve any Lender from its obligation to fund its Pro Rata Share of any Borrowing hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any default by such Lender hereunder.

(c) All Revolving Borrowings shall be made by the Lenders on the basis of their respective Pro Rata Shares. No Lender shall be responsible for any default by any other Lender in its obligations hereunder, and each Lender shall be obligated to make its Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

Section 2.7 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing. Thereafter, the Borrower may elect to convert such Borrowing into a different Type or to continue such Borrowing, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Borrowing that is to be converted or continued, as the case may be, substantially in the form of Exhibit 2.7 attached hereto (a "Notice of Conversion/Continuation") (x) prior to 10:00 a.m. one (1) Business Day prior to the requested date of a conversion into a Base Rate Borrowing and (y) prior to 11:00 a.m. three (3) Business Days prior to a continuation of or conversion into a Eurodollar Borrowing. Each such Notice of Conversion/Continuation shall be irrevocable and shall specify (i) the Borrowing to which such Notice of Conversion/Continuation applies and, if different options are being elected with respect to different portions thereof, the portions thereof that are to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) shall be specified for each resulting Borrowing), (ii) the effective date of the election made pursuant to such Notice of Conversion/Continuation, which shall be a Business Day, (iii) whether the resulting Borrowing is to be a Base Rate Borrowing or a Eurodollar Borrowing, and (iv) if the resulting Borrowing is to be a Eurodollar

Borrowing, the Interest Period applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of "Interest Period". If any such Notice of Conversion/ Continuation requests a Eurodollar Borrowing but does not specify an Interest Period, the Borrower shall be deemed to have selected an Interest Period of one month. The principal amount of any resulting Borrowing shall satisfy the minimum borrowing amount for Eurodollar Borrowings and Base Rate Borrowings set forth in Section 2.3.

(c) If, on the expiration of any Interest Period in respect of any Eurodollar Borrowing, the Borrower shall have failed to deliver a Notice of Conversion/Continuation, then, unless such Borrowing is repaid as provided herein, the Borrower shall be deemed to have elected to convert such Borrowing to a Base Rate Borrowing. No Borrowing may be converted into, or continued as, a Eurodollar Borrowing if a Default or an Event of Default exists, unless the Administrative Agent and each of the Lenders shall have otherwise consented in writing. No conversion of any Eurodollar Loan shall be permitted except on the last day of the Interest Period in respect thereof.

(d) Upon receipt of any Notice of Conversion/Continuation, the Administrative Agent shall promptly notify each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

Section 2.8 Optional Reduction and Termination of Commitments.

(a) Unless previously terminated, all Revolving Commitments, Swingline Commitments and LC Commitments shall terminate on the Revolving Commitment Termination Date.

(b) Upon at least three (3) Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice shall be irrevocable), the Borrower may reduce the Aggregate Revolving Commitments in part or terminate the Aggregate Revolving Commitments in whole; provided that (i) any partial reduction shall apply to reduce proportionately and permanently the Revolving Commitment of each Lender, (ii) any partial reduction pursuant to this Section shall be in an amount of at least \$5,000,000 and any larger multiple of \$1,000,000, and (iii) no such reduction shall be permitted which would reduce the Aggregate Revolving Commitment Amount to an amount less than the aggregate outstanding Revolving Credit Exposure of all Lenders. Any such reduction in the Aggregate Revolving Commitment Amount below the principal amount of the Swingline Commitment and the LC Commitment shall result in a dollar-for-dollar reduction in the Swingline Commitment and the LC Commitment.

(c) With the written approval of the Administrative Agent, the Borrower may terminate (on a non-ratable basis) the unused amount of the Revolving Commitment of a Defaulting Lender, and in such event the provisions of Section 2.26 will apply to all amounts thereafter paid by the Borrower for the account of any such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts); provided that such termination will not be deemed to be a waiver or release of any claim that the Borrower, the Administrative Agent, the Issuing Banks, the Swingline Lender or any other Lender may have against such Defaulting Lender.

Section 2.9 Repayment of Loans.

The outstanding principal amount of all Revolving Loans and Swingline Loans shall be due and payable (together with accrued and unpaid interest thereon) on the Revolving Commitment Termination Date.

Section 2.10 Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice appropriate records evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable thereon and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain appropriate records in which shall be recorded (i) the Revolving Commitment and the Incremental Term Loan Commitment of each Lender, (ii) the amount of each Loan made hereunder by each Lender, the Class and Type thereof and, in the case of each Eurodollar Loan, the Interest Period applicable thereto, (iii) the date of any continuation of any Loan pursuant to Section 2.7, (iv) the date of any conversion of all or a portion of any Loan to another Type pursuant to Section 2.7, (v) the date and amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder in respect of the Loans and (vi) both the date and amount of any sum received by the Administrative Agent hereunder from the Borrower in respect of the Loans and each Lender's Pro Rata Share thereof. The entries made in such records shall be *prima facie* evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided that the failure or delay of any Lender or the Administrative Agent in maintaining or making entries into any such record or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans (both principal and unpaid accrued interest) of such Lender in accordance with the terms of this Agreement.

(b) This Agreement evidences the obligation of the Borrower to repay the Loans and is being executed as a "noteless" credit agreement. However, at the request of any Lender (including the Swingline Lender) at any time, the Borrower agrees that it will prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment permitted hereunder) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

Section 2.11 Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, by giving written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent no later than (i) in the case of any prepayment of any Eurodollar Borrowing, 11:00 a.m. not less than three (3) Business Days prior to the date of such prepayment, (ii) in the case of any prepayment of any Base Rate Borrowing, not less than one (1) Business Day prior to the date of such prepayment, and (iii) in the case of any prepayment of any Swingline Borrowing, prior to 11:00 a.m. on the date of such prepayment. Each such notice shall be irrevocable and shall specify the proposed date of such prepayment and the principal amount of each Borrowing or portion thereof to be prepaid. Upon receipt of any such notice, the Administrative Agent shall promptly notify each affected Lender of the contents thereof and of such Lender's Pro Rata Share of any such prepayment. If such notice is given, the aggregate amount specified in such notice shall be due and payable on the date designated in such notice, together with accrued interest to such date on the amount so prepaid in accordance with Section 2.13(d); provided that if a Eurodollar Borrowing is prepaid on a date other than the last day of an Interest Period applicable thereto, the Borrower shall also pay all amounts required pursuant to Section 2.19. Each partial prepayment of any Loan shall be in an amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type pursuant to Section 2.2 or, in the case of a Swingline Loan, pursuant to Section 2.4. Each prepayment of a Borrowing shall be applied ratably to the Loans comprising such Borrowing and, in

the case of a prepayment of an Incremental Term Loan Borrowing, to principal installments as may be directed by the Borrower (and in the absence of any such direction, in the inverse order of maturity).

Section 2.12 Mandatory Prepayments.

- (a) [Reserved].
- (b) [Reserved].
- (c) [Reserved].
- (d) [Reserved].

(e) If at any time the aggregate Revolving Credit Exposure of all Lenders exceeds the Aggregate Revolving Commitment Amount, as reduced pursuant to Section 2.8 or otherwise, the Borrower shall immediately repay the Swingline Loans and the Revolving Loans in an amount equal to such excess, together with all accrued and unpaid interest on such excess amount and any amounts due under Section 2.19. Each prepayment shall be applied as follows: first, to the Swingline Loans to the full extent thereof; second, to the Base Rate Loans to the full extent thereof; and third, to the Eurodollar Loans to the full extent thereof. If, after giving effect to prepayment of all Swingline Loans and Revolving Loans, the aggregate Revolving Credit Exposure of all Lenders exceeds the Aggregate Revolving Commitment Amount, the Borrower shall Cash Collateralize its reimbursement obligations with respect to all Letters of Credit in an amount equal to such excess plus any accrued and unpaid fees thereon.

Section 2.13 Interest on Loans.

(a) The Borrower shall pay interest on (i) each Base Rate Loan at the Base Rate plus the Applicable Margin in effect from time to time and (ii) each Eurodollar Loan at the Adjusted LIBO Rate for the applicable Interest Period in effect for such Loan plus the Applicable Margin in effect from time to time.

(b) The Borrower shall pay interest on each Swingline Loan at the Base Rate plus the Applicable Margin in effect from time to time.

(c) Notwithstanding subsections (a) and (b) of this Section, at the request of the Required Lenders if an Event of Default has occurred and is continuing, and automatically after acceleration or with respect to any Event of Default due to Sections 8.1(a), (h) or (i), the Borrower shall pay interest ("Default Interest") with respect to all Eurodollar Loans at the rate *per annum* equal to 200 basis points above the otherwise applicable interest rate for such Eurodollar Loans for the then-current Interest Period until the last day of such Interest Period, and thereafter, and with respect to all Base Rate Loans and all other Obligations hereunder (other than Loans), at the rate *per annum* equal to 200 basis points above the otherwise applicable interest rate for Base Rate Loans.

(d) Interest on the principal amount of all Loans shall accrue from and including the date such Loans are made to but excluding the date of any repayment thereof. Interest on all outstanding Base Rate Loans and Swingline Loans shall be payable quarterly in arrears on the last Business Day of each March, June, September and December and on the Revolving Commitment Termination Date or the Maturity Date, as the case may be. Interest on all outstanding Eurodollar Loans shall be payable on the last day of each Interest Period applicable thereto, and, in the case of any Eurodollar Loans having an Interest Period in excess of three months, on each day which occurs every three months after the initial

date of such Interest Period, and on the Revolving Commitment Termination Date or the Maturity Date, as the case may be. Interest on any Loan which is converted into a Loan of another Type or which is repaid or prepaid shall be payable on the date of such conversion or on the date of any such repayment or prepayment (on the amount repaid or prepaid) thereof. All Default Interest shall be payable on demand.

(e) The Administrative Agent shall determine each interest rate applicable to the Loans hereunder and shall promptly notify the Borrower and the Lenders of such rate in writing (or by telephone, promptly confirmed in writing). Any such determination shall be conclusive and binding for all purposes, absent manifest error.

Section 2.14 Fees.

(a) The Borrower shall pay to the Administrative Agent for its own account fees in the amounts and at the times previously agreed upon in writing by the Borrower and the Administrative Agent.

(b) The Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee (the “Commitment Fee”), which shall accrue at the Applicable Percentage *per annum* (determined daily in accordance with Schedule I) on the daily amount of the unused Revolving Commitment of such Lender during the Availability Period. For purposes of computing the Commitment Fee, the Revolving Commitment of each Lender shall be deemed used to the extent of the outstanding Revolving Loans and LC Exposure, but not Swingline Exposure, of such Lender.

(c) The Borrower agrees to pay (i) to the Administrative Agent, for the account of each Lender, a letter of credit fee with respect to its participation in each Letter of Credit, which shall accrue at a rate *per annum* equal to the Applicable Margin for Eurodollar Loans then in effect on the average daily amount of such Lender’s LC Exposure attributable to such Letter of Credit during the period from and including the date of issuance of such Letter of Credit to but excluding the date on which such Letter of Credit expires or is drawn in full (including, without limitation, any LC Exposure that remains outstanding after the Revolving Commitment Termination Date) and (ii) to each Issuing Bank for its own account a fronting fee, which shall accrue at the rate set forth in the Fee Letter on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the Availability Period (or until the date that such Letter of Credit is irrevocably cancelled, whichever is later), as well as such Issuing Bank’s standard fees with respect to issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Notwithstanding the foregoing, if the interest rate on the Loans is increased to the rate for Default Interest pursuant to Section 2.13(c) (as a result of an election by the Required Lenders or otherwise in accordance with the terms thereof), the rate *per annum* used to calculate the letter of credit fee pursuant to clause (i) above shall automatically be increased by 200 basis points.

(d) The Borrower shall pay on the Closing Date to the Administrative Agent and its affiliates all fees in the Fee Letter that are due and payable on the Closing Date.

(e) Accrued fees under subsections (b) and (c) of this Section shall be payable quarterly in arrears on the last day of each March, June, September and December, commencing with the first payment due (on a prorated basis) on June 30, 2021, and on the Revolving Commitment Termination Date (and, if later, the date the Loans and LC Exposure shall be repaid in their entirety); provided that any such fees accruing after the Revolving Commitment Termination Date shall be payable on demand.

Section 2.15 Computation of Interest and Fees.

Interest hereunder based on the Administrative Agent's prime lending rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed (including the first day but excluding the last day). All other interest and all fees hereunder shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of an interest rate or fee hereunder shall be made in good faith and, except for manifest error, shall be final, conclusive and binding for all purposes.

Section 2.16 Inability to Determine Interest Rates.

(a) If, prior to the commencement of any Interest Period for any Eurodollar Borrowing:

(i) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant interbank market, adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate (including, without limitation, because the Screen Rate is not available or published on a current basis) for such Interest Period, or

(ii) the Administrative Agent shall have received notice from the Required Lenders that the Adjusted LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making, funding or maintaining their Eurodollar Loans for such Interest Period,

then the Administrative Agent shall give written notice thereof (or telephonic notice, promptly confirmed in writing) to the Borrower and to the Lenders as soon as practicable thereafter. Until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) the obligations of the Lenders to make Eurodollar Revolving Loans or to continue or convert outstanding Loans as or into Eurodollar Loans shall be suspended and (ii) all such affected Loans shall be converted into Base Rate Loans on the last day of the then current Interest Period applicable thereto unless the Borrower prepays such Loans in accordance with this Agreement. Unless the Borrower notifies the Administrative Agent at least one (1) Business Day before the date of any Eurodollar Borrowing for which a Notice of Revolving Borrowing has previously been given that it elects not to borrow, continue or convert to a Eurodollar Borrowing on such date, then such Revolving Borrowing shall be made as, continued as or converted into a Base Rate Borrowing.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of

such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term SOFR Notice.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.16.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or the Adjusted LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Eurodollar Borrowing of, conversion to or continuation of Eurodollar Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

Section 2.17 Illegality. If any Change in Law shall make it unlawful or impossible for any Lender to perform any of its obligations hereunder or to make, maintain or fund any Eurodollar Loan and such Lender shall so notify the Administrative Agent, the Administrative Agent shall promptly give notice thereof to the Borrower and the other Lenders, whereupon until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Eurodollar Revolving Loans, or to continue or convert outstanding Loans as or into Eurodollar Loans, shall be suspended. In the case of the making of a Eurodollar Borrowing, such Lender's Revolving Loan shall be made as a Base Rate Loan as part of the same Revolving Borrowing for the same Interest Period and, if the affected Eurodollar Loan is then outstanding, such Loan shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Eurodollar Loan if such Lender may lawfully continue to maintain such Loan to such date or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain such Eurodollar Loan to such date. Notwithstanding the foregoing, the affected Lender shall, prior to giving such notice to the Administrative Agent, use reasonable efforts to designate a different Applicable Lending Office if such designation would avoid the need for giving such notice and if such designation would not otherwise be disadvantageous to such Lender in the good faith exercise of its discretion.

Section 2.18 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement that is not otherwise included in the determination of the Adjusted LIBO Rate hereunder against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate) or any Issuing Bank; or

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes and (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes; or

(iii) impose on any Lender, any Issuing Bank or the eurodollar interbank market any other condition affecting this Agreement or any Eurodollar Loans made by such Lender or any Letter of Credit or any participation therein;

and the result of any of the foregoing is to increase the cost to such Lender of making, converting into, continuing or maintaining a Eurodollar Loan or to increase the cost to such Lender or such Issuing Bank of participating in or issuing any Letter of Credit or to reduce the amount received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount),

then, from time to time, such Lender or such Issuing Bank may provide the Borrower (with a copy thereof to the Administrative Agent) with written notice and demand (including the calculation of all applicable

amounts) with respect to such increased costs or reduced amounts, and within five (5) Business Days after receipt of such notice and demand and calculation, the Borrower shall pay to such Lender or such Issuing Bank, as the case may be, such additional amounts as will compensate such Lender or such Issuing Bank for any such increased costs incurred or reduction suffered.

(b) If any Lender or any Issuing Bank shall have determined that on or after the Closing Date any Change in Law regarding capital or liquidity ratios or requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital (or on the capital of the Parent Company of such Lender or such Issuing Bank) as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender, such Issuing Bank or such Parent Company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies or the policies of such Parent Company with respect to capital adequacy and liquidity), then, from time to time, such Lender or such Issuing Bank may provide the Borrower (with a copy thereof to the Administrative Agent) with written notice and demand (including the calculation of all applicable amounts) with respect to such reduced amounts, and within five (5) Business Days after receipt of such notice and demand and calculation the Borrower shall pay to such Lender or such Issuing Bank, as the case may be, such additional amounts as will compensate such Lender, such Issuing Bank or such Parent Company for any such reduction suffered.

(c) A certificate of such Lender or such Issuing Bank setting forth the amount or amounts necessary to compensate such Lender, such Issuing Bank or the Parent Company of such Lender or such Issuing Bank, as the case may be, specified in subsection (a) or (b) of this Section shall be delivered to the Borrower (with a copy to the Administrative Agent) and shall be conclusive, absent manifest error.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation.

Section 2.19 Funding Indemnity. In the event of (a) the payment of any principal of a Eurodollar Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion or continuation of a Eurodollar Loan other than on the last day of the Interest Period applicable thereto, or (c) the failure by the Borrower to borrow, prepay, convert or continue any Eurodollar Loan on the date specified in any applicable notice (regardless of whether such notice is withdrawn or revoked), then, in any such event, the Borrower shall compensate each Lender, within five (5) Business Days after written demand from such Lender, for any loss, cost or expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense shall be deemed to include an amount determined by such Lender to be the excess, if any, of (A) the amount of interest that would have accrued on the principal amount of such Eurodollar Loan if such event had not occurred at the Adjusted LIBO Rate applicable to such Eurodollar Loan for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Eurodollar Loan) over (B) the amount of interest that would accrue on the principal amount of such Eurodollar Loan for the same period if the Adjusted LIBO Rate were set on the date such Eurodollar Loan was prepaid or converted or the date on which the Borrower failed to borrow, convert or continue such Eurodollar Loan. A certificate as to any additional amount payable under this Section submitted to the Borrower by any Lender (with a copy to the Administrative Agent) shall be conclusive, absent manifest error.

Section 2.20 Taxes.

(a) Defined Terms. For purposes of this Section 2.20, the term “Lender” includes Issuing Bank and the term “applicable law” includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 10.4(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower or any other Loan Party to a Governmental Authority pursuant to this Section 2.20, the Borrower or other Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x)

a certificate substantially in the form of Exhibit 2.20A to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.20B or Exhibit 2.20C, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.20D on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.21 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.18, 2.19 or 2.20, or otherwise) prior to 12:00 noon on the date when due, in immediately available funds, free and clear of any defenses, rights of set-off, counterclaim, or withholding or deduction of taxes. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Payment Office, except payments to be made directly to the applicable Issuing Bank or the Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.18, 2.19, 2.20 and 10.3 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be made payable for the period of such extension. All payments hereunder shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied as follows: first, to all fees and reimbursable

expenses of the Administrative Agent then due and payable pursuant to any of the Loan Documents; second, to all reimbursable expenses of the Lenders and all fees and reimbursable expenses of the Issuing Banks then due and payable pursuant to any of the Loan Documents, *pro rata* to the Lenders and the Issuing Banks based on their respective *pro rata* shares of such fees and expenses; third, to all interest and fees then due and payable hereunder, *pro rata* to the Lenders based on their respective *pro rata* shares of such interest and fees; and fourth, to all principal of the Loans and unreimbursed LC Disbursements then due and payable hereunder, *pro rata* to the parties entitled thereto based on their respective *pro rata* shares of such principal and unreimbursed LC Disbursements.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements or Swingline Loans that would result in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Credit Exposure, Incremental Term Loans and accrued interest and fees thereon than the proportion received by any other Lender with respect to its Revolving Credit Exposure or Incremental Term Loans, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Credit Exposure and Incremental Term Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Credit Exposure and Incremental Term Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this subsection shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Credit Exposure or Incremental Term Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this subsection shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount or amounts due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 2.22 Letters of Credit.

(a) During the Availability Period, each Issuing Bank, in reliance upon the agreements of the other Lenders pursuant to subsections (d) and (e) of this Section, may, in its sole discretion, issue, at the request of the Borrower, Letters of Credit for the account of the Borrower or any

Subsidiary Loan Party (which may be for the benefit of any Subsidiary or Associated Practice) (as specified by the Borrower in the request for such Letter of Credit) on the terms and conditions hereinafter set forth; provided that (i) each Letter of Credit shall expire on the earlier of (A) the date one year after the date of issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (B) the date that is five (5) Business Days prior to the Revolving Commitment Termination Date; (ii) each Letter of Credit shall be in a stated amount to be mutually agreed between the Borrower and the applicable Issuing Bank; and (iii) the Borrower may not request any Letter of Credit if, after giving effect to such issuance, (A) the aggregate LC Exposure would exceed the LC Commitment or (B) the aggregate Revolving Credit Exposure of all Lenders would exceed the Aggregate Revolving Commitment Amount and (iv) the Borrower shall not request, and no Issuing Bank shall have an obligation to issue, any Letter of Credit the proceeds of which would be made available to any Person (AA) to fund any activity or business of or with any Sanctioned Person or in any Sanctioned Countries, that, at the time of such funding, is the subject of any Sanctions or (BB) in any manner that would result in a violation of any Sanctions by any party to this Agreement. The Borrower hereby acknowledges and agrees that the Existing Letters of Credit are deemed to be issued by the applicable Issuing Bank, as an Issuing Bank hereunder, for the account of the Borrower. Each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank without recourse a participation in each Letter of Credit equal to such Lender's Pro Rata Share of the aggregate amount available to be drawn under such Letter of Credit (i) on the Closing Date with respect to all Existing Letters of Credit and (ii) on the date of issuance with respect to all other Letters of Credit. Each issuance of a Letter of Credit shall be deemed to utilize the Revolving Commitment of each Lender by an amount equal to the amount of such participation.

(b) To request the issuance of a Letter of Credit (or any amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall give the applicable Issuing Bank and the Administrative Agent irrevocable written notice at least three (3) Business Days prior to the requested date of such issuance specifying the date (which shall be a Business Day) such Letter of Credit is to be issued (or amended, renewed or extended, as the case may be), the expiration date of such Letter of Credit, the amount of such Letter of Credit, the name and address of the beneficiary thereof, whether such Letter of Credit shall be issued on the account of the Borrower or a Subsidiary, and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. In addition to the satisfaction of the conditions in Article III, the issuance of such Letter of Credit (or any amendment which increases the amount of such Letter of Credit) will be subject to the further conditions that such Letter of Credit shall be in such form and contain such terms as the applicable Issuing Bank shall approve and that the Borrower and/or the applicable Subsidiary shall have executed and delivered any additional applications, agreements and instruments relating to such Letter of Credit as the applicable Issuing Bank shall reasonably require; provided that in the event of any conflict between such applications, agreements or instruments and this Agreement, the terms of this Agreement shall control.

(c) At least two (2) Business Days prior to the issuance of any Letter of Credit, the applicable Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received such notice, and, if not, the applicable Issuing Bank will provide the Administrative Agent with a copy thereof. Unless the applicable Issuing Bank has received notice from the Administrative Agent, on or before the Business Day immediately preceding the date the applicable Issuing Bank is to issue the requested Letter of Credit, directing the applicable Issuing Bank not to issue the Letter of Credit because such issuance is not then permitted hereunder because of the limitations set forth in subsection (a) of this Section or that one or more conditions specified in Article III are not then satisfied, then, subject to the terms and conditions hereof, the applicable Issuing Bank shall, on the

requested date, issue such Letter of Credit in accordance with such Issuing Bank's usual and customary business practices.

(d) Each Issuing Bank shall examine all documents purporting to represent a demand for payment under a Letter of Credit promptly following its receipt thereof. Each Issuing Bank shall notify the Borrower and the Administrative Agent of such demand for payment and whether such Issuing Bank has made or will make a LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to such LC Disbursement. The Borrower shall be irrevocably and unconditionally obligated to reimburse the applicable Issuing Bank for any LC Disbursements paid by such Issuing Bank in respect of such drawing, without presentment, demand or other formalities of any kind. Unless the Borrower shall have notified the applicable Issuing Bank and the Administrative Agent prior to 11:00 a.m. on the Business Day immediately prior to the date on which such drawing is honored that the Borrower intends to reimburse such Issuing Bank for the amount of such drawing in funds other than from the proceeds of Revolving Loans, the Borrower shall be deemed to have timely given a Notice of Revolving Borrowing to the Administrative Agent requesting the Lenders to make a Base Rate Borrowing on the date on which such drawing is honored in an exact amount due to such Issuing Bank; provided that for purposes solely of such Borrowing, the conditions precedent set forth in Section 3.2 hereof shall not be applicable. The Administrative Agent shall notify the Lenders of such Borrowing in accordance with Section 2.3, and each Lender shall make the proceeds of its Base Rate Loan included in such Borrowing available to the Administrative Agent for the account of the applicable Issuing Bank in accordance with Section 2.6. The proceeds of such Borrowing shall be applied directly by the Administrative Agent to reimburse the applicable Issuing Bank for such LC Disbursement.

(e) If for any reason a Base Rate Borrowing may not be (as determined in the sole discretion of the Administrative Agent), or is not, made in accordance with the foregoing provisions, then each Lender (other than the applicable Issuing Bank) shall be obligated to fund the participation that such Lender purchased pursuant to subsection (a) of this Section in an amount equal to its Pro Rata Share of such LC Disbursement on and as of the date which such Base Rate Borrowing should have occurred. Each Lender's obligation to fund its participation shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right that such Lender or any other Person may have against the applicable Issuing Bank or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of the Aggregate Revolving Commitments, (iii) any adverse change in the condition (financial or otherwise) of the Borrower or any of its Subsidiaries, (iv) any breach of this Agreement by the Borrower or any other Lender, (v) any amendment, renewal or extension of any Letter of Credit or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. On the date that such participation is required to be funded, each Lender shall promptly transfer, in immediately available funds, the amount of its participation to the Administrative Agent for the account of the applicable Issuing Bank. Whenever, at any time after the applicable Issuing Bank has received from any such Lender the funds for its participation in a LC Disbursement, such Issuing Bank (or the Administrative Agent on its behalf) receives any payment on account thereof, the Administrative Agent or such Issuing Bank, as the case may be, will distribute to such Lender its Pro Rata Share of such payment; provided that if such payment is required to be returned for any reason to the Borrower or to a trustee, receiver, liquidator, custodian or similar official in any bankruptcy proceeding, such Lender will return to the Administrative Agent or such Issuing Bank any portion thereof previously distributed by the Administrative Agent or such Issuing Bank to it.

(f) To the extent that any Lender shall fail to pay any amount required to be paid pursuant to subsection (d) or (e) of this Section on the due date therefor, such Lender shall pay interest to the applicable Issuing Bank (through the Administrative Agent) on such amount from such due date to the date such payment is made at a rate *per annum* equal to the Federal Funds Rate; provided that if such Lender shall fail to make such payment to the applicable Issuing Bank within three (3) Business Days of such due date, then, retroactively to the due date, such Lender shall be obligated to pay interest on such amount at the Base Rate.

(g) If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders demanding that its reimbursement obligations with respect to the Letters of Credit be Cash Collateralized pursuant to this subsection, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Issuing Banks (as applicable) and the Lenders, an amount in cash equal to 105% of the aggregate LC Exposure of all Lenders as of such date plus any accrued and unpaid fees thereon; provided that such obligation to Cash Collateralize the reimbursement obligations of the Borrower with respect to the Letters of Credit shall become effective immediately, and such deposit shall become immediately due and payable, without demand or notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 8.1(h) or (i). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. The Borrower agrees to execute any documents and/or certificates to effectuate the intent of this subsection. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest and profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse each Issuing Bank for LC Disbursements for which it had not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, with the consent of the Required Lenders, be applied to satisfy other obligations of the Borrower under this Agreement and the other Loan Documents. If the Borrower is required to Cash Collateralize its reimbursement obligations with respect to the Letters of Credit as a result of the occurrence of an Event of Default, such cash collateral so posted (to the extent not so applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(h) Upon the request of any Lender, but no more frequently than quarterly, each Issuing Bank shall deliver (through the Administrative Agent) to each Lender and the Borrower a report describing the aggregate Letters of Credit then outstanding. Upon the request of any Lender from time to time, each Issuing Bank shall deliver to such Lender any other information reasonably requested by such Lender with respect to each Letter of Credit then outstanding.

(i) The Borrower's obligation to reimburse LC Disbursements hereunder shall be absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under all circumstances whatsoever and irrespective of any of the following circumstances:

- (i) any lack of validity or enforceability of any Letter of Credit or this Agreement;

(ii) the existence of any claim, set-off, defense or other right which the Borrower or any Subsidiary or Affiliate of the Borrower may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons or entities for whom any such beneficiary or transferee may be acting), any Lender (including any Issuing Bank) or any other Person, whether in connection with this Agreement or the Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(iii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document to such Issuing Bank that does not comply with the terms of such Letter of Credit;

(v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of set-off against, the Borrower's obligations hereunder; or

(vi) the existence of a Default or an Event of Default.

Neither the Administrative Agent, any Issuing Bank, any Lender nor any Related Party of any of the foregoing shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to above), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Banks from liability to the Borrower to the extent of any actual direct damages (as opposed to special, indirect (including claims for lost profits or other consequential damages), or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise due care when determining whether drafts or other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised due care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, each Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(j) Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued and subject to applicable laws, (i) each standby Letter of Credit shall be governed by the "International Standby Practices 1998" (ISP98) (or such later revision as may be published by the Institute of International Banking Law & Practice on any date any Letter of Credit may be issued), (ii) each documentary Letter of Credit shall be governed by the Uniform Customs and Practices for Documentary Credits (2007 Revision), International Chamber of Commerce Publication

No. 600 (or such later revision as may be published by the International Chamber of Commerce on any date any Letter of Credit may be issued) and (iii) the Borrower shall specify the foregoing in each letter of credit application submitted for the issuance of a Letter of Credit.

(k) Any Issuing Bank may resign as an "Issuing Bank" hereunder upon 30 days' prior written notice to the Administrative Agent, the Lenders and the Borrower; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the resigning Issuing Bank. In the event of any such resignation as Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of the resigning Issuing Bank except as expressly provided above. The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the third Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to Section 2.14(c). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not be required to issue any additional Letters of Credit.

(l) Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for all LC Disbursements and to otherwise perform all obligations hereunder in respect of such Letter of Credit as if it has been issued for the account of the Borrower. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

Section 2.23 Increase of Commitments; Additional Lenders.

(a) From time to time after the Closing Date and in accordance with this Section, the Borrower and one or more Increasing Lenders or Additional Lenders (each as defined below) may enter into an agreement to increase the aggregate Revolving Commitments ("Incremental Revolving Commitments") and/or establish term loan commitments hereunder ("Incremental Term Loan Commitments"; and together with any Incremental Revolving Commitments, each an "Incremental Commitment") so long as the following conditions are satisfied:

(i) the aggregate principal amount of all such Incremental Commitments made pursuant to this Section shall not exceed the sum of (I) \$125,000,000 and (II) an unlimited amount so long as the Consolidated Total Net Leverage Ratio is less than 2.90:1.00 calculated on a pro forma basis after giving effect to the incurrence of such Incremental Commitments (and assuming the aggregate amount of such Incremental Commitments, including all Incremental Revolving

Commitments, have been fully funded) and the use of the proceeds thereof (the principal amount of each such Incremental Commitment, the “Incremental Commitment Amount”);

(ii) the Borrower shall execute and deliver such documents and instruments and take such other actions as may be reasonably required by the Administrative Agent in connection with and at the time of any such proposed increase;

(iii) at the time of and immediately after giving effect to any such proposed increase, no Default or Event of Default shall exist, all representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (other than those representations and warranties that are expressly qualified by a Material Adverse Effect or other materiality, in which case such representations and warranties shall be true and correct in all respects), and, since December 31, 2020, there shall have been no change which has had or could reasonably be expected to have a Material Adverse Effect;

(iv) (x) any incremental term loans made pursuant to this Section (the “Incremental Term Loans”) shall have a Maturity Date, an amortization schedule, and interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums (including prepayment premiums) as determined by the Borrower and the lenders providing such Incremental Term Loans; provided that the Maturity Date shall be no earlier than 180 days after the Revolving Commitment Termination Date, and (y) any Incremental Revolving Commitments provided pursuant to this Section shall have terms that are identical to the existing Revolving Commitments (except for the amount thereof) and the Revolving Loans;

(v) the Borrower and its Subsidiaries shall be in pro forma compliance with each of the financial covenants set forth in Article VI as of the most recently ended Fiscal Quarter for which financial statements are required to have been delivered, calculated as if all such Incremental Term Loans had been made and all such Incremental Revolving Commitments had been established (and fully funded) as of the first day of the relevant period for testing compliance;

(vi) if the Initial Yield applicable to any such Incremental Term Loans exceeds by more than 0.50% *per annum* the sum of the Applicable Margin then in effect for existing Revolving Loans plus one-fourth of the Up Front Fees paid in respect of the existing Revolving Loans (the “Existing Yield”), then the Applicable Margin of all existing Revolving Loans shall increase by an amount equal to the difference between the Initial Yield and the Existing Yield;

(vii) any collateral securing any such Incremental Commitments (and Incremental Term Loans) shall also secure all other Obligations on a *pari passu* basis; and

(viii) all other terms and conditions with respect to any such Incremental Commitments (and Incremental Term Loans) shall be reasonably satisfactory to the Administrative Agent.

(b) The Borrower shall provide at least 30 days’ written notice to the Administrative Agent (who shall promptly provide a copy of such notice to each Lender) of any proposal to establish an Incremental Commitment. The Borrower may also, but is not required to, specify any fees offered to those Lenders (the “Increasing Lenders”) that agree to increase the principal amount of their Revolving Commitments and/or establish Incremental Term Loan Commitments, which fees may be variable based upon the amount by which any such Lender is willing to increase the principal amount of its Revolving Commitment and/or provide Incremental Term Loan Commitments, as applicable. Each Increasing

Lender shall as soon as practicable, and in any case within 15 days following receipt of such notice, specify in a written notice to the Borrower and the Administrative Agent the amount of such proposed Incremental Commitment that it is willing to provide. No Lender (or any successor thereto) shall have any obligation, express or implied, to offer to increase the aggregate principal amount of its Revolving Commitment and/or establish an Incremental Term Loan Commitment, and any decision by a Lender to increase its Revolving Commitment and/or establish an Incremental Term Loan Commitment shall be made in its sole discretion independently from any other Lender. Only the consent of each Increasing Lender shall be required for an increase in the aggregate principal amount of the Revolving Commitments and/or the Incremental Term Loan Commitments, as applicable, pursuant to this Section. No Lender which declines to increase the principal amount of its Revolving Commitment and/or establish Incremental Term Loan Commitments may be replaced with respect to its existing Revolving Commitment (and/or its existing Incremental Term Loans, if any), as a result thereof without such Lender's consent. If any Lender shall fail to notify the Borrower and the Administrative Agent in writing about whether it will increase its Revolving Commitment and/or establish an Incremental Term Loan Commitment within 15 days after receipt of such notice, such Lender shall be deemed to have declined the request. The Borrower may in its sole discretion accept some or all of the offered amounts, reject the offered amounts entirely (in which case the proposed Incremental Commitment shall be deemed withdrawn and of no force or effect) or designate new lenders that are acceptable to the Administrative Agent (such approval not to be unreasonably withheld) and otherwise permitted under Section 10.4(b) as additional Lenders hereunder in accordance with this Section (the "Additional Lenders"), which Additional Lenders may assume all or a portion of such Incremental Commitment. The Borrower and the Administrative Agent shall have discretion jointly to adjust the allocation of such Incremental Revolving Commitments and/or such Incremental Term Loans among the Increasing Lenders and the Additional Lenders. The sum of the increase in the Revolving Commitments and the amount of Incremental Term Loan Commitments established (or increased, as the case may be) by the Increasing Lenders plus the Revolving Commitments and the Incremental Term Loan Commitments of the Additional Lenders shall not in the aggregate exceed the unsubscribed amount of the Incremental Commitment Amount.

(c) Subject to subsections (a) and (b) of this Section, any increase requested by the Borrower shall be effective upon delivery to the Administrative Agent of each of the following documents:

(i) an originally executed copy of an instrument of joinder, in form and substance reasonably acceptable to the Administrative Agent, executed by the Borrower, by each Additional Lender and by each Increasing Lender, setting forth the new Revolving Commitments and/or new Incremental Term Loan Commitments, as applicable, of such Lenders and setting forth the agreement of each Additional Lender to become a party to this Agreement and to be bound by all of the terms and provisions hereof;

(ii) such evidence of appropriate corporate authorization on the part of the Borrower with respect to such Incremental Commitment and such opinions of counsel for the Borrower with respect to such Incremental Commitment as the Administrative Agent may reasonably request;

(iii) a certificate of the Borrower signed by a Responsible Officer, in form and substance reasonably acceptable to the Administrative Agent, certifying that each of the conditions in subsection (a) of this Section has been satisfied and each of the conditions set forth in Section 3.2 have been satisfied;

(iv) to the extent requested by any Additional Lender or any Increasing Lender, executed promissory notes evidencing such Incremental Revolving Commitments and/or such Incremental Term Loans, issued by the Borrower in accordance with Section 2.10; and

(v) any other certificates or documents that the Administrative Agent shall reasonably request, in form and substance reasonably satisfactory to the Administrative Agent.

Upon the effectiveness of any such Incremental Commitment, the Commitments and Pro Rata Share of each Lender will be adjusted to give effect to the Incremental Revolving Commitments and/or the Incremental Term Loans, as applicable, and Schedule II shall automatically be deemed amended accordingly.

(d) All terms (including, without limitation, maturity, amortization, pricing, prepayment, etc.) of any Incremental Term Loans shall be as set forth in a separate incremental agreement among the Borrower, the Lenders providing such Incremental Term Loans and the Administrative Agent, the execution and delivery of which incremental agreement shall be a condition to the effectiveness of the Incremental Term Loans. If the Borrower incurs Incremental Revolving Commitments under this Section, the Borrower shall, after such time, repay and incur Revolving Loans ratably as between the Incremental Revolving Commitments and the Revolving Commitments outstanding immediately prior to such incurrence. Notwithstanding anything to the contrary in Section 10.2, the Administrative Agent is expressly permitted to amend the Loan Documents to the extent necessary to give effect to any increase pursuant to this Section and mechanical changes necessary or advisable in connection therewith (including amendments to implement the requirements in this Section 2.23(d), amendments to ensure *pro rata* allocations of Eurodollar Loans and Base Rate Loans between Loans incurred pursuant to this Section and Loans outstanding immediately prior to any such incurrence and amendments to implement ratable participation in Letters of Credit).

(e) For purposes of this Section, the following terms shall have the meanings specified below:

(i) “Initial Yield” shall mean, with respect to Incremental Term Loans, the amount (as determined by the Administrative Agent) equal to the sum of (A) the margin above the Adjusted LIBO Rate on such Incremental Term Loans (including as margin the effect of any “LIBO rate floor” applicable on the date of the calculation), plus (B) (x) the amount of any Up-Front Fees on such Incremental Term Loans (including any fee or discount received by the Lenders in connection with the initial extension thereof), divided by (y) the lesser of (I) the Weighted Average Life to Maturity of such Incremental Term Loans and (II) four.

(ii) “Up-Front Fees” shall mean the amount of any fees or discounts received by the Lenders in connection with the making of Loans or extensions of credit, expressed as a percentage of such Loan or extension of credit. For the avoidance of doubt, “Up-Front Fees” shall not include any arrangement fee paid to the arranger(s) thereof.

(iii) “Weighted Average Life to Maturity” shall mean, when applied to any Indebtedness at any date, the number of years obtained by dividing (i) the sum of the products obtained by multiplying (x) the amount of each then remaining installment, sinking fund, serial maturity or other required payments of principal, including payment at final maturity, in respect thereof, by (y) the number of years (calculated to the nearest one-twelfth) that will elapse between

such date and the making of such payment by (ii) the then outstanding principal amount of such Indebtedness.

Section 2.24 Mitigation of Obligations. If any Lender requests compensation under Section 2.18, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the sole judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable under Section 2.18 or Section 2.20, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all costs and expenses incurred by any Lender in connection with such designation or assignment.

Section 2.25 Replacement of Lenders. If (a) any Lender requests compensation under Section 2.18, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20, (b) any Lender is a Defaulting Lender, or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 10.2(b), the consent of Required Lenders shall have been obtained but the consent of one or more of such other Lenders (each a “NonConsenting Lender”) whose consent is required shall not have been obtained, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions set forth in Section 10.4(b)), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.18 or 2.20, as applicable) and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender) (a “Replacement Lender”); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not be unreasonably withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal amount of all Loans owed to it, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (in the case of such outstanding principal and accrued interest) and from the Borrower (in the case of all other amounts), (iii) in the case of a claim for compensation under Section 2.18 or payments required to be made pursuant to Section 2.20, such assignment will result in a reduction in such compensation or payments, and (iv) in the case of a NonConsenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such terminated Lender was a NonConsenting Lender. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.26 Defaulting Lenders.

(a) Cash Collateral

(i) At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent or the applicable Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize such Issuing Bank’s LC Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.26(b)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than 105% of such Issuing Bank’s LC Exposure with respect to such Defaulting Lender.

(ii) The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of each Issuing Bank, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (iii) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the applicable Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than the minimum amount required pursuant to clause (i) above, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(iii) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.26(a) or Section 2.26(b) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit or LC Disbursements (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iv) Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's LC Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.26(a) following (A) the elimination of the applicable LC Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and such Issuing Bank that there exists excess Cash Collateral; provided that, subject to Section 2.26(b) through (d) the Person providing Cash Collateral and the applicable Issuing Bank may agree that Cash Collateral shall be held to support future anticipated LC Exposure or other obligations and provided further that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

(b) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and in Section 10.2.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.7 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Banks or Swingline Lender hereunder; third, to Cash Collateralize each Issuing Bank's LC Exposure with respect to such Defaulting Lender in accordance with Section 2.26(a); fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such

Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.26(a); sixth, to the payment of any amounts owing to the Lenders, the Issuing Banks or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Bank or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments under the applicable Facility without giving effect to sub-section (iv) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.26(b)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) (A) No Defaulting Lender shall be entitled to receive any Commitment Fee pursuant to Section 2.14(b) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive letter of credit fees pursuant to Section 2.14(c) for any period during which that Lender is a Defaulting Lender only to the extent allocable to that portion of its LC Exposure for which it has provided Cash Collateral pursuant to Section 2.26(a).

(C) With respect to any letter of credit fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank and Swingline Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's LC Exposure or Swingline Lender's Swingline Exposure with respect to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) All or any part of such Defaulting Lender's participation in Letters of Credit and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares of the Revolving Commitments (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that (x) the conditions set forth in Section 3.2 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 10.18, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swingline Loans in an amount equal to the Swingline Lender's Swingline Exposure with respect to such Defaulting Lender and (y) second, Cash Collateralize the Issuing Banks' LC Exposure with respect to such Defaulting Lender in accordance with the procedures set forth in Section 2.26(a).

(c) Defaulting Lender Cure. If the Borrower, the Administrative Agent, Swingline Lender and the Issuing Banks agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with the applicable Commitments (without giving effect to Section 2.26(b)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(d) New Swingline Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Swingline Exposure after giving effect to such Swingline Loan and (ii) no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no LC Exposure after giving effect thereto.

ARTICLE III

CONDITIONS PRECEDENT TO LOANS AND LETTERS OF CREDIT

Section 3.1 Conditions to Effectiveness. The obligations of the Lenders (including the Swingline Lender) to make Loans and the obligation of the Issuing Banks to issue any Letters of Credit

hereunder shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 10.2):

(a) The Administrative Agent shall have received payment of all fees, expenses and other amounts due and payable on or prior to the Closing Date, including, without limitation, all fees payable pursuant to the Fee Letter and reimbursement or payment of all out-of-pocket expenses of the Administrative Agent, Truist Securities, Inc. and their Affiliates (including reasonable fees, charges and disbursements of counsel to the Administrative Agent) required to be reimbursed or paid by the Borrower hereunder, under any other Loan Document and under any agreement with the Administrative Agent or the Arrangers.

(iv) a favorable written opinion of (A) Tin Kin Lee Law Offices, counsel to the Loan Parties, addressed to the Administrative Agent, each Issuing Bank and each of the Lenders, and covering such matters relating to the Loan Parties, the Loan Documents and the transactions contemplated therein as the Administrative Agent shall reasonably request (which opinions will expressly permit reliance by permitted successors and assigns of the Administrative Agent, the Issuing Banks and the Lenders) and (B) Bryan Cave LLP, addressed to the Administrative Agent, each Issuing Bank and each of the Lenders, and covering certain matters relating to the Investment Company Act of 1940;

(v) a certificate in the form of Exhibit 3.1(b)(v), dated the Closing Date and signed by a Responsible Officer, certifying that after giving effect to the funding of the initial Revolving Borrowing, (x) no Default or Event of Default exists, (y) all representations and warranties of each Loan Party set forth in the Loan Documents are true and correct and (z) since the

date of the financial statements of the Borrower described in Section 4.4, there shall have been no change which has had or could reasonably be expected to have a Material Adverse Effect;

(vi) a duly executed Notice of Borrowing for the initial Revolving Borrowing, together with a report setting forth the sources and uses of the proceeds thereof;

(vii) certified copies of all consents, approvals, authorizations, registrations and filings and orders required or advisable to be made or obtained under any Requirement of Law, or by any Contractual Obligation of any Loan Party in connection with the execution, delivery, performance, validity and enforceability of the Loan Documents and (to the extent applicable) APC 2019 Transaction Documents or any of the transactions contemplated thereby, and such consents, approvals, authorizations, registrations, filings and orders shall be in full force and effect and all applicable waiting periods shall have expired, and no investigation or inquiry by any governmental authority regarding the Commitments or any transaction being financed with the proceeds thereof shall be ongoing;

(viii) copies of the Historical Financial Statements;

(ix) financial projections of the Borrower and its Subsidiaries (to be made on a *pro forma* basis after giving effect to the consummation of the Related Transactions) for the Fiscal Year ending December 31, 2022 and for each Fiscal Year ending thereafter through the Fiscal Year ending December 31, 2025;

(x) [reserved];

(xi) a certificate, dated the Closing Date and signed by the chief financial officer of each Loan Party, confirming that each Loan Party is Solvent before and after giving effect to the funding of the initial Revolving Borrowing and the consummation of the transactions contemplated to occur on the Closing Date;

(xii) (A) copies of favorable UCC, tax, judgment and fixture lien search reports in all necessary or appropriate jurisdictions and under all legal and trade names of the Loan Parties and their Subsidiaries and the Material Associated Practices, as requested by the Administrative Agent, indicating that there are no prior Liens on any of the Collateral other than Permitted Encumbrances and Liens to be released on the Closing Date and (B) a Perfection Certificate, duly completed and executed by the Borrower;

(xiii) a counterpart of the Reaffirmation Agreement and Master Amendment dated the Closing Date, duly executed by each Loan Party (the "Reaffirmation Agreement");

(xiv) at least five (5) days prior to the date of this Agreement, all documentation and other information required by bank regulatory authorities or reasonably requested by the Administrative Agent or any Lender under or in respect of applicable "know your customer" and anti-money laundering legal requirements including the Patriot Act and, if the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, a Beneficial Ownership Certification in relation to Borrower;

(xv) certified copies of all Material Agreements (including, for the avoidance of doubt, the Associated Practice Documents); and

(xvi) subject to Section 5.17, certificates of insurance, in form and detail acceptable to the Administrative Agent, describing the types and amounts of insurance (property and liability) maintained by any of the Loan Parties, in each case naming the Administrative Agent as loss payee or additional insured, as the case may be, together with a lender's loss payable endorsement in form and substance satisfactory to the Administrative Agent.

Without limiting the generality of the provisions of this Section, for purposes of determining compliance with the conditions specified in this Section, each Lender that has signed this Agreement shall be deemed to have consented to, approved of, accepted or been satisfied with each document or other matter required thereunder to be consented to, approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 3.2 Conditions to Each Credit Event. The obligation of each Lender to make a Loan on the occasion of any Borrowing and of each Issuing Bank to issue, amend, renew or extend any Letter of Credit is subject to Section 2.26(c) and the satisfaction of the following conditions:

(a) at the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Event of Default shall exist;

(b) at the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, all representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (other than those representations and warranties that are expressly qualified by a Material Adverse Effect or other materiality, in which case such representations and warranties shall be true and correct in all respects);

(c) since the date of the most recent financial statements delivered by the Borrower pursuant to Section 5.1(a), there shall have been no change which has had or could reasonably be expected to have a Material Adverse Effect;

(d) the Borrower shall have delivered the required Notice of Borrowing together with a report setting forth the sources and uses of the proceeds hereof (if applicable);

(e) the Borrower shall be in compliance on a pro forma basis with each of the covenants set forth in Article VI, measuring Consolidated Total Net Debt for purposes of Section 6.1 as of the date of any such Borrowing (or issuance, amendment, renewal or extension, as the case may be) and otherwise recomputing the covenants set forth in Article VI as of the last day of the most recently ended Fiscal Quarter for which financial statements are required to have been delivered pursuant to Section 5.1(b) as if such Borrowing (or issuance, amendment, renewal or extension, as the case may be) had occurred; and

(f) the Administrative Agent shall have received such other documents, certificates, information or legal opinions as the Administrative Agent or the Required Lenders may reasonably request, all in form and substance reasonably satisfactory to the Administrative Agent or the Required Lenders.

Each Borrowing and each issuance, amendment, renewal or extension of any Letter of Credit shall be deemed to constitute a representation and warranty by the Borrower on the date thereof as to the matters specified in subsections (a), (b) and (c) of this Section.

Section 3.3 Delivery of Documents. All of the Loan Documents, certificates, legal opinions and other documents and papers referred to in this Article, unless otherwise specified, shall be delivered to the Administrative Agent for the account of each of the Lenders and in sufficient counterparts or copies for each of the Lenders and shall be in form and substance satisfactory in all respects to the Administrative Agent.

Section 3.4 Effect of Amendment and Restatement. The parties hereto agree that, upon this Agreement becoming effective pursuant to Section 3.1, the following shall be deemed to occur or exist automatically, without further action by any party hereto or otherwise: (i) the Existing Credit Agreement shall be deemed to be amended and restated in its entirety pursuant to this Agreement; (ii) (A) all outstanding "Revolving Loans" (as such term is defined in the Existing Credit Agreement), if any, shall be repaid in full, (B) each outstanding "Letter of Credit" (as such term is defined in the Existing Credit Agreement), if any, shall be deemed to be a Letter of Credit issued and outstanding hereunder and (C) all outstanding "Term Loans" (as such term is defined in the Existing Credit Agreement) shall be repaid in full with proceeds of a Revolving Loan to be made on the Closing Date; (iii) all terms and conditions of the Existing Credit Agreement and any other "Loan Document" as defined therein, as amended and restated by this Agreement and the other Loan Documents being executed and delivered on the Closing Date, shall be and remain in full force and effect, as so amended and restated, and shall constitute the legal, valid, binding and enforceable obligations of the Loan Parties to the Lenders and the Administrative Agent; and (iv) all indemnification obligations of the Loan Parties under the Existing Credit Agreement and any other "Loan Document" as defined therein shall survive the execution and delivery of this Agreement and shall continue in full force and effect for the benefit of the Lenders, the Administrative Agent, and any other Person indemnified under the Existing Credit Agreement or such other Loan Document at any time prior to the Closing Date. This Agreement shall not in any way release or impair the rights, duties, Obligations or Liens created pursuant to the Existing Credit Agreement or any other "Loan Document" as defined therein or affect the relative priorities of such Liens, in each case to the extent in force and effect thereunder as of the Closing Date, except as modified hereby or by documents, instruments and agreements executed and delivered in connection herewith, and all of such rights, duties, Obligations and Liens are assumed, ratified and affirmed by the Borrower. The execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of the Existing Lenders or the Administrative Agent under the Existing Credit Agreement, nor constitute a waiver of any covenant, agreement or obligation under the Existing Credit Agreement, except to the extent that any such covenant, agreement or obligation is no longer set forth herein or is modified hereby.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants, both before and after giving effect to the Related Transactions, to the Administrative Agent, each Lender and each Issuing Bank as follows (provided, however, that any representation and warranty made with respect to any Associated Practice by the Borrower pursuant to this Article IV shall be deemed to be made subject to the Knowledge of the Borrower and it being further acknowledged and agreed that each such representation and warranty is made (i) only to the extent that there is an express reference to an Associated Practice in such representation and warranty and (ii) by the Borrower and not any Associated Practice):

Section 4.1 Existence; Power. The Borrower, each of its Subsidiaries and each Associated Practice (i) is duly organized, validly existing and in good standing as a corporation, partnership or limited liability company under the laws of the jurisdiction of its organization, (ii) has all requisite power and authority to carry on its business as now conducted and (iii) is duly qualified to do business, and is in good standing, in each jurisdiction where such qualification is required, except where a failure to be so qualified could not reasonably be expected to result in a Material Adverse Effect. The Borrower and each of its Subsidiaries has all requisite power and authority to execute, deliver and perform its obligations under the Loan Documents to which it is a party.

Section 4.2 Organizational Power; Authorization. The execution, delivery and performance by each Loan Party of the Loan Documents and the other Related Transaction Documents to which it is a party are within such Loan Party's organizational powers and have been duly authorized by all necessary organizational and, if required, shareholder, partner or member action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document and Related Transaction Document to which any Loan Party is a party, when executed and delivered by such Loan Party, will constitute, valid and binding obligations of the Borrower or such Loan Party (as the case may be), enforceable against it in accordance with their respective terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

Section 4.3 Governmental Approvals; No Conflicts. The execution, delivery and performance by each Loan Party of the Loan Documents and the other Related Transaction Documents to which it is a party (a) do not require any consent or approval of, registration or filing with, or any action by, any Governmental Authority, except those as have been obtained or made and are in full force and effect and except for filings necessary to perfect or maintain perfection of the Liens created under the Loan Documents, (b) will not violate any Requirement of Law applicable to the Borrower or any of its Subsidiaries or any judgment, order or ruling of any Governmental Authority, (c) will not violate or result in a default under any Contractual Obligation of the Borrower or any of its Subsidiaries or any of its assets or give rise to a right thereunder to require any payment to be made by the Borrower or any of its Subsidiaries and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any of its Subsidiaries, except Liens (if any) created under the Loan Documents. Each of the Borrower's, its Subsidiaries' and Associated Practices' employees and contractors providing professional medical services to patients is, and has at all times been, while servicing in such capacity under employment of or contract with the Borrower, any other Loan Party or any Associated Practices, (i) duly licensed and certified (as and where required) by each regulatory body having jurisdiction over services rendered by such Person and (ii) eligible (as and where required) to participate in Third Party Payor Programs, except to the extent that such failure to be licensed, certified or eligible, as the case may be, would not reasonably be expected to have a Material Adverse Effect, either individually or in the aggregate.

Section 4.4 Financial Statements. The Borrower has furnished the Historical Financial Statements to the Administrative Agent. The Historical Financial Statements fairly present the consolidated financial condition of the Borrower and its Subsidiaries as of such dates and the consolidated results of operations for such periods in conformity with GAAP consistently applied, subject to year-end audit adjustments and the absence of footnotes in the case of the quarterly statements. Since December 31, 2020, there have been no changes with respect to the Borrower and its Subsidiaries which have had or could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

Section 4.5 Litigation and Environmental Matters.

(a) No litigation, investigation or proceeding of or before any arbitrators or Governmental Authorities is pending against or, to the Knowledge of the Borrower, threatened against or affecting the Borrower, any of its Subsidiaries or any Associated Practice (i) as to which there is a reasonable possibility of an adverse determination that could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect or (ii) which in any manner draws into question the validity or enforceability of this Agreement or any other Loan Document or Related Transaction Document.

(b) Except for the matters set forth on Schedule 4.5, none of the Borrower, any of its Subsidiaries or any Associated Practice (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability.

Section 4.6 Compliance with Laws and Agreements. The Borrower, each of its Subsidiaries and each Associated Practice is in compliance with (a) all Requirements of Law and all judgments, decrees and orders of any Governmental Authority and (b) all indentures, agreements or other instruments binding upon it or its properties, except where non-compliance, either individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 4.7 Investment Company Act. Neither the Borrower nor any of its Subsidiaries is (a) an “investment company” or is “controlled” by an “investment company”, as such terms are defined in, or subject to regulation under, the Investment Company Act of 1940, as amended and in effect from time to time, or (b) other than in the case of any Regulated Entity, otherwise subject to any other regulatory scheme limiting its ability to borrow money or requiring any approval or consent from, or registration or filing with, any Governmental Authority in connection therewith.

Section 4.8 Taxes. The Borrower, its Subsidiaries, the Associated Practices and each other Person for whose taxes the Borrower, any of its Subsidiaries or any Associated Practice could become liable have timely filed or caused to be filed all Federal income tax returns and all other material tax returns that are required to be filed by them, and have paid all taxes shown to be due and payable on such returns or on any assessments made against it or its property and all other taxes, fees or other charges imposed on it or any of its property by any Governmental Authority, except where the same are currently being contested in good faith by appropriate proceedings and for which the Borrower, such Subsidiary or such Associated Practice, as the case may be, has set aside on its books adequate reserves in accordance with GAAP. The charges, accruals and reserves on the books of the Borrower, its Subsidiaries and the Associated Practices in respect of such taxes are adequate, and no tax liabilities that could be materially in excess of the amount so provided are anticipated.

Section 4.9 Margin Regulations. None of the proceeds of any of the Loans or Letters of Credit will be used, directly or indirectly, for “purchasing” or “carrying” any “margin stock” within the respective meanings of each of such terms under Regulation U or for any purpose that violates the provisions of Regulation T, Regulation U or Regulation X. Neither the Borrower nor any of its Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying “margin stock”.

Section 4.10 ERISA. Each Plan is in substantial compliance in form and operation with its terms and with ERISA and the Code (including, without limitation, the Code provisions compliance with which is necessary for any intended favorable tax treatment) and all other applicable laws and regulations.

Each Plan (and each related trust, if any) which is intended to be qualified under Section 401(a) of the Code has received a favorable determination letter from the IRS to the effect that it meets the requirements of Sections 401(a) and 501(a) of the Code covering all applicable tax law changes, or is comprised of a master or prototype plan that has received a favorable opinion letter from the IRS, and nothing has occurred since the date of such determination that would adversely affect such determination (or, in the case of a Plan with no determination, nothing has occurred that would adversely affect the issuance of a favorable determination letter or otherwise adversely affect such qualification). No ERISA Event has occurred or is reasonably expected to occur. There exists no Unfunded Pension Liability with respect to any Plan. None of the Borrower, any of its Subsidiaries or any ERISA Affiliate is making or accruing an obligation to make contributions, or has, within any of the five calendar years immediately preceding the date this assurance is given or deemed given, made or accrued an obligation to make, contributions to any Multiemployer Plan. There are no actions, suits or claims pending against or involving a Plan (other than routine claims for benefits) or, to the Knowledge of the Borrower, any of its Subsidiaries or any ERISA Affiliate, threatened, which would reasonably be expected to be asserted successfully against any Plan and, if so asserted successfully, would reasonably be expected either singly or in the aggregate to result in liability to the Borrower or any of its Subsidiaries. The Borrower, each of its Subsidiaries and each ERISA Affiliate have made all contributions to or under each Plan and Multiemployer Plan required by law within the applicable time limits prescribed thereby, by the terms of such Plan or Multiemployer Plan, respectively, or by any contract or agreement requiring contributions to a Plan or Multiemployer Plan. No Plan which is subject to Section 412 of the Code or Section 302 of ERISA has applied for or received an extension of any amortization period within the meaning of Section 412 of the Code or Section 303 or 304 of ERISA. None of the Borrower, any of its Subsidiaries or any ERISA Affiliate have ceased operations at a facility so as to become subject to the provisions of Section 4068(a) of ERISA, withdrawn as a substantial employer so as to become subject to the provisions of Section 4063 of ERISA or ceased making contributions to any Plan subject to Section 4064(a) of ERISA to which it made contributions. (a) In the event that, subsequent to the Closing Date, any Person becomes a Subsidiary (other than an Excluded Subsidiary), whether pursuant to formation, Acquisition or otherwise, (x) the Borrower shall promptly notify the Administrative Agent and the Lenders thereof and (y) within 30 days after such Person becomes a Subsidiary, the Borrower shall cause such Subsidiary (i) to become a new Guarantor and to grant Liens in favor of the Administrative Agent in all of its personal property by executing and delivering to the Administrative Agent a supplement to the Guaranty and Security Agreement in form and substance reasonably satisfactory to the Administrative Agent, executing and delivering a Copyright Security Agreement, Patent Security Agreement and Trademark Security Agreement, as applicable, and authorizing and delivering, at the request of the Administrative Agent, such UCC financing statements or similar instruments required by the Administrative Agent to perfect the Liens in favor of the Administrative Agent and granted under any of the Loan Documents, (ii) to grant Liens in favor of the Administrative Agent in all fee ownership interests in all Real Estate with a fair market value in excess of \$7,500,000 by executing and delivering to the Administrative Agent such Real Estate Documents as the Administrative Agent shall require, and (iii) to deliver all such other documentation (including, without limitation, certified organizational documents, resolutions, lien searches, title insurance policies, surveys, environmental reports and legal opinions) and to take all such other actions as such Subsidiary would have been required to deliver and take pursuant to Section 3.1 if

such Subsidiary had been a Loan Party on the Closing Date or that such Subsidiary would be required to deliver pursuant to Section 5.13 with respect to any Real Estate. In addition, within 45 days after the date any Person becomes a Subsidiary, the Borrower shall, or shall cause the applicable Loan Party to (i) pledge all of the Capital Stock of such Subsidiary to the Administrative Agent as security for the Obligations by executing and delivering a supplement to the Guaranty and Security Agreement in form and substance satisfactory to the Administrative Agent, and (ii) deliver the original certificates evidencing such pledged Capital Stock to the Administrative Agent, together with appropriate powers executed in blank.

(b) If, at any time and from time to time after the Closing Date, Subsidiaries that are not Guarantors solely because they do not meet the thresholds set forth in the definition of "Immaterial Subsidiary" comprise in the aggregate more than 5.0% of Consolidated Total Assets or more than 5.0% of Consolidated EBITDA, in each case, as of the end of the most recently ended Fiscal Quarter for which financial statements have been delivered (or were required to be delivered) pursuant to Section 5.1(b), then the Borrower shall, not later than five (5) Business Days after the date by which financial statements for such Fiscal Quarter are required to be delivered pursuant to this Agreement (or such longer period as the Administrative Agent may agree in its reasonable discretion), (i) designate in writing to the Administrative Agent one or more of such Subsidiaries as no longer being an "Immaterial Subsidiary" (to the extent that, as a result of such designation, the remaining Immaterial Subsidiaries constitute less than each of the thresholds set forth in this subsection (d) in the aggregate) and (ii) comply with the provisions of subsection (a) of this Section applicable to each such Subsidiary (subject to the time periods set forth in this Section 5.12 which shall run from the date that any Subsidiary is so designated as no longer being an Immaterial Subsidiary hereunder).

(c) The Borrower agrees that, following the delivery of any Collateral Documents required to be executed and delivered by this Section, the Administrative Agent shall have a valid and enforceable, first priority perfected Lien on the property required to be pledged pursuant to subsections (a) and (b) of this Section (to the extent that such Lien can be perfected by execution, delivery and/or recording of the Collateral Documents or UCC financing statements, or possession of such Collateral), free and clear of all Liens other than Liens expressly permitted by Section 7.2. All actions to be taken pursuant to this Section shall be at the expense of the Borrower or the applicable Loan Party, and shall be taken to the reasonable satisfaction of the Administrative Agent.

Section 5.13 Additional Real Estate; Leased Locations.

(a) To the extent otherwise permitted hereunder, if any Loan Party proposes to acquire a fee ownership interest in Real Estate after the Closing Date having a fair market value in excess of \$7,500,000 as of the date of the acquisition thereof, it shall at the time of such acquisition provide to the Administrative Agent Real Estate Documents in regard to such Real Estate.

Section 5.14 Further Assurances. The Borrower will, and will cause each other Loan Party to, execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, Mortgages and other documents), which may be required under any applicable law, or which the Administrative Agent or the Required Lenders may reasonably request, to effectuate the transactions contemplated by the Loan Documents or to grant, preserve, protect or perfect the Liens created by the Collateral Documents or the validity or priority of any such Lien, all at the expense of the Loan Parties. The Borrower also agrees to provide to the Administrative Agent, from time to time upon request, evidence reasonably satisfactory

to the Administrative Agent as to the perfection and priority of the Liens created or intended to be created by the Collateral Documents.

Section 5.15 Healthcare Matters. The Borrower will, and will cause each of its Subsidiaries to (and, to the extent permitted by applicable law, cause the Associated Practices to), (i) comply in all material respects with all applicable Healthcare Laws relating to the operation of its business, (ii) obtain, maintain and timely renew all material Healthcare Permits required in the proper conduct of its business, (iii) keep and maintain all records required to be maintained by any Governmental Authority or under any Healthcare Law, and (iv) maintain a corporate and health care regulatory compliance program that addresses the requirements of Healthcare Laws, except where the failure to comply, obtain, keep and maintain could not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

Section 5.16 Associated Practice Documents.

(a) The Borrower will, and will cause each of its Subsidiaries to, enforce all of its rights under each Associated Practice Document, in each case, where the failure to do so could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, subject to limitations, in the reasonable judgment of Borrower, in consultation with its healthcare counsel, under applicable laws; provided that any management fees payable under any Associated Practice Document may be subordinated and/or the payment of such management fees may be deferred, in each case, to the extent that the Borrower in good faith deems it advisable in order to satisfy any regulation by any Governmental Authority having jurisdiction over the parties to such Associated Practice Document.

(b) The Borrower will, and will cause each of its Subsidiaries to, deliver and collaterally assign to the Administrative Agent each Associated Practice Document entered into after the Closing Date, for the benefit of the Secured Parties, pursuant to a Collateral Assignment, subject to any limitations under applicable law, to be delivered to the Administrative Agent within 21 days after the applicable Associated Practice Document is entered into.

Section 5.17 Post-Closing Obligations. The Borrower shall satisfy the requirements set forth on Schedule 5.17 and deliver to the Administrative Agent satisfactory evidence of the same, on or before the date specified for such requirement (or such later date as may be agreed in writing to by the Administrative Agent in its sole discretion).

- (d) Restricted Payments in an amount not to exceed \$20,000,000 so long as (i) before and after giving effect to any such Restricted Payment, no Default or Event of Default has occurred and is continuing and (ii) the Borrower shall have delivered to the Administrative Agent a *pro forma* Compliance Certificate signed by a Responsible Officer demonstrating that on a pro forma basis after giving effect to any such Restricted Payment, the Borrower is in compliance with each of the covenants set forth in Article VI, measuring Consolidated Total Net Debt for purposes of Section 6.1 as of the date of any such Restricted Payment and otherwise recomputing the covenants set forth in Article VI as of the last day of the most recently ended Fiscal Quarter for which financial statements are required to have been delivered pursuant to Section 5.1(b) as if such Restricted Payment had occurred; and
- (e) other Restricted Payments so long as (i) before and after giving effect to any such Restricted Payment, no Default or Event of Default has occurred and is continuing and (ii) the Borrower has delivered to the Administrative Agent a *pro forma* Compliance Certificate signed by a Responsible Officer demonstrating that the Consolidated Total Net Leverage Ratio is less than 1.50:1.00, measuring Consolidated Total Net Debt for purposes thereof as of the date of any such Restricted Payment and otherwise recomputing such calculation of the Consolidated Total Net Leverage Ratio in accordance with Section 6.1 as of the last day of the most recently ended Fiscal Quarter for which financial statements are required to have been delivered pursuant to Section 5.1(b) as if such Restricted Payment had occurred.

Section 7.6 Sale of Assets. The Borrower will not, and will not permit any of its Subsidiaries to, convey, sell, lease, assign, transfer or otherwise dispose of any of its assets, business or property or, in the case of any Subsidiary, any shares of such Subsidiary's Capital Stock, in each case whether now owned or hereafter acquired, to any Person other than a Loan Party (or to qualify directors if required by applicable law), except:

Section 7.7 Transactions with Affiliates. The Borrower will not, and will not permit any of its Subsidiaries to, sell, lease or otherwise transfer any property or assets to, or purchase, lease or otherwise acquire any property or assets from, or otherwise engage in any other transactions with, any of its Affiliates, except:

- (a) in the ordinary course of business at prices and on terms and conditions not less favorable to the Borrower or such Subsidiary than could be obtained on an arm's-length basis from unrelated third parties;
- (b) transactions between or among the Borrower and any Subsidiary Loan Party not involving any other Affiliates;
- (c) any transactions approved or permitted by the Borrower's "Related Party Transaction Policy" so long as such transaction is at prices and on terms and conditions not less favorable to the Borrower or such Subsidiary than could be obtained on an arm's-length basis from unrelated third parties;

Section 7.9 Sale and Leaseback Transactions. The Borrower will not, and will not permit any of its Subsidiaries to, enter into any arrangement, directly or indirectly, whereby it shall sell or transfer any property, real or personal, used or useful in its business, whether now owned or hereinafter acquired, and thereafter rent or lease such property or other property that it intends to use for substantially the same purpose or purposes as the property sold or transferred.

Section 7.10 Hedging Transactions. The Borrower will not, and will not permit any of its Subsidiaries to, enter into any Hedging Transaction, other than Hedging Transactions entered into in the ordinary course of business to hedge or mitigate risks to which the Borrower or any of its Subsidiaries is exposed in the conduct of its business or the management of its liabilities. Solely for the avoidance of doubt, the Borrower acknowledges that a Hedging Transaction entered into for speculative purposes or of a speculative nature (which shall be deemed to include any Hedging Transaction under which the Borrower or any of its Subsidiaries is or may become obliged to make any payment (i) in connection with the purchase by any third party of any Capital Stock or any Indebtedness or (ii) as a result of changes in the market value of any Capital Stock or any Indebtedness) is not a Hedging Transaction entered into in the ordinary course of business to hedge or mitigate risks.

The Borrower will not, and will not permit any of its Subsidiaries to, amend, modify or waive any of its rights under (a) its certificate of incorporation, bylaws or other organizational documents, (b) any Material Agreements (other than (i) subject to the last sentence of this Section 7.11, the AP-AMH Loan Documents or any other similar documents in connection with a Future Approved Entity Investment and (ii) any agreements between a Regulated Entity and any Third Party Payor) or (c) any Associated Practice Documents between APC and a Loan Party or Alpha Care and a Loan Party (other than as may be required by applicable law) or (d) any other Associated Practice Documents that account for in excess of 10% of the total revenue of the Borrower and its Subsidiaries (other than as may be required by applicable law), in each case if the effect of such amendment, modification or waiver would have an adverse effect in any material respect on the Lenders, the Administrative Agent, the Borrower or any of its Subsidiaries; provided, that any management fees payable under any Associated Practice Document may be subordinated and/or the payment of such management fees may be deferred, in each case, to the extent deemed by the Borrower in good faith to be advisable in order to satisfy any regulation by any Governmental Authority having jurisdiction over the parties to such Associated Practice Document. The Borrower will not, and will not permit any of its Subsidiaries to, amend, modify or waive any of its rights under the AP-AMH Loan

Documents or any other similar documents in connection with a Future Approved Entity Investment other than to (A) increase the interest rate on any such loan or (B) extend the maturity date of any such loan.

Section 7.12 Associated Practice Documents

The Borrower will not, and will not permit any of its Subsidiaries to, enter into any Management Services Agreement with any Associated Practice after the Closing Date unless:

(a) Borrower shall have given Administrative Agent at least five (5) Business Days' prior written notice (or such lesser notice as Administrative Agent may agree in its sole discretion) of any Loan Party entering into such Management Services Agreement and Borrower shall have delivered to Administrative Agent a copy of the draft Management Services Agreement prior to its execution and delivery;

(b) the form of such Management Services Agreement shall be substantially similar to a form approved by Administrative Agent, which, in each case, shall provide that such Management Services Agreement is freely assignable or collaterally assignable to the Administrative Agent by such Loan Party, without any further consent of, or notice to, any other Person (including, without limitation, the Associated Practice party thereto); and

(c) such fully executed Management Services Agreement is delivered and collaterally assigned to Administrative Agent pursuant to a Collateral Assignment within fifteen (15) days following the execution of such Management Services Agreement.

Notwithstanding anything to the contrary in this Agreement, the Borrower and each other Loan Party shall be permitted to make such changes to the structure, contractual agreements, and other aspects of its relationship with any Associated Practice as it may deem in good faith in consultation with its healthcare counsel to be necessary to comply with applicable Requirements of Law or the Loan Documents.

Section 7.13 Accounting Changes. The Borrower will not, and will not permit any of its Subsidiaries to, make any significant change in accounting treatment or reporting practices, except as required by GAAP, or change the fiscal year of the Borrower or of any of its Subsidiaries, except to change the fiscal year of a Subsidiary to conform its fiscal year to that of the Borrower.

Section 7.14 Sanctions and Anti-Corruption Laws. The Borrower will not, and will not permit any Subsidiary to, request any Loan or Letter of Credit or, directly or indirectly, use the proceeds of any Loan or any Letter of Credit, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other Person (i) to fund any activities or business of or with any Person, or in any country or territory, that, at the time of such funding, is, or whose government is, the subject of Sanctions, (ii) in any other manner that would result in a violation of Sanctions by any Person (including any Person participating in the Loans or Letters of Credit, whether as an Arranger, the Administrative Agent, any Lender (including a Swingline Lender), any Issuing Bank, underwriter, advisor, investor or otherwise), or (iii) in furtherance of an offer, payment, promise to pay or authorization of the payment or giving of money or anything else of value to any Person in violation of applicable Anti-Corruption Laws.

Section 7.15 Lease Obligations. The Borrower will not, and will not permit any of its Subsidiaries to, create or suffer to exist any obligations for the payment under operating leases or agreements to lease (but excluding any obligations under leases required to be classified as capital leases under GAAP having a term of five years or more) which would cause the present value of the direct or

contingent liabilities of the Borrower and its Subsidiaries under such leases or agreements to lease, on a consolidated basis, to exceed \$15,000,000 in the aggregate in any Fiscal Year.

ARTICLE VIII

prepaid or redeemed (other than by a regularly scheduled required prepayment or redemption), purchased or defeased, or any offer to prepay, redeem, purchase or defease such Indebtedness shall be required to be made, in each case prior to the stated maturity thereof or (ii) there occurs under any Hedging Transaction an Early Termination Date (as defined in such Hedge Transaction) resulting from (A) any event of default under such Hedging Transaction as to which the Borrower or any of its Subsidiaries is the Defaulting Party (as defined in such Hedging Transaction) and the Hedge Termination Value owed by the Borrower or such Subsidiary as a result thereof is greater than the Threshold Amount or (B) any Termination Event (as so defined) under such Hedging Transaction as to which the Borrower or any Subsidiary is an Affected Party (as so defined) and the Hedge Termination Value owed by the Borrower or such Subsidiary as a result thereof is greater than the Threshold Amount and is not paid; or

(j) (i) an ERISA Event shall have occurred that, in the opinion of the Required Lenders, when taken together with other ERISA Events that have occurred, could reasonably be expected to result in liability to the Borrower and its Subsidiaries in an aggregate amount exceeding \$10,000,000, (ii) there is or arises an Unfunded Pension Liability (not taking into account Plans with negative Unfunded Pension Liability) in an aggregate amount exceeding \$10,000,000, or (iii) there is or arises any potential Withdrawal Liability in an aggregate amount exceeding \$10,000,000; or

(k) any judgment, order for the payment of money, writ, warrant of attachment or similar process involving an amount in excess of \$10,000,000 in the aggregate shall be rendered against the Borrower or any of its Subsidiaries, and either (i) enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (ii) there shall be a period of 45 consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; or

(m) a Change in Control shall occur or exist; or

(n) any provision of the Guaranty and Security Agreement or any other Loan Document shall for any reason cease to be valid and binding on, or enforceable against, any Loan Party, or any Loan Party shall so state in writing, or any Loan Party shall seek to terminate its obligation under the Guaranty and Security Agreement or any other Loan Document (other than the release of any guaranty or collateral to the extent permitted pursuant to Section 9.11); or

(p) there shall occur (i) any revocation, suspension, termination, rescission, non-renewal or forfeiture or any similar final administrative action with respect to one or more Healthcare Permits or Third Party Payor Programs that could reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect or (ii) the Borrower or any of its Subsidiaries shall be named in any action, fully or partially unsealed, in which the United States has affirmatively intervened, alleging violation of the federal False Claims Act or any other applicable law and, in connection with such action, the Borrower shall have offered, agreed or paid to, or received a final judgment requiring payment to, any Governmental Authority for payment of any fine, penalty or overpayment in excess of \$25,000,000; or

(q) the occurrence of an “Event of Default” (as defined in the AP-AMH Loan Documents); or

(r) (i) APC shall fail to make any dividend in cash in respect of the Series A Preferred Stock issued to AP-AMH on the Original Closing Date for any period of two consecutive fiscal quarters or (ii) AP-AMH shall fail to pay any cash interest payment to the Borrower, and such failure under either of clauses (i) or (ii) shall continue unremedied for a period of five (5) Business Days; or

Date that was permitted under the Existing Credit Agreement shall not reduce such \$50,000,000 threshold);

then, and in every such event (other than an event with respect to the Borrower described in subsection (g) or (h) of this Section) and at any time thereafter during the continuance of such event, the Administrative Agent may, and upon the written request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, whereupon the Commitment of each Lender shall terminate immediately, (ii) declare the principal of and any accrued interest on the Loans, and all other Obligations owing hereunder, to be, whereupon the same shall become, due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower, (iii) exercise all remedies contained in any other Loan Document, and (iv) exercise any other remedies available at law or in equity; provided that, if an Event of Default specified in either subsection (g) or (h) shall occur, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon, and all fees and all other Obligations shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

Section 8.2 Application of Proceeds from Collateral. All proceeds from each sale of, or other realization upon, all or any part of the Collateral by any Secured Party after an Event of Default arises shall be applied as follows:

- (a) first, to the reimbursable expenses of the Administrative Agent incurred in connection with such sale or other realization upon the Collateral, until the same shall have been paid in full;
- (b) second, to the fees, all amounts owed pursuant to Erroneous Payment Subrogation Rights, and other reimbursable expenses of the Administrative Agent, the Swingline Lender and the Issuing Banks then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;
- (c) third, to all reimbursable expenses, if any, of the Lenders then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;
- (d) fourth, to the fees and interest then due and payable under the terms of this Agreement, until the same shall have been paid in full;
- (e) fifth, to the aggregate outstanding principal amount of the Loans, the LC Exposure, the Bank Product Obligations and the Net Mark-to-Market Exposure of the Hedging Obligations that constitute Obligations, until the same shall have been paid in full, allocated *pro rata* among the Secured Parties based on their respective *pro rata* shares of the aggregate amount of such Loans, LC Exposure, Bank Product Obligations and Net Mark-to-Market Exposure of such Hedging Obligations;
- (f) sixth, to additional cash collateral for the aggregate amount of all outstanding Letters of Credit until the aggregate amount of all cash collateral held by the Administrative Agent pursuant to this Agreement is at least 105% of the LC Exposure after giving effect to the foregoing clause fifth; and

(g) seventh, to the extent any proceeds remain, to the Borrower or as otherwise provided by a court of competent jurisdiction.

All amounts allocated pursuant to the foregoing clauses third through fifth to the Lenders as a result of amounts owed to the Lenders under the Loan Documents shall be allocated among, and distributed to, the Lenders *pro rata* based on their respective Pro Rata Shares; provided that all amounts allocated to that portion of the LC Exposure comprised of the aggregate undrawn amount of all outstanding Letters of Credit pursuant to clauses fifth and sixth shall be distributed to the Administrative Agent, rather than to the Lenders, and held by the Administrative Agent in an account in the name of the Administrative Agent for the benefit of the Issuing Banks and the Lenders as cash collateral for the LC Exposure, such account to be administered in accordance with Section 2.22(g). All cash collateral for LC Exposure shall be applied to satisfy drawings under the Letters of Credit as they occur; if any amount remains on deposit on cash collateral after all letters of credit have either been fully drawn or expired, such remaining amount shall be applied to other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, (a) no amount received from any Guarantor (including any proceeds of any sale of, or other realization upon, all or any part of the Collateral owned by such Guarantor) shall be applied to any Excluded Swap Obligation of such Guarantor and (b) Bank Product Obligations and Hedging Obligations shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the Bank Product Provider or the Lender-Related Hedge Provider, as the case may be. Each Bank Product Provider or Lender-Related Hedge Provider that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX hereof for itself and its Affiliates as if a "Lender" party hereto.

ARTICLE IX

THE ADMINISTRATIVE AGENT

Section 9.1 Appointment of the Administrative Agent.

(a) Each Lender irrevocably appoints Truist Bank as the Administrative Agent and authorizes it to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent under this Agreement and the other Loan Documents, together with all such actions and powers that are reasonably incidental thereto. The Administrative Agent may perform any of its duties hereunder or under the other Loan Documents by or through any one or more sub-agents or attorneys-in-fact appointed by the Administrative Agent. The Administrative Agent and any such sub-agent or attorney-in-fact may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions set forth in this Article shall apply to any such sub-agent, attorney-in-fact or Related Party and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

(b) Each Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith until such time and except for so long as the Administrative Agent may agree at the request of the Required Lenders to act for such Issuing Bank with respect thereto; provided that such Issuing Bank shall have all the benefits and immunities (i) provided to the Administrative Agent in this Article with respect to any acts taken or omissions suffered by such

Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the application and agreements for letters of credit pertaining to the Letters of Credit as fully as if the term “Administrative Agent” as used in this Article included such Issuing Bank with respect to such acts or omissions and (ii) as additionally provided in this Agreement with respect to such Issuing Bank.

(c) It is understood and agreed that the use of the term “agent” herein or in any other Loan Document (or any similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties.

Section 9.2 Nature of Duties of the Administrative Agent . The Administrative Agent shall not have any duties or obligations except those expressly set forth in this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except those discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.2), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it, its sub-agents or its attorneys-in-fact with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.2) or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable judgment. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents or attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof (which notice shall include an express reference to such event being a “Default” or “Event of Default” hereunder) is given to the Administrative Agent by the Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, or other terms and conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article III or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent may consult with legal counsel (including counsel for the Borrower) concerning all matters pertaining to such duties.

Section 9.3 Lack of Reliance on the Administrative Agent. Each of the Lenders, the Swingline Lender and the Issuing Banks acknowledges that it has, independently and without reliance upon the Administrative Agent, any Issuing Bank or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each of the Lenders, the Swingline Lender and the Issuing Banks also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Issuing Bank or any other Lender and based on such documents and information as it has deemed appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking any action under or based on this Agreement, any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Each Lender represents and warrants to the Administrative Agent that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants to the Administrative Agent that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Each of the Lenders acknowledges and agrees that outside legal counsel to the Administrative Agent in connection with the preparation, negotiation, execution, delivery and administration (including any amendments, waivers and consents) of this Agreement and the other Loan Documents is acting solely as counsel to the Administrative Agent and is not acting as counsel to any Lender (other than the Administrative Agent and its Affiliates) in connection with this Agreement, the other Loan Documents or any of the transactions contemplated hereby or thereby.

Section 9.4 Certain Rights of the Administrative Agent. If the Administrative Agent shall request instructions from the Required Lenders with respect to any action or actions (including the failure to act) in connection with this Agreement, the Administrative Agent shall be entitled to refrain from such act or taking such act unless and until it shall have received instructions from such Lenders, and the Administrative Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder in accordance with the instructions of the Required Lenders where required by the terms of this Agreement.

Section 9.5 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, posting or other distribution) believed by it to be genuine and to have been signed, sent or made by the proper Person. The Administrative Agent may also rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or not taken by it in accordance with the advice of such counsel, accountants or experts.

Section 9.6 The Administrative Agent in its Individual Capacity. The bank serving as the Administrative Agent shall have the same rights and powers under this Agreement and any other Loan Document in its capacity as a Lender as any other Lender and may exercise or refrain from exercising the same as though it were not the Administrative Agent; and the terms “Lenders”, “Required Lenders”, “Required Revolving Lenders”, or any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity. The bank acting as the Administrative Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with the Borrower or any Subsidiary or Affiliate of the Borrower as if it were not the Administrative Agent hereunder.

Section 9.7 Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving notice thereof to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent, subject to approval by the Borrower provided that no Default or Event of Default shall exist at such time. If no successor Administrative Agent shall have been so appointed, and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a commercial bank organized under the laws of the United States or any state thereof or a bank which maintains an office in the United States. Any resignation by the Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuing Bank and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder: (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swingline Lender; (ii) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents; and (iii) the successor Issuing Lender shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

(b) Upon the acceptance of its appointment as the Administrative Agent hereunder by a successor, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. If, within 45 days after written notice is given of the retiring Administrative Agent's resignation under this Section, no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (i) the retiring Administrative Agent's resignation shall become effective, (ii) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (iii) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time as the Required Lenders appoint a successor Administrative Agent as provided above. After any retiring Administrative Agent's resignation hereunder, the provisions of this Article shall continue in effect for the benefit of such retiring Administrative Agent and its representatives and agents in respect of any actions taken or not taken by any of them while it was serving as the Administrative Agent.

(c) In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, and if any Default has arisen from a failure of the Borrower to comply with Section 2.26(b), then the Issuing Banks and the Swingline Lender may, upon prior written notice to the Borrower and the Administrative Agent, resign as an Issuing Bank or as Swingline Lender, as the case

may be, effective at the close of business Charlotte, North Carolina time on a date specified in such notice (which date may not be less than five (5) Business Days after the date of such notice).

Section 9.8 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the IRS or any authority of the United States or any other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered or was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

Section 9.9 The Administrative Agent May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or any Revolving Credit Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans or Revolving Credit Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and its agents and counsel and all other amounts due the Lenders, the Issuing Banks and the Administrative Agent under Section 10.3) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

(b) Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 10.3.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.10 Authorization to Execute Other Loan Documents. Each Lender hereby authorizes the Administrative Agent to execute on behalf of all Lenders all Loan Documents (including, without limitation, the Collateral Documents and any subordination agreements) other than this Agreement.

Section 9.11 Collateral and Guaranty Matters. The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon the termination of all Revolving Commitments, the Cash Collateralization of all reimbursement obligations with respect to Letters of Credit in an amount equal to 105% of the aggregate LC Exposure of all Lenders, and the payment in full of all Obligations (other than contingent indemnification obligations and such Cash Collateralized reimbursement obligations), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) if approved, authorized or ratified in writing in accordance with Section 10.2; and

(b) to release any Loan Party from its obligations under the applicable Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release its interest in particular types or items of property, or to release any Loan Party from its obligations under the applicable Collateral Documents pursuant to this Section. In each case as specified in this Section, the Administrative Agent is authorized, at the Borrower's expense, to execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the Liens granted under the applicable Collateral Documents, or to release such Loan Party from its obligations under the applicable Collateral Documents, in each case in accordance with the terms of the Loan Documents and this Section.

Section 9.12 No Other Duties; Designation of Additional Agents. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "co-syndication agent", "joint lead arranger" or "joint bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce the Collateral Documents, it being understood and agreed that all powers, rights and remedies hereunder and under the Collateral Documents may be exercised solely by the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or

payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent at such sale or other disposition.

Section 9.14 Secured Bank Product Obligations and Hedging Obligations. No Bank Product Provider or Lender-Related Hedge Provider that obtains the benefits of Section 8.2, the Collateral Documents or any Collateral by virtue of the provisions hereof or of any other Loan Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Bank Product Obligations and Hedging Obligations unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Bank Product Provider or Lender-Related Hedge Provider, as the case may be.

Section 9.15 Erroneous Payments(a) . If the Administrative Agent notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party such Lender or Issuing Bank (any such Lender, Issuing Bank, Secured Party or other recipient, a “Payment Recipient”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party such Lender or Issuing Bank, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment

or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.15(b).

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender or Issuing Bank that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “Erroneous Payment Return Deficiency”), upon the Administrative Agent’s notice to such Lender or Issuing Lender at any time, (i) such Lender or Issuing Bank shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the “Erroneous Payment Impacted Class”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the “Erroneous Payment Deficiency Assignment”) at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or Issuing Bank shall deliver any promissory notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuing Bank shall cease to be a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning Issuing Bank, and (iv) the

Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or Issuing Bank shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or Issuing Bank (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or Issuing Bank and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, Issuing Bank or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the “Erroneous Payment Subrogation Rights”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine.

Each party’s obligations, agreements and waivers under this Section 9.15 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

To any other Lender: the address set forth in the Administrative Questionnaire or the Assignment and Acceptance executed by such Lender

Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(ii) Any agreement of the Administrative Agent, any Issuing Bank or any Lender herein to receive certain notices by telephone or facsimile is solely for the convenience and at the request of the Borrower. The Administrative Agent, each Issuing Bank and each Lender shall be entitled to rely on the authority of any Person purporting to be a Person authorized by the Borrower to give such notice and the Administrative Agent, the Issuing Banks and the Lenders shall not have any liability to the Borrower or other Person on account of any action taken or not taken by the Administrative Agent, any Issuing Bank or any Lender in reliance upon such telephonic or facsimile notice. The obligation of the Borrower to repay the Loans and all other Obligations hereunder shall not be affected in any way or to any extent by any failure of the Administrative Agent, any Issuing Bank or any Lender to receive written confirmation of any telephonic or facsimile notice or the receipt by the Administrative Agent, any Issuing Bank or any Lender of a confirmation which is at variance with the terms understood by the Administrative Agent, such Issuing Bank and such Lender to be contained in any such telephonic or facsimile notice.

(b) Electronic Communications.

(i) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving, or is unwilling to receive, notices by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(ii) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement) and (B) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (A) of notification that such notice or communication is available and identifying the website address therefor; provided that, in the case of clauses (A) and (B) above, if such notice or other

communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(iii) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Banks and the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar electronic system.

(iv) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS IN THE COMMUNICATIONS (AS DEFINED BELOW) AND FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, any Issuing Bank or any other Person or entity for losses, claims, damages, liabilities or expenses of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses, whether or not based on strict liability (whether in tort, contract or otherwise), arising out of any Loan Party’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of the Administrative Agent or such Related Party; provided, however, that in no event shall the Administrative Agent or any Related Party have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, any Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages) arising out of any Loan Party’s or the Administrative Agent’s transmission of Communications. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Bank by means of electronic communications pursuant to this Section, including through the Platform.

(c) Telephonic Notices. Unless otherwise expressly provided herein, all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent or an Issuing Bank, to the address, facsimile number, electronic mail address or telephone number specified for such Person in Section 10.1(a) or to such other address, facsimile number, electronic mail address or telephone

number as shall be designated by such party in a notice to the other parties hereto, as provided in Section 10.1(d); and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

(d) All such notices and other communications sent to any party hereto in accordance with the provisions of this Agreement are made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, to the extent provided in clause (b) above and effective as provided in such clause; provided that notices and other communications to the Administrative Agent and an Issuing Bank pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(e) Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

Section 10.2 Waiver; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document, and no course of dealing between the Borrower and the Administrative Agent or any Lender, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power hereunder or thereunder. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies provided by law. No waiver of any provision of this Agreement or of any other Loan Document or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by subsection (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Except as otherwise provided in this Agreement, including, without limitation, as provided in Section 2.16 with respect to the implementation of a Benchmark Replacement Rate or Benchmark Conforming Changes (as set forth therein), no amendment or waiver of any provision of this Agreement or of the other Loan Documents (other than the Fee Letter), nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Borrower and the Required Lenders, or the Borrower and the Administrative Agent with the consent of the Required Lenders, and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that, subject to Section 2.16(b), in addition to the consent of the Required Lenders, no amendment, waiver or consent shall:

(i) increase the Commitment of any Lender without the written consent of such Lender;

(ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (it being agreed that the waiver of the Default Interest rate (or the imposition thereof) shall only require the consent of the Required Lenders), or reduce any fees or other amounts payable hereunder, without the written consent of each Lender affected thereby;

(iii) postpone the date fixed for any payment (other than any mandatory prepayment) of any principal of, or interest on, any Loan or LC Disbursement or any fees or other amounts hereunder or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date for the termination or reduction of any Commitment, without the written consent of each Lender affected thereby;

(iv) alter, change or have the effect of changing the priority or pro rata treatment or the order of application of any payments (including, without limitation, any repayments or prepayments) under this Agreement (including, without limitation, pursuant to Section 2.21(b) or c or Section 8.2) or under any other Loan Documents, Liens, proceeds of Collateral or reductions in Commitments (including as a result in whole or in part of allowing the issuance or incurrence, pursuant to this Agreement or otherwise, of new loans or other indebtedness having any priority over any of the Obligations in respect of payments, Liens, Collateral or proceeds of Collateral, in exchange for any Obligations or otherwise), without the written consent of each Lender;

(v) change any of the provisions of this subsection (b) or the definition of "Required Lenders" or "Required Revolving Lenders" or any other provision hereof specifying the number or percentage of Lenders which are required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the consent of each Lender;

(vi) release all or substantially all of the guarantors, or limit the liability of such guarantors, under any guaranty agreement guaranteeing any of the Obligations, without the written consent of each Lender;

(vii) release all or substantially all Collateral securing any of the Obligations, without the written consent of each Lender; or

(viii) subordinate the payment priority of the Obligations or subordinate the Liens granted to the Administrative Agent (for the benefit of the Secured Parties) in the Collateral, without the written consent of each Lender

provided, further, that no such amendment, waiver or consent shall amend, modify or otherwise affect the rights, duties or obligations of the Administrative Agent, the Swingline Lender or any Issuing Bank without the prior written consent of such Person.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended, and amounts payable to such Lender hereunder may not be permanently reduced, without the consent of such Lender (other than reductions in fees and interest in which such reduction does not disproportionately affect such Lender). Notwithstanding anything

contained herein to the contrary, this Agreement may be amended and restated without the consent of any Lender (but with the consent of the Borrower and the Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Commitments of such Lender shall have terminated (but such Lender shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 10.3), such Lender shall have no other commitment or other obligation hereunder and such Lender shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement. Notwithstanding anything herein or otherwise to the contrary, any Event of Default occurring hereunder shall continue to exist (and shall be deemed to be continuing) until such time as such Event of Default is waived in writing in accordance with the terms of this Section notwithstanding (i) any attempted cure or other action taken by the Borrower or any other Person subsequent to the occurrence of such Event of Default or (ii) any action taken or omitted to be taken by the Administrative Agent or any Lender prior to or subsequent to the occurrence of such Event of Default (other than the granting of a waiver in writing in accordance with the terms of this Section).

Notwithstanding anything to the contrary herein, the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement any Loan Document to cure any obvious ambiguity, omission, mistake, defect or inconsistency.

Section 10.3 Expenses; Indemnification.

(a) The Borrower shall pay (i) all reasonable, out-of-pocket costs and expenses of the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and its Affiliates, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers thereof (whether or not the transactions contemplated in this Agreement or any other Loan Document shall be consummated), including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and its Affiliates, (ii) all reasonable out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket costs and expenses (including, without limitation, the reasonable fees, charges and disbursements of outside counsel and the allocated cost of inside counsel) incurred by the Administrative Agent, any Issuing Bank or any Lender in connection with the enforcement or protection of its rights in connection with this Agreement, including its rights under this Section, or in connection with the Loans made or any Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender and each Issuing Bank, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution, delivery of this Agreement, any other Loan Document, any APC 2019 Transaction Document, any Associated Practice Documents or any agreement or instrument contemplated hereby or by any of the foregoing, the performance by the parties hereto, any Loan Party or any other Person of their respective obligations hereunder or under any of the foregoing or the consummation of the transactions

contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from (x) the gross negligence or willful misconduct of such Indemnitee, (y) a claim brought by the Borrower or any other Loan Party against an Indemnitee for a breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document or (z) disputes solely among Indemnitees, other than any claims arising out of or resulting from any act or omission on the part of the Borrower or its Affiliates.

(c) The Borrower shall pay, and hold the Administrative Agent, each Issuing Bank and each of the Lenders harmless from and against, any and all present and future stamp, documentary, and other similar taxes with respect to this Agreement and any other Loan Documents, any collateral described therein or any payments due thereunder, and save the Administrative Agent, each Issuing Bank and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission to pay such taxes.

(d) To the extent that the Borrower fails to pay any amount required to be paid to the Administrative Agent, any Issuing Bank or the Swingline Lender under subsection (a), (b) or (c) hereof, each Lender severally agrees to pay to the Administrative Agent, the applicable Issuing Bank or the Swingline Lender, as the case may be, such Lender's *pro rata* share (in accordance with its respective Revolving Commitment (or Revolving Credit Exposure, as applicable) and Incremental Term Loan determined as of the time that the unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified payment, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the applicable Issuing Bank or the Swingline Lender in its capacity as such.

(e) To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to actual or direct damages) arising out of, in connection with or as a result of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated therein, any Loan or any Letter of Credit or the use of proceeds thereof; provided that nothing in this clause (e) shall relieve the Borrower of any obligation it may have to indemnify any Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(f) All amounts due under this Section shall be payable promptly after written demand therefor.

Section 10.4 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments, Loans and other Revolving Credit Exposure at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments, Loans and other Revolving Credit Exposure at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans and Revolving Credit Exposure outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans and Revolving Credit Exposure of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of the Trade Date) shall not be less than \$1,000,000 with respect to Incremental Term Loans and \$5,000,000 with respect to Revolving Loans and in minimum increments of \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans, other Revolving Credit Exposure or the Commitments assigned, except that this subsection (b)(ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Commitments on a non-*pro rata* basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of such Lender or an Approved Fund of such Lender;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required unless such assignment is of an Incremental Term Loan to a Lender, an Affiliate of such Lender or an Approved Fund of such Lender; and

(C) the consent of each Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding), and the consent of the Swingline Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Commitments.

(iv) Assignment and Acceptance. The parties to each assignment shall deliver to the Administrative Agent (A) a duly executed Assignment and Acceptance, (B) a processing and recordation fee of \$3,500, (C) an Administrative Questionnaire unless the assignee is already a Lender and (D) the documents required under Section 2.20(e).

(v) No Assignment to the certain Persons. No such assignment shall be made to (A) the Borrower or any of the Borrower's Affiliates or Subsidiaries or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Bank, the Swingline Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 10.3 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section. If the consent of the Borrower to an assignment is required hereunder (including a consent to an assignment which does not meet the minimum assignment thresholds specified above), the Borrower shall be deemed to have given its consent unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after notice thereof has actually been delivered by the assigning Lender (through the Administrative Agent) to the Borrower.

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in Charlotte, North Carolina a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans and Revolving Credit Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Information contained in the Register with respect to any Lender shall be available for inspection by such Lender at any reasonable time and from time to time upon reasonable prior notice; information contained in the Register shall also be available for inspection by the Borrower at any reasonable time and from time to time upon reasonable prior notice. In establishing and maintaining the Register, the Administrative Agent shall serve as the Borrower's agent solely for tax purposes and solely with respect to the actions described in this Section, and the Borrower hereby agrees that, to the extent Truist Bank serves in such capacity, Truist Bank and its officers, directors, employees, agents, sub-agents and affiliates shall constitute "Indemnitees".

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower, the Administrative Agent, the Swingline Lender or any Issuing Bank, sell participations to any Person (other than a natural person, the Borrower, or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Issuing Banks, the Swingline Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment,

modification or waiver with respect to the following to the extent affecting such Participant: (i) increase the Commitment of such Lender; (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder; (iii) postpone the date fixed for any payment of any principal of, or interest on, any Loan or LC Disbursement or any fees hereunder or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date for the termination or reduction of any Commitment; (iv) change Section 2.21(b) or (c) in a manner that would alter the *pro rata* sharing of payments required thereby; (v) change any of the provisions of Section 10.2(b) or the definition of “Required Lenders” or “Required Revolving Lenders” or any other provision hereof specifying the number or percentage of Lenders which are required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder; (vi) release all or substantially all of the guarantors, or limit the liability of such guarantors, under any guaranty agreement guaranteeing any of the Obligations; or (vii) release all or substantially all collateral (if any) securing any of the Obligations. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19, and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section; provided that such Participant agrees to be subject to Section 2.24 as though it were a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.21 as though it were a Lender.

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The Borrower and the Administrative Agent shall have inspection rights to such Participant Register (upon reasonable prior notice to the applicable Lender) solely for purposes of demonstrating that such Loans or other obligations under the Loan Documents are in “registered form” for purposes of the Code. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) A Participant shall not be entitled to receive any greater payment under Sections 2.18 and 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. A Participant shall not be entitled to the benefits of Section 2.20 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.20(g) and (h) as though it were a Lender.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 10.5 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set

forth therein) and the transactions contemplated hereby and thereby shall be construed in accordance with and be governed by the law (without giving effect to the conflict of law principles thereof) of the State of New York.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York, and of the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such District Court or New York state court or, to the extent permitted by applicable law, such appellate court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) The Borrower irrevocably and unconditionally waives any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding described in subsection (b) of this Section and brought in any court referred to in subsection (b) of this Section. Each of the parties hereto irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to the service of process in the manner provided for notices in Section 10.1. Nothing in this Agreement or in any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by law.

Section 10.6 WAIVER OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.7 Right of Set-off. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, each Lender and each Issuing Bank shall have the right, at any time or from time to time upon the occurrence and during the continuance of an Event of Default, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, to set off and apply against all deposits (general or special, time or demand, provisional or final) of the Borrower at any time held or other obligations at any time owing by such Lender and such Issuing Bank to or for the credit or the account of the Borrower

against any and all Obligations held by such Lender or such Issuing Bank, as the case may be, irrespective of whether such Lender or such Issuing Bank shall have made demand hereunder and although such Obligations may be unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.26(b) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender and each Issuing Bank agrees promptly to notify the Administrative Agent and the Borrower after any such set-off and any application made by such Lender or such Issuing Bank, as the case may be; provided that the failure to give such notice shall not affect the validity of such set-off and application. Each Lender and each Issuing Bank agrees to apply all amounts collected from any such set-off to the Obligations before applying such amounts to any other Indebtedness or other obligations owed by the Borrower and any of its Subsidiaries to such Lender or such Issuing Bank.

Section 10.8 Counterparts; Integration. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. This Agreement, the Fee Letter, the other Loan Documents, and any separate letter agreements relating to any fees payable to the Administrative Agent and its Affiliates constitute the entire agreement among the parties hereto and thereto and their affiliates regarding the subject matters hereof and thereof and supersede all prior agreements and understandings, oral or written, regarding such subject matters. Delivery of an executed counterpart to this Agreement or any other Loan Document by facsimile transmission or by electronic mail in pdf format shall be as effective as delivery of a manually executed counterpart hereof.

Section 10.9 Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates, reports, notices or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.18, 2.19, 2.20, and 10.3 and Article IX and the last sentence of the definition of Applicable Margin shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. All representations and warranties made herein, in the Loan Documents in the certificates, reports, notices, and other documents delivered pursuant to this Agreement shall survive the execution and delivery of this Agreement and the other Loan Documents, and the making of the Loans and the issuance of the Letters of Credit.

Section 10.10 Severability. Any provision of this Agreement or any other Loan Document held to be illegal, invalid or unenforceable in any jurisdiction, shall, as to such jurisdiction, be ineffective to the extent of such illegality, invalidity or unenforceability without affecting the legality, validity or enforceability of the remaining provisions hereof or thereof; and the illegality, invalidity or

unenforceability of a particular provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.11 Confidentiality. Each of the Administrative Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of any information received from the Borrower, any of its Subsidiaries or any Associated Practice relating to the Borrower, any of its Subsidiaries or any Associated Practice or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Borrower, any of its Subsidiaries or any Associated Practice, except that such information may be disclosed (i) to any Related Party of the Administrative Agent, any Issuing Bank or any such Lender including, without limitation, accountants, legal counsel and other advisors, (ii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iii) to the extent requested by any regulatory agency or authority purporting to have jurisdiction over it (including any self-regulatory authority such as the National Association of Insurance Commissioners), (iv) to the extent that such information becomes publicly available other than as a result of a breach of this Section, or which becomes available to the Administrative Agent, any Issuing Bank, any Lender or any Related Party of any of the foregoing on a non-confidential basis from a source other than the Borrower, any of its Subsidiaries or any Associated Practice, (v) in connection with the exercise of any remedy hereunder or under any other Loan Documents or any suit, action or proceeding relating to this Agreement or any other Loan Documents or the enforcement of rights hereunder or thereunder, (vi) subject to execution by such Person of an agreement containing provisions substantially the same as those of this Section, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, and, in each case, their respective financing sources, or (B) any actual or prospective party (or its Related Parties) to any swap or derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder, (vii) to any rating agency, (viii) to the CUSIP Service Bureau or any similar organization, or (ix) with the written consent of the Borrower. Any Person required to maintain the confidentiality of any information as provided for in this Section shall exercise the same degree of care to maintain the confidentiality of such information as such Person would accord its own confidential information. In the event of any conflict between the terms of this Section and those of any other Contractual Obligation entered into with any Loan Party (whether or not a Loan Document), the terms of this Section shall govern. Each Arranger may, at its own expense, place customary tombstone announcements and advertisements or otherwise publicize their engagement hereunder (which may include the reproduction of any Loan Party's name and logo and other publicly available information) in financial and other newspapers and journals and marketing materials describing its services hereunder. Further, each Arranger may provide to market data collectors, such as league table, or other service providers to the lending industry, information regarding the closing date, size, type, purpose of, and parties to, the credit facilities established hereunder.

Section 10.12 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which may be treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate of interest (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by a Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with

interest thereon at the Federal Funds Rate to the date of repayment (to the extent permitted by applicable law), shall have been received by such Lender.

Section 10.13 Waiver of Effect of Corporate Seal. The Borrower represents and warrants that neither it nor any other Loan Party is required to affix its corporate seal to this Agreement or any other Loan Document pursuant to any Requirement of Law, agrees that this Agreement is delivered by the Borrower under seal and waives any shortening of the statute of limitations that may result from not affixing the corporate seal to this Agreement or such other Loan Documents.

Section 10.14 Patriot Act. The Administrative Agent and each Lender hereby notifies the Loan Parties that, pursuant to (a) the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the Patriot Act and (b) the Beneficial Ownership Regulation, it is required to obtain a Beneficial Ownership Certificate.

Section 10.15 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees and acknowledges its Affiliates' understanding that (i) (A) the services regarding this Agreement provided by the Administrative Agent and/or the Lenders are arm's-length commercial transactions between the Borrower, each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent and the Lenders, on the other hand, (B) each of the Borrower and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate, and (C) the Borrower and each other Loan Party is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person, and (B) neither the Administrative Agent nor any Lender has any obligation to the Borrower, any other Loan Party or any of their Affiliates with respect to the transaction contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and each of the Administrative Agent and the Lenders has no obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and the other Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.16 Location of Closing. Each Lender and each Issuing Bank acknowledges and agrees that it has delivered, with the intent to be bound, its executed counterparts of this Agreement to the Administrative Agent, c/o Alston & Bird LLP, 90 Park Avenue, New York, NY 10016. The Borrower acknowledges and agrees that it has delivered, with the intent to be bound, its executed counterparts of this Agreement and each other Loan Document, together with all other documents, instruments, opinions, certificates and other items required under Section 3.1, to the Administrative Agent, c/o Alston & Bird LLP, 90 Park Avenue, New York, NY 10016. All parties agree that the closing of the transactions contemplated by this Agreement has occurred in New York.

Section 10.17 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.18 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable (i) a reduction in full or in part or cancellation of any such liability, (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.19 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 10.20 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Obligations or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the

Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.20, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 10.21 Electronic Signatures. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to this Agreement or any other document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.
